President - Ian Turner

As Club President I have enjoyed the many challenges in the running of the club this year, but more importantly I have been buoyed by friendship and dedication of the majority of our members. Yes I am proud to be a member of the Torquay SLSC.

The Club Management's board core objective this year was to improve the standard of our patrols and lifesaving services on Torquay Beach. During March I was heartened by a statement from a club life member on this year's patrols, "Mission accomplished". Patrols were well attended. I thank the majority of Long Service members who helped to bring a mentor role to our younger patrolling members. The future is to further improve our lifesaving service on our beach.

David Nankervis, Director of Lifesaving, has spent the entire year making sure patrols were number one. His own dedication to hours on the beach astounds me (90 plus hours of beach patrol duty). His nomination for the Wishart medal makes him a worthy contender.

Noel Dubberley as Club Captain has done an enormous job to ensure members do the right thing but also gives a pat on the back where needed.

We currently have a very young competition team capably lead by the experienced Bryan Thomas, along with our boat rowers I see a changing of the guard with many new young members ready to stand up and represent the blue and gold with pride. May the tradition continue.

Our Junior ranks headed by Peter Coles assisted by Anna Devonish, Michael Nolan, the water safety and age managers have had a fantastic year that saw so many young members participate. Our junior program should all be about development, allowing our young members to enjoy the surf, and learn what surf lifesaving is all about; these kids are the future of our patrols. Parents of the participants should not expect under age champions, this is a time to learn and enjoy. The hero status can come later.

The season started badly with the club given a show cause notice from The Surf Coast Shire regarding the building. Our clubhouse, built 40 years ago, has served us well and is a credit to Ian Burch and the team that built it. Since the building was opened, nippers and female members have joined the association putting a strain on use of our clubhouse facilities. Current building regulations forced issues like a new fire service with booster pumps; an integrated smoke alarm system; and illuminated safety exit lights to be implemented. Along with new handrails, additional fire doors and fire walls all have been updated. Our leaking roof is in need of urgent repair and a program is under way to remedy. Building and House Director, Andrew Evans, and Ken Godfrey have been at the forefront to get all the building issues fixed while complying with council regulations. The job has been so large and time consuming Ken Godfrey was my obvious choice

for this year's President's award, the club is indebted to Ken taking on this enormous job of getting our clubhouse back on track.

Fundraising and sponsorship are our two key income streams, to all our sponsors, thank you, we look forward to your ongoing support. Damien Horan has set the foundation to look after the relationship between the club and sponsors. Fundraising was headed by Sharon Heathcote until she took personal leave from the position, many positive initiatives have come from Sharon's term as Director of fundraising. Thank you to all that participated in club fundraising activities. Sharon was also employed by the club to coordinate the private functions, accommodation, stocktaking and ordering for bars and kiosk. She unfortunately resigned from this position at the start of her illness. The Kiosk was successful this year due to the kindness of the weather and the large crowds that attended the beach over the summer.

The Club Secretary, Lisa Taitapanui, first year role was a baptism of fire, no one can deny her fierce loyalty and hard work. The Club Treasurer, veteran life member Jan King, has worked tirelessly to ensure the books are right, an enormous job well done.

As acknowledged in the Associates Report, this group has always been challenged to provide the best arrangements to members over the season. They have acknowledged the need for clearer communications between this group and the various sections of the club. Whilst the Club as a whole organised many social functions and activities which contributed to the fundraising for the club, the relationships between the Associates and those organizing these functions was fragmented and resulted in a break-down in effectiveness which was disappointing. Despite guidance from the executive, protocols for running and managing the Senior Members lounge and bar were not adhered to. As a consequence, and to protect the liquor licence which is held by the Executive, the Board will take over the future management of the lounge and bar. This will ensure the poor results from this area of the club are not repeated and that a wider section of the membership base make greater use of this tremendous facility.

Our Local Member, Andrew Katos has delivered his pre-election commitment to the club of $300,000, thank you to Andrew and his colleagues for their support. Simon Strahan and Peter Robinson were both instrumental 18 months ago in twisting Andrew's arm. Well done Ex-President and Ex-Secretary.

To all members who have helped to make my job as President easier this year thank you, especially the following David Shaw, Honorary Legal Advisor, Ian Burch Honorary Architect, Dr Bill Johnson LSV Delegate, Peter Robinson, Chris Burgess, Marion Lowe, Ken Pollard OAM, Peter Doyle, Anna Devonish, Rod Middleton, Karen Ray and Keith Millar.

May we continue to build a club we are all proud of.

Honorary Secretary - Lisa Taitapanui

Thank you to all I have served with on Committee and who have mentored and supported my role, for providing amazing support, good fun, tears, tantrums and friendships that have been fantastic. What each person on Committee brings to the table is different – but our differences made for a progressive and hardworking team.

I have learnt a lot and I am in awe of many of our Club volunteers for their commitment, integrity and passion for making a difference. I continue to meet and network with great people who have membership of TSLSC in common and I would encourage everyone to build momentum for the Club by talking with and meeting other members. We have so many incredible resources within our Club members and it would be great to capture some more representation in active Club roles. It is incredibly rewarding to contribute to the volunteer lifesaving organisation and particularly at such a revered Club and on a fantastic beach.

Our Committee meetings this year have been well represented and full of ideas, revelations and reconstruction all in the best interests of TSLSC. We may not always get it right, but that is not for lack of trying and exhaustive efforts. Ten meetings of the committee have been held at the time of printing and attendances of each committee meeting have been reported in the table on page 5. The Executive and Committee discussions and outcomes were often cited in the many emails, which transpired over each day and thousands of emails over the season. Through email the committee have been more readily informed and our serviceability of the needs of the Club has been more manageable remotely. It seems to have also made it busier than ever! We have also used the systems and technology available to us to generate information for the members. Our website, Facebook and Surfguard outputs have enabled our communications, but we are mindful that this is not for everyone and we are continually addressing the processes.

The Club, in its entirety, has been the agenda for this year with the focus being on our core business of lifesaving. With Dave Nankervis and a fantastic lifesaving support team behind him, it is making a difference. Cohesion in patrols and within the Club is evident in many areas and measurable. Our membership now exceeds one thousand and the dynamics of management and infrastructure involved are intensive. I implore members to assist and participate whenever and wherever you are able and make a difference.

Thank you to Damien Horan who has provided a pictorial of our year that will continue to have historical significance for the Club. It is a privilege to have such amazing images recorded for us.

