68th ANNUAL REPORT TORQUAY SLSC 2012/2013 Addendum to report

The following information is an addendum to the published 68th Annual Report for Torquay SLSC. It contains information that was either not available at the time of printing or was found to be in error.

This addendum forms part of the 68th Annual Report tabled to members.

AWARDS

Due to still delayed process by Life Saving Victoria in the finalisation of awards for this season, not all completed awards have been updated in the Surfguard database. As a result, not all awards completed have been able to be included in the above table. Recipients of awards attained this season but not appearing in this list will be included in next year's Annual Report.