I am humbled to be a part of such a fantastic, sincere and transparent operation this season and embarrassingly - without having to pull on a wetsuit.

To all of you who do patrol – you are my heroes. Thank you!

Club Captain - Noel Dubberley

Time for a well earned break for all the competitors, patrollers, nippers and especially the long suffering parents without whom, many would not have the opportunity to enjoy our beaches and lifestyles we are privileged to. I would also like to thank my fellow committee members most of who, like myself are new to the job, some are back for another tour of duty. Thank you also to Delly and our training officers for the fantastic Bronze camps. Thank you to Keith Millar who I took the reins from. They were big boots to fill and he never said no when I asked for help or advice.

At our first committee meeting we agreed on concerted efforts to improve our patrols. We believed if this happened the improvement of all other areas would follow. We were right. Changing the poor culture of some older and younger members has been one of the hardest tasks this season. It is an ongoing effort. Some still believing they were owed, others in it for themselves. We are a club, a big family, there for each other, none above the other. Slowly this is getting through and with this pride our morale grows.

We promoted courses for as many as possible to gain more qualifications. Lunches were provided for all day patrols and the biggest hit was the red hoody patrol tops. How valuable are these on a cold patrol. New patrol boards were purchased, a new patrol tent, another defib and a new Rhino patrol vehicle. The result was a professional looking club, successful patrol season, and higher morale. All patrols completed without default and most importantly a safe beach was provided to the public. Well done to you all. Some still think they do too many patrols. If members would increase their qualifications by just one award we could halve the number of patrol days. It's simple and is really up to you.

Never before have I seen so many nippers running around on our beach as this summer. Approximately 350 nippers with parents showed up for our summer program. These numbers speak volumes for the success of the Nipper section and the dedication of the age managers, water safety, parent helpers, bbq cooks, canteen staff, gear steward Damien Horan, Peter Coles, Mick Nolan and especially Anna Devonish. There is a woman who has amazed us all around the club with her energy, management ability and stationery supplies. The swelling numbers of Nippers is pouring through to senior ranks, a transition that has always been difficult.

Nipper States held at Lorne was one to remember. Saturday cancelled due to cyclonic winds, rain and surf Sunday, a beautiful beach day on "Lake Lorne". Our nippers outclassed the other clubs on the beach, in the water and finishing with an impressive march past team resulting in Torquay winning the carnival. I look forward to seeing you all again next season with the U14's progressing through to senior ranks and gaining their Bronze Medallion.

From the improvement of our patrols and bronze camps came the increased numbers of competitors. From dropping numbers to a large increase in young

seniors it is quickly increasing the ranks making it necessary to buy another competitors tent to fit them all in. What a good problem to have. Watching the older competitors mentor the younger ones at the start of the season to seeing the young ones give them a run for their money at the end of the season was a fantastic improvement to see. The guidance and coaching given by Bryan Thomas, Brendan 'Swiv' Garreau and their helpers is improving their skills resulting in impressive results at States and Aussies. This all results in better, higher skilled patrol members. We all win.

The boaties were as reliable as ever with all their patrols with many new faces to the section and a few old ones back for another season. Good results from solid training were achieved all season by the boaties and wins in the George Bass Marathon over the New Year period was an effort to be very proud of.

A special highlight for me this season was at Anglesea States to see Georgia Atherton-King and Charlie Horan in the U15's pull out of their board final just before the finish to help an injured Lorne competitor. They are an example to us all.

The Australian Titles were a steep learning curve for the large number of young first timers at Kurrawa - large surf and strong sweeps resulting in a few tears. A smaller number of older competitors showed their skills and how to do it. The boaties too were humbled in the large surf. No need to exaggerate in years to come, it was big and heavy. The movement of venue to North Kirra in the middle of the Titles was a large effort by all, with our mini bus given a workout especially the sound system on every trip. Solid performances were seen by many and a great time had by all. Congratulations to Brendan Garreau winning his Master board race at Kurrawa Australian Titles. On a sad note I wish to recognise the tragic life lost of 14yo Mathew Barclay from the Maroochydore SLSC at the 2012 Australian Titles. Many of us were witness to the event that took Mathew's life and on behalf of the Torquay SLSC pass on our sincere condolences to Mathew's family.

Around the clubhouse you will notice changes going on to bring the building up to fire and safety code. An ageing building it is in need of considerable funds being spent to make safe progressing into the future. We are also finalizing plans to renovate and extend areas to accommodate a growing membership base and offer more services to the members. A larger nipper shed, new patrol and first aid rooms, new kiosk, balcony extensions and new bar area are all on the wish list from members. We will keep you informed as these plans progress.

Thank you to all our sponsors. Without you we could not provide the services and pay the bills that continue to pour in for a club that is growing. Thank you to the Life Members for your support. I now more than ever recognise your efforts in times past.

To the future - keep warm through what promises to be a cold wet winter. I hope to see as many as possible on the upcoming snow trip we are trying to organise, pull on the steamer and enjoy the large winter swells.

Life Saving - David Nankervis

Once again, a big thank you must go out to all our patrolling members this season, without whom, we would not be able to perform our core responsibilities as a club.

This season we were forced to instigate all-day patrols on Sundays and public holidays to offset the reduction in patrol teams. The club also took the extra step of providing lunches for all members patrolling these long shifts as a way of showing appreciation for the contribution in valuable personal time. (Thank you to Sharon, Mary, Lisa and co. for ensuring the masses were well fed).

I would also like to thank Geelong Computers and Ghanda for their support and sponsorship of the new red hooded patrol windcheaters which were provided to each patrolling member this season. They not only look great, they are a practical extension to the patrol uniform of which the feedback has been excellent.

Our pre-season started well, getting through the mandatory gear inspection with flying colours. Thank you to all involved in achieving such a great result. It certainly makes a great difference coming into a season well prepared. However, for a club with 1,000 members we were forced to rely on only 150 patrolling members (15%) over the course of this season. It's important when contemplating this number that you bear in mind, this included the 42 new bronze holders and 20 new SRC's resulting from the bronze camp and parent bronze intakes during December and January. Meaning that of the 113 patrollers from last season (as recorded in the 66th annual report), only 88 returned to contribute this season.

Thankfully (once again) there are those among us who put in extra hours to ensure we as a club do not default on our responsibilities as a club:

David Nankervis	99.5	Damian Holman	75.5	Damien Horan	57.5
Max Rudd	55.0	Nicholas Brandimarti	45.0	Paul De Landre	52.5
Olivia Broderick	51.5	Andrew Holding	45.5	Stefanie Comodromos	45.5
Ashlee Dubberley	45.0	Melanie Hickey	45.5	Nicholas Thomas	45.0

This season has seen a marked improvement in the attendance of rostered patrols. Last year saw only 2 members complete all of their rostered patrols without substitutions. This year I am pleased to report we had 28 members (18%) complete the season (including the Havaiana Event) with a flawless attendance record. Well done. Let's all try and plan harder to get over the 50% mark next season.

Looking ahead to next season, we are still faced with the same two key problems:

- The lack of members holding vital awards (to make up effective patrols); and
- The lack of members volunteering their time to a rostered patrol.

The last thing we want to do is further reduce the number of patrol teams because of these two reasons. Our current reality is that we were forced to roster each member for an average of 38 hours each. I think everyone would agree that reducing this down to only having to patrol for 16 hours a season would be the ultimate outcome. This is possible.

Last year only 7 patrolling members (out of 113) held 3 or more of the required vital awards (6%). This season that number actually dropped to 5%. This is the root cause of the problem. The math is simple; we cannot make 10 patrol teams utilising only 6 or 7 key people.

Therefore, to improve this situation, you as individuals must now address these two key issues. We need more active patrollers with the required vital awards. This will in turn, allow us as a club to increase the amount of teams, and in doing so, reduce the required patrol hours for each individual. So when our Chief Instructor offers a new award up, make time to get along and get it done. It's not only of benefit to the club; it's all part of your own personal growth as a modern lifesaver. Not only will you become a more competent and confident lifesaver, also (if inclined), you will be building the necessary skills required to undertake future work as a paid lifeguard. "I can't think of a better workplace". I also ask those people that may have not have patrolled for a while or have not requalified all of their awards in recent times, to consider doing so, not only to bolster numbers, but to act as mentors to our young membership base. For the same reasons I would urge those considering a break or retirement to stay on and fulfill some key rolls.

Again this year Torquay played host to the Havaiana Thong Challenge, which saw 1,236 people recorded as participants in the world record attempt held at Cosy Corner. This event also coincided with thousands of people flocking to the beach on Australia Day keeping us well-and-truly on our toes. We would not be able to host or maintain such an event if it wasn't for the sensational support we get from our membership. Obviously we rely heavily on our active members to achieve the water-safety ratios, but we also rely on many others to carry out numerous jobs behind the scenes. This is a major fundraising event and everyone that contributed did so in a very professional manner and must be congratulated for their contributions. As a thank you, this year Ghanda produced a great looking commemorative T-Shirt for everyone involved. (If you haven't got yours yet, it's waiting for you, please ensure you drop by and pick one up).

Requirements for Water safety and/or first aid, at any event have always been an important aspect and in most cases mandatory. Consequently, we as a surf club are continually approached to provide well-qualified people and resources, to perform some of these duties. Accordingly we have provided water safety for Surfing Victoria, special events, the movie industry, school groups and of course the annual Havaiana event. This is not always seen as a fund raising opportunity, it's also a chance to raise our profile and showcase our skills and professionalism as a club. We also take advantage of these outings by utilising the expertise of our First Response Team, which in turn, helps to hone their skills. For those unaware, the T.S.L.S.C. is incorporated as part of Emergency Services Network. This team was formed to respond to any emergency call-out that may require our assistance 24 hours a day, 7 days a week. The First Response Team is always looking to welcome new members.

In closing, I would like to thank my team of patrol Captains for their continued efforts this season. Also to the team behind the scenes that keep us up to scratch:

- Bill Johnson – Medical and Training and First Aid Room;
- Anne Waterhouse – First Aid Room;
- Damien Horan – Radio Officer;
- Max Rudd – IRB Manager.

Thanks also to my fellow Directors for their assistance over the course of the season.

Hope to see many more of you helping to keep our beaches safe next season.

IRB – Max Rudd

The IRB Section of the Torquay Surf Life Saving club is in a phase of flourishing prosperity. The growing presence of IRB activities on Torquay Beach is an encouraging sight. From the hours of training to the hours of patrols, Torquay is increasingly developing a strong cohort of competent and confident IRB personnel.

Without a doubt the most telling example of the tireless effort of the Torquay IRB Crews was the success of Havaiana Day 2012 – an excellently organized and orchestrated event that does not happen without the enthusiasm of voluntary IRB crews.

Season 2011/12 was marked by some critical adaptations proposed to the training and reassessment of new and current IRB crews. The club is indebted to the ongoing support of senior IRB trainers and assessors both Bill Johnson and Keith Millar for their tireless efforts ensuring that new standards were met.

With the 2011 National IRB Review came fundamental changes to equipment, including the exclusive use of 4-blade propellers and new fuel cell safety standards. These changes come at a great cost to the club. I expressly extend my thanks to both the Committee and the Jack Harris Trust for making the funds available to implement these compulsory changes. It makes the role of IRB Captain significantly less stressful to be surrounded by great leaders

who understand the importance of constantly updating and maintaining the highest equipment standards.

To the carnival crews, the nipper parents who extended themselves above the call, the new trainees and those that simply helped out with all things IRB, I would like to extend a heartfelt congratulations and thanks for your efforts. The feedback from Life Saving Victoria on Torquay's participation at lifesaving events was always glowing.

With the days shortening, the clouds darkening and the cold settling in, all but one department of the club is resting! You can smell the petrol from Pt. Addis on a Sunday morning winter training session. The critical importance of the IRB in lifesaving activities cannot be overstated: they are the fastest, safest and most efficient way of executing rescues.

I would conclude by emphasizing the call for any interested members to contact me with regards to anything IRB-related. Your interest is crucial to the survival of effective patrols on Torquay beach.

Chief Instructor - Alan Dell

Requals were conducted during November and December with a total of 540 Members participating and all qualified with above average standard.

Season 2011/12 saw the re-introduction of a live-in bronze camp. By having a live-in camp, candidates from outside the Geelong/Torquay area can come and gain their Bronze within a week instead of taking many weekends. I am trying to regain a database of lost contacts the club had in Melbourne. The camp was a great success with 19 candidates who had the pleasure of three great trainers in Nick Johnson, Tennille Holman and Rhiannon Holman. Ashleigh Nankervis, Nick Lowe and Max Rudd assisted the trainers. Meals were prepared by camp coordinator Alan Dell with help from wife Nola and Associate member Colin Reed along with his wife Jan. Ros Livingstone had a sleep over one night giving Tennille and Rhiannon a night off. Sharon Heathcote helped out planning the menu for the camp.

Planning for 2012/2013 season camp is well on the way. It is hoped to recruit some of the members from the camp to become probationary trainers so we can build on having a group of young qualified trainers to take over the camp in a few years' time.

Director of Sponsorship and Marketing - Damien Horan

Another season has come and gone. A busy year and a fruitful one too and we're already planning ahead for next year. I've had a varied and interesting year as the sponsorship and marketing director, being new to such a role has given me a great insight to workings of such a great volunteer organisation. A massive amount of work goes on behind the scenes at our club and we would not be able to operate without countless volunteer hours from the committees, staff and members. A big thank you to everyone who has contributed to the running of our club.

The TSLSC has had a magnificent season in all areas; we reached a milestone with our 1,000th member this summer; the juniors taking out first place in the State Championships, and the seniors taking out overall 3rd place. The boat section is as strong as ever, as are the masters of the club.

More importantly we have been able to patrol our beach here in Torquay and provide the public with a much-needed safe environment. Doing this was made possible with the support of our sponsors, local business and local contributors; we have had support from The Jack Harris Trust, with funds that enabled us to buy a new ATV to move our gear on and off our beach. We have new rescue boards for our patrols, new nipper boards to train on, tents for our patrols and competitors. We've been able to run a hugely successful bronze camp with funding from the Commonwealth Bank. The Westpac Bank tipped in for a new defib for our first aid kit. Rip Curl have once again supported the nipper section providing us with rashies for the kids and safety vests for the adults.

We've had had fuel for our ducks, snags for our bbq's, bbq's for our snags, new hoodies for our patrols, oars for our boats, a boat for our oars, cash donations, computer support, wine, fish for our fish day, media support for our numerous successes, prize money for our Jim Wall Iron Man event, coffee on those cold winter mornings and the list goes on and on.

The Jack Harris Trust, Lions Club, Mitre 10, Advance Petroleum, Front Beach Café, Bunning's, Viatek, Barry Plant Real Estate, Hayden's Real Estate, The Echo, Officeworks, Blood Motor Group, Quiksilver, KRS Business Services, Ghanda, Littore, Geelong Computer Help, Espresso on the Go, Ryan's IGA, Choc Chip, PFD, Admin Network, Torquay Hotel, Terry Wall, Frenchies, RACV, Kozii, GORCC, Urban, RXP services, Ray Frost, Bell Street Bakery, Traffic Technologies, Poolwerx, Oakley, Ed and Judy Beacham, Surfcoast Photography, and Victorian State Government and local member the Honorable MP Andrew Katos.

The TSLSC is privileged to have the support of so many individuals and businesses here in Torquay and beyond, can I once again say thank you from all of our members and the committee we hope to be working with you again next season.

Director of Competition - Bryan Thomas

I would like to start my report by saying thank-you to all the competitors for their continuous efforts throughout the season at training and competition. I can say that I was proud of every one of them not only on their results but also in particular their sportsmanship and behaviour on the beach. This season I feel the competition section moved forward with a great emphasis on fun and enjoyment at training and competition. We tried to be sure this happened by offering training sessions that were fun, breakfasts after training and bus trips away for competition weekends.

I would like to thank those who helped out with coaching throughout the season, Justin Cole, Zeb Walsh, Tim Altman, Nick Muhlebach, Sam and Brian Hayden and John Mercer, with a special thank-you to Brendan Garreau and Kimberly Holding for their tremendous efforts, not only at training but for making the effort to be involved in the trips away and club functions with the younger competitors.

I would also like to thank the Torquay members who continuously put themselves on the beach or on the water as officials or IRB drivers.

- Brian Hayden
- Brian Millman
- Steve Nelson
- Bill Johnson
- Tony Strahan
- John Penny
- Kevin Larkins
- Rod Costa
- Tony King
- Noel Dubberley
- Peter McPhan

A special thank-you to Ian Turner and the committee for all their support throughout the season and to the following people who continually put their hand up to help in any way they could making my job not only possible to carry out but also enjoyable:

- Noel and Heather Dubberley;
- Marion and Hayden Lowe;
- Juliet Buckley;
- Kay Comodromos;
- Rick Broderick; and of course,
- Fiona Thomas.

I would also like to thank all the parents who assisted with the tents at carnivals and the loading and unloading of the trailers.

The competition section on a whole had fantastic results at all of the Summer Series carnivals and finished with the following results at the State Titles and Australian Titles.

Lastly, thank you again to all competitors and fellow patrolling members for a fantastic season, I wish you all the best for the year and look forward to seeing you all on the beach.

Boat Section - Rod Costa

The season started with the XV11 Navy George Bass Surfboat Marathon from Sunday 1st - Saturday 7th January 2012. Comprising of 7 days, 7 legs and 190km's of the best coastline (Bateman's Bay to Eden) in Australia, this is the longest, toughest Surfboat Race in the world. We were the only club with a crew in both sections and finished with amazing results all members can be proud of. Our fantastic women's crew swept by Stephen Blewett led the race from start to finish and never looked like being overtaken. Not to be outdone the young U23 boys finished 3 in the Open - a great result, in bringing the club home a cheque for ten grand.

There were many members that helped in a logistics role Geoff and Rhonda French, Steven and Jeanne Nelson, Rod and Karen Costa, Ken Godfrey, Tony Fraser, Rhonda Blewett to name a few. A big thank-you to all the "George Bass" team.

Thanks to those who volunteered as Patrol Captain's this season. We were able to field 3 full patrols, which equated to about a third of the club's needs. Attendance was excellent and our Patrol Captains Jackson Costa, Rhiannon Holman and Karen Costa did a great job. David Nankervis and Noel Dubberley should also be thanked on behalf of the boaties for understanding our needs.

Brett's U23 Men's crew was selected in the VSRL State Team to compete at Stockton NSW. The boys went on to win the U23 Interstate Boat race final whilst both the U23 Ladies and U23 Men's crews made there respective age group finals. A good result.

The club hosted the VSRL State Titles in January and put on a splendid day indeed. All crews were well in the medals as listed below. The presentation and lunch held in the main hall proved to be a very enjoyable aftermath. Onto the Vics at Anglesea where once again we featured prominently gaining 3 gold and 2 silver medals. All results are tabled below.

Finally the Aussies at Kurrawa QLD, where we entered five crews, the most crews for many seasons. Again extreme surf conditions and luck was not with us. Thanks to Bill Booth and Geoff French for towing the boat to Aussies.

The annual 'Boaties Bash' dinner was in November 2011 and was a great night. The Door Knock was well attended by the boat rowers.

Thanks from all the rowers to our officials Brian "Milks" Millman, Rod Costa, Tony King and Steven Nelson.

Once again I must thank our sponsors listed below for without them we would have been unable to achieve these results and retain the large number of patrolling members within the boat section.

Director of Development – Peter Coles

The 2011/12 competition, training, and patrol season has, once again been a successful one for the junior section of the TSLSC. Our predominant focus for the season was to ensure our Nippers developed valuable surf skills whilst having fun with their mates in all of their activities (competition, training and socially).

As many would know, TSLSC was declared as the Champion Junior Club of Victoria at the recent State Titles with a total points tally of 175 points with Mentone 2nd on 163 points and Pt. Leo in 3rd position with 160 points. This result comes on the back of being crowned the Champion Junior Surf Coast Club for our region of the past 3 seasons and winning 2 of the past 3 Victorian Junior Champion Club titles.

Our achievement of being crowned the Champion Junior Club of Victoria is a direct result of the tremendous dedication, passion and hard work of our Age Managers/Coaches and Volunteer helpers. Of course all of our children have also clearly demonstrated the same high level of dedication, passion and commitment along with a desire to learn and improve their surf and beach skills.

We had **349** TSLSC Nipper members with more than 70% of these memberships being in the U/9 or older Age category.

SUMMARY

Winter board and brekky sessions -These sessions were more of a "pre-season gathering" for the kids and the parents alike with a distinct focus on having a lot of fun in the water followed up by a hearty brekky in the lounge upstairs. These sessions commenced in early July and were extremely well attended. A huge note of appreciation must go to our Coaches and the Water Safety Officers and the ladies in the kitchen during these winter training sessions - Jock Evans, Sharon Harris, Mark Brandimarti, Mick Nolan, Scott Farrall, Damo Horan, Bruce Preston, Troy Harris and others for all of their tireless work in ensuring our kids are learning invaluable surf skills whilst remaining safe in the surf.

Cosy Corner Swim program - December saw the onset of some warmer water, which enabled our Saturday morning Swim program to get underway. Thank you Simon Strahan who assisted with conducting the sessions that had a huge impact on the performances of our Nipper swimmers this season with many of those kids

who undertook these sessions excelling at the 2011/12 carnivals. Many thanks to Jock Evans, Bruce Preston, Sharon and Troy Harris and others for assisting Simon at most of these sessions.

The Jim Wall Junior Surfathon - Many thanks to Bryan Thomas for organizing this event and to Ripcurl for donating surf wear product for the Junior Jim Wall event. Many of our Nippers along with Nippers from Jan Juc, Half Moon Bay and Ocean Grove competed in the Jim Wall Junior Ironman.

Summer Holiday Program
Thanks to everyone involved in managing this very successful program with special mention to Mick Nolan and Anna Devonish for coordinating all of the administration / registrations and management of the program.

U11	Sharon and Troy Harris / Shaun Harte
U12	Jock Evans / Jill Preston
U13	Rebecca Rush / Geoff Croker / Sean Blood
U14	Damen Horan / Roz Livingston

Our program is the success that it is because of our skilled, passionate, and energetic Age Managers, Water Safety Officers and volunteers. The TSLSC Directors and parents are appreciative of the outstanding efforts of the listed Age Managers for season 2011/12.

Club Championships and Presentation Evening - Ideal conditions greeted our nippers on the morning of the Junior Club Championships and many of the Age Group Champions were determined by very close margins. At the completion of the competition all of the kids and parents gathered at the Club to formally wind-up the Summer Holiday Program with the Presentation of Awards followed by a Nipper Disco for the kids.

Representative Teams - I am pleased to report that many TSLSC nippers were selected as members of both the Victorian Development training squad and the Surf Coast Inter Regional training squads over the Winter/Spring period. The Inter Regional Championships were held at Jan Juc beach and Kardinia Pool and although the Surf Coast team placed 2nd overall to Metropolitan the TSLSC kids in particular displayed outstanding surf and pool skills. Special mention to Sarah Harte, Lucy Razmara and Caitlyn Cameron for their selection in the Victorian team.

Regional Surf Coast Championships - The Regionals were held for the 2nd successive year in Torquay. Although the hazardous swell conditions denied us from holding the carnival out the front of our Surf Club our back-up venue of Cosy Corner proved to be an ideal location given the conditions on the day. The Carnival was a huge success with most of the TSLSC teams qualifying for the State Championships. Thanks to all those volunteers who contributed on the day. TSLSC were "crowned" the Champion Surf Coast club with a clear winning points margin over the 2nd placed Club.

Victorian State Championships - The Championships were held at Lorne SLSC this season with TSLSC being represented by 102 eager Nipper competitors. Although the first day of competition was cancelled due to dangerous surf conditions, the conditions on day 2 were close to ideal. Many TSLSC Nippers earned multiple medals and their achievements should be celebrated but many also walked away without any medals BUT everyone who competed at Lorne walked away a winner. A special mention must be made for the Gold medal winning TSLSC March Past Team –This "team" was well coached and well mentored by several enthusiastic coaches with all members displaying team unity and patrol team values. This team also provided an opportunity for twelve TSLSC members, regardless of other competition skills, to be members of a TSLSC

FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2012

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF TORQUAY SURF LIFE SAVING CLUB INC

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Torquay Surf Life Saving Club Inc, which comprises the statement of financial position as at 30 April 2012, the statement of comprehensive income and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of Torquay Surf Life Saving Club Inc is responsible for the preparation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act (Vic) and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the board has determined is necessary to enable the preparation of a financial report that is free from material, misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the board, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Qualification

It is not practical for the Torquay Surf Life Saving Club Inc to maintain an effective system of internal control over cash receipts until their initial entry in the accounting records. Accordingly, our audit in relation to cash receipts was limited to amounts recorded.

Qualified Audit Opinion

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the financial report gives a true and fair view of the financial position of Torquay Surf Life Saving Club Inc as at 30 April 2012, and its financial performance and its cash flows for the year then ended in accordance with the financial reporting requirements of the Associations Incorporation Act (Vic).

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the Torquay Surf Life Saving Club Inc to meet the requirements of the Associations Incorporation Act (Vic). As a result, the financial report may not be suitable for another purpose.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2012

NOTE 1:STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (Victoria). The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following specific accounting policy is consistent with the previous period unless otherwise stated and has been adopted in the preparation of this financial report.

(a) FIXED ASSETS

Property plant and equipment are included at their cost of acquisition or valuation. Assets are depreciated over their estimated useful life to the Club on a diminishing value basis. The following rates of depreciation are applied to Property, Plant and Equipment.

Class of Asset	Depreciation Method	Depreciation Rates
Plant and Equipment	Prime Cost	10%-40%
Buildings	Prime Cost	2.00%

(b) CASH

For the purposes of the Statement of Cash Flows, cash includes cash on hand, at Banks and on deposit.

(c) REVENUE

Revenue from the sale of goods is recognised upon the delivery of goods to customers. Membership revenue is recognised on a proportional basis based on the period of membership.

(d) INVENTORIES

Inventories are valued at lower of cost and net realisable value.

(e) GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expenses. Receivables and payables in the statement of financial position are shown inclusive of GST.

Director of Development – Peter Coles (continued…..)

On behalf of the TSLSC Directors I would also like to acknowledge the efforts of the following volunteers for their invaluable support and contribution towards our successful 2011/12 season:

- Anna Devonish - Nipper Administration Officer. Anna has been outstanding in managing and coordinating all Nipper related administration issues this season. Her professionalism, passion and commitment to the Nipper program have been outstanding.
- Mick Nolan - Water Safety Coordinator / Holiday Program Manager. Mick happily took on the dual role this season and his professionalism; dedication and common-sense approach ensured that the Holiday program and water safety program ran seamlessly.
- Volunteers whom regularly "signed-on" as Officials at Carnivals.
- At the post season Nipper workshop one of the first things raised as being a success for the Nipper season was the engagement and efficiency of the TSLSC Water Safety Team. Our Team was also a stand out at the Cosy Corner Carnival, going above and beyond to keep the event on track, when other clubs provided too few volunteers.
- Instructors and Coordinators of Parent Bronze trainees Dave Nankervis and Kel Benson.
- IRB drivers and Crew - Max Rudd, Ash Nankervis, Mick Nolan, Noel Dubberley and others
- Clothing Store Manager - Jill Preston and Carolyn Biram
- Gear Steward / Photographer / Age Manager - Damien Horan
- TSLSC's YLD representative Penny Altman for representing our club at all of the YLD meetings at State Centre in Melbourne.
- Penny Altman and her team of helpers for their efforts in managing the "Nipper Discos".
- Website Administrator - Alan Dell
- Scott Farrall - Scott brings to an end seven consecutive seasons of tireless involvement in the Torquay Water Safety Team. He has been involved since 2005, volunteering at every State Carnival in that time.
- Well done, everyone, and thanks for your efforts!

Many thanks to our Nipper section sponsors:

- Ripcurl for our Blue TSLSC Rash Vests, competition caps, colored training caps and our Orange Water Safety Rashies.
- Peter Rudd at Propaganda Screen printing
- Ghanda Clothing

The following parents attained their Age Managers Accreditation and or attained their Surf Rescue Certificate this season and are now patrolling TSLSC members: A big thank-you to Alan Dell, Nick Johnston, Dave Nankervis, Rhiannon and Tennille Holman for managing the SRC course.

Finally, another big thanks to Anna Devonish for organizing and coordinating the post season Nipper workshop. The objective of this workshop is to gather feedback, views and opinions from members and to discuss planning strategies for the 2012/13 Nipper season.

Once again, to all those who contributed in making the 2011/2012 season a memorable one for the Nipper children – thank you.

Director of Facilities - Andrew Evans

Apart from general maintenance, there hasn't been a lot of major work done around the club this year.

Noel Dubberley and Bryan Thomas did a great job creating more space in our senior and nipper board sheds by constructing new storage racks. Great job guys.

Several small projects were put on hold when shortly after our 2011/12 committee came together the Surfcoast Shire informed us that areas of our building were not up to current building regulations. Because in past years, renovation work has taken place without relevant permits, we were issued with a building notice to bring parts of the Surf Club up to regulation. This is something that cannot be rectified overnight, but we are working to meet all our requirements.

You may have noticed all stairway balustrades have been brought up to regulation. We still have a lot of work to do in fire safety areas. Many thanks must go to Ken Godfrey for his efforts coordinating with building surveyors and tradesmen to date. Ken's experience and knowledge in the commercial building industry has been a huge help, and the club is extremely grateful for all his hard work.

Honorary Architect Ian Burch is currently working on plans to extend and renovate our Surf Club, as we are rapidly outgrowing the building in its current state. Our patrol, first aid, dining, and equipment areas are the main focus in the planning. This project is very much in its early stages and will be largely dependent on future funding and grants. The goal is to have plans completed in consultation with members, so if funding does become available in coming years, the club is in a position to start.

Many thanks to Sharon Heathcote for her tremendous work in coordinating functions and bunkroom bookings throughout the year. I really admire Sharon's commitment and passion to the Surf Club. To Noel Dubberley and Damo Horan, many thanks for all your help in times of need, very much appreciated.

Building Report - Ken Godfrey

The club is undergoing substantial renovations to make the club comply under the current buildings codes.

Graeme Giddings of the Surf Coast Shire threatened to close the club if we did not comply. We have engaged the services of BSGM Consulting Building Surveyors, in resolving the matters contained within the building notice. Without too much detail the following is taking place. I have obtained the following permits to allow the following works to take place.

1. A system of emergency lighting is being installed.
2. Additional exit signs (with running men) are being installed, and were indicated on permit drawings.
3. All internal and external stairs acting as or forming part of the exits from the building, have been adjusted and renovated to meet the standards. Handrails have had to be installed in many areas.
4. Thermal fire protection is required throughout the club and an alarm to sound in bunk rooms in case of fire. The cost of this alone is around $35,000, so all in all a substantial amount of money is being spent.
5. Upgrading of our fire hose reels is being assessed at the moment with the Country Fire Authority, with the possibility we may have to upgrade our main water supply.
6. Fire rated doors have to be installed in several areas, and the brick walls between the caretaker's apartment and the bunk rooms have to be extended up to and under the current roofing. This requires old asbestos ceilings to be removed beside the walls to allow works to proceed.

The roof has not been forgotten, but it is not one of the priorities required by the Surf Coast Shire. We are certainly looking at all the possibilities and costs at the moment.

Functions and Bookings - Sharon Heathcote

Season 2011-2012 Functions and Bookings have been consistent and enjoyable for all.

PRIVATE AND CORPORATE EVENTS

Corporate seminars have been conducted with the Surf Coast Shire, private companies and police groups discussing business issues.

Christmas and work party celebrations were held. We hosted Mitre 10, Dennehy Builders, Lions Club of Torquay and SES Torquay. Their support and sponsorship is appreciated and we must thank and acknowledge their contribution.

We have welcomed Bunnings Torquay into our club and look forward to forging a close working relationship with them.

WEDDING RECEPTIONS

Over the past season your club has been transformed into a bride and grooms dream. Time spent with families, arranging and discussing all details are dealt professionally. By the time this report goes to press some nine Receptions would have been held. These functions generate large funds into the club with hire fees and profit from the Bar.

ACCOMMODATION

School groups have continued to enjoy their stay at the club, we introduced new groups to the club and are fortunate to have many return bookings. These schools are fully aware of the well maintained and upgraded facilities we provide. All groups have regarded the club with respect and look forward to their next visit.

Several community groups have also booked the bunkrooms. These guests have also enjoyed the whole camp experience.

The club hosted Rip Curl Australia over the Bells Beach week. We are extremely grateful to them for their sponsorship over many years

Bookings and Functions contribute substantial sums of monies that support all areas of the club. It is important that this area remains under the control of the Executive of the Club.

Director of Fundraising - Sharon Heathcote

All Fundraising events held under this directorship were supported by the core membership and loyal supporters of our great club. Two pre season functions gave the current committee an opportunity to thank and acknowledge last season's directors and partners. Life members and partners socialised with the directors at a pre season Christmas Function.

ANNUAL DOOR KNOCK

The Annual Door Knock was held over a full week. This proved to be successful with all areas of Torquay covered and a great cross section of members supporting this major fundraising event. All names of collectors were recorded with amounts collected in their areas. An excellent effort by the Boat Section covering two large areas.

TIN RATTLES

Collections were held at IGA Supermarket twice this season. Bryan Hayden's assistance and advice was taken on board. Collection tins were positioned at the Kiosk, Bar and BBQ areas throughout the entire season.

HIGHWAY COLLECTIONS

The Surf Coast Shire and the Greater City of Geelong have very strict policies and guidelines for holding these events. All permits were obtained for this season and season 2012 / 2013. The boat section coordinated the Geelong area whilst the board, ski and IRB sections were responsible for the Torquay area. Many thanks to all who collected, drove people around, delivered water and sunscreen, returning monies, and counted funds raised.
All details of this day were recorded and filed for future events.

HAVAIANA DAY

Two Coordinators were appointed to this event - David Nankervis (beach and water safety) and myself (liaison with Urban / Havaiana, Associates committee and kiosk). If you have not had the opportunity to work side by side with David please take some time to do so. David you are outstanding in everything you do. Your coordination skills are outstanding and I thank you personally for your support. It was my pleasure and honor to nominate you for the Wishart Trophy. Congratulations to all members who support your club on this day.

REX "CHINA" GILBERT MEMORIAL LUNCHEON

Not only a fun day but also a great fundraising effort. Many tales and stories were told. Great meal, great raffle prizes and several celebrities. Altogether - a very successful day. Many thanks to Tony Fraser.

My sincere gratitude and thanks to all who have support the fundraising area.

Associates - Ed Beacham

The Associate Committees over the years have always been challenged as to the best arrangement of providing a catered meal service to members and guests over the busy summer period. Unfortunately the committee's endeavours to secure an in-house caterer, weren't successful for the season and an arrangement was made for outside mobile food providers, who were invited to attend on various days – the most popular being the mobile pizza man for Friday nights. The Committee is currently discussing catering proposals for arrangements for the forthcoming season.

Thank you to all our members, families and guests who supported our meal and members lounge evenings over the summer and to those who helped out over the season. It was great to see so many members enjoying our great facilities.

The Associates Committee was able to provide full support of cooking on the Apron of the Club for the Havaiana and Navy Surf Boat days. They were a great success and thanks to Committee members and volunteers for a 'job well done'. We also held live music afternoons at the club with bands on Easter Saturday, including the Rudd brothers and two Soul Sister Swing afternoons one in January and another on Easter Sunday and this was a fun way to end the 2012 Season.

PFD Foods again sponsored the Good Friday fish day in its 15th year and we wish to extend our sincerest thanks to PFD and Pat McCarty for the most generous donation of foods. The day was a financial success for the club. A huge thank you, to all of our wonderful members, who volunteered to help out on the day and made a magnificent contribution to the overall success.

The Associates Committee will conduct a review of fish day and look at outcomes and recommendations for the future. An invitation will be extended to various people with experience within the catering field and draw up a plan of action with regard to management, equipment, quantities, menu and personnel requirements etc. This will be done with the view of having a planned structure and improving the overall experience for volunteers and our guests for future Fish Days.

In recognition of his fabulous contribution to the success of Fish Day, over a number of years, Pat McCarty is the recipient and deserved winner of this seasons Associates Committee's Acknowledgement Award.

Peter Tomlinson has organised a very popular Footy Tipping competition with Friday night steak and game nights over the winter months.

Although it was a very busy season with lots of social activities at the Club, the Associate Committee believes there needs to be clear lines of communication between all sections of the club and that functions/fundraising events organised by the Associates are given the full support of the club, to make the required decisions toward achieving the best possible outcome.

Thank you to the Club President / Committee for their support and to the Associate Committee members, thank you for your hard work and commitment over the season.

As you would all be aware a valued member of our Committee – Sharon Heathcote – has been unwell and we wish her a speedy recovery.

The Jack Harris Trust Report - Peter Robinson

The Trustees, (Lindsay Newstead, Peter Doyle, David Shaw, John Perillo, Stan Goulding, Ian Turner, Simon Strahan and Peter Robinson), have met during the current season and resolved to donate a new All Terrain Vehicle (ATV) to the club for Life Saving. The ATV cost $14,250.

The Trustees continue to support core lifesaving of the club.

The Trust is a registered charity with the Australian Taxation Office and all bequests and donations are totally tax deductible. Bequests and donations received will remain in the capital of the Trust. The interest earned on investments is then utilized to make grants to the club. The grants made to the club since 1993 are in excess of $95,000.

PETER C ROBINSON
Chairman

Historian's Report - Ken Pollard OAM

At the June AGM, Ian George Turner and Paul Anthony De Landre were elected Life Members of the Torquay Surf Life Saving Club. This honour, the highest our club can give, was bestowed on these two members in recognition of the outstanding service given during their long association with Torquay. The following details are only a brief outline of this service:

IAN TURNER

Ian joined the club in September 1979 from the Waratah Beach S.L.S.C. where he obtained his surf bronze in December 1971.

From the year of his joining to the end of season 2008 / 2009, a total of 30 years, he was completely involved in all aspects of surfboat competition.

He rowed in A, B and C crews for eleven years, being placed a number of times in all grade in Victorian Championships, plus 1st "B" grade 1985/1986 and 1987/1988. His reserve grade crew, with that great rower, John Russell, as stroke and Peter Grant as sweep, was placed 3rd in the Australian Reserve Boat Championship, Moana, South Australia, 1986.

Ian had tried his hand as a boat sweep in season 1984/1985 taking the 'C' crew to 2nd placing in the State Titles, however it was not until season 1990/1991 that he took up as a surfboat sweep fully. For a total of 17 years, he swept 15 years 'A' grade and two years 'B' grade crews, earning a reputation of skill and courage that ranks him equally with the great sweeps that Torquay and Victoria have had since 1947. After being placed 2nd five times, plus 3rd three times at State Champs, he finally won gold as sweep of the 'A' crew in season 2004/2005. Ian competed at 28 Victorian Championships and 20 Australian Championships as oarsman or sweep.

In many of his competition years Ian towed surfboats all around Australia in a wide variety of marathons – Nutri Grain and Boat Rower events, Uncle Tobys and Masters. Ian was named "Sweep of the Year" in season 1993/1994, was a member of two State Teams and awarded Life Membership of the Victorian Boat Rowers Association in 2005. During the three seasons from 1996 to 1999, Ian's crews won the Portland Marathon, 2nd in the Uncle Toby's series, 2nd in the NSW Marathon, 3rd in the Tasmania Marathon, 2nd in the Victorian Marathon, 1st in the O30 Australian Masters, 1xt in the Boat Rowers League Event and in season 1997/1998 made the final in the Australian Reserve Boat Championship.

With all of this competition, Ian served 26 years as an active beach patrolman; many as Patrol Captain; was named one of six best patrolman on two occasions; seven terms as Boat Manager; one term as Vice President; three terms as Marketing Director; one as Director of Fund Raising; a total of twelve years as a Committee Member; plus three years as a member of the Jack Harris Trust. To add to all of this, he received the President's trophy in 1993/1994 and 1996/1997 – a truly remarkable career during his 32 years as a member.

PAUL DE LANDRE

Paul joined as a cadet in January 1974 and gained his surf bronze in December 1974.

As a junior and senior he competed in Malibu and Long board events, gaining 3rd place in the State Championship Junior Long board 1975/1976 and 3rd in the Senior Long board in 1978/1979 and was also a member of the 'B' R&R Team that placed 1st the same year at the State Titles.

He competed for nine 'seasons' from 1975/1976 to the end of 1983/1984, which included four Australian Championships. He resigned at the end of the 1983/1984 season, rejoining again in December 1995. He gained his instructor's certificate in 1997.

Paul took an interest in Nipper and junior activity events and was Junior Activity Manager from season 2001/2002 to 2004/2005, a total of four years. In 2005/2006 he took on the responsible position of Director of Development until the end of season 2009/2010. He set in place many varied training programs, coordinating the various age managers, resulting in some fine results in competition and surf life saving attributes.

Despite his long break of eleven years, he served 25 years as an active patrolman, five as Patrol Captain; was named as one of six best patrolmen in 1983/1984; was awarded the Best Clubman trophy in 2000/2001 and 2004/2005 and was our 'John Wishart Memorial Nominee' in 2007/2008.

Our congratulations are extended to these fine dedicated members.

DAVID SHAW and IAN BURCH

From the club's foundation in 1945, we have been fortunate to have had many members prepared to give freely of their time and talents to ensure the smooth running and success of all the club's endeavours. A number of these members have held senior positions in the professional fields of medicine, law, accountancy and architecture. Their expertise in their chosen field has been of significant benefit to the success of our club.

Our Honorary Solicitor for the past 22 years, David Henry Shaw, has been a great help to our club in this ever increasing litigious world. Many presidents have sought David's advice in constitutional and legal matters of varying perplexity.

David himself joined the surf club in January 1959, obtained his surf bronze in 1960, and competed in club and interclub beach events, plus single and double ski events. He was a member of our top patrol in 1965/1966 and 1966/1967.

His sporting career included being a member of two VFL premierships with the Essendon Football Club and later as AFL Commissioner. His football and legal practice occupied much of his time and his membership lapsed in 1967. He rejoined the club in 1990 and has been a member of The Jack Harris Trust since 1996 providing wise and valuable counsel to the Trust.

Another member, who has carried on the work of foundation Honorary Architect, the late Frank Murphy, is Ian John Burch. Ian has been club Honorary Architect since the 1972/1973 season at record term of 41 years. Ian, with the architecture firm of Graeme Gunn and Associates at the time, was instrumental in the design and construction of our new clubhouse, after the disastrous fire in July 1970. At the completion of the building he then has been involved in the many alterations and additions ensuring our clubhouse stays in good shape and as up to date as our money allows.

Ian joined our club on 2nd February 1958, gained his bronze in December 1958 and was a most competent patrolman and competitive swimmer in club and interclub events. He resigned at the end of the 1964/1965 season to pursue his architectural studies and business activities. He rejoined as an active reserve member during the 1971/1972 season receiving a 40-year membership medal in 2004.

VALE

It is with deep regret that we record the death during the 'season' under review of the following members – all who gave valuable service to the club during the period of their membership.

Mrs. Joan Cairney

Died 6th August 2011 – Long serving Member of the Ladies Auxillary, received 50 year membership medal 2010, widow of club Life Member and long serving Club Secretary, Alvin Cairney.

Fred Hosking

Died 26th August 2011 – Joined a Associate Member, December 1947. Organised music for social functions in early years, celebrated his 100th birthday in May 2011.

Brian McHutcheson

Died 31st May 2011 aged 76 – Member for approximately forty years, carried out patrols for ten years, competed in Surf Ski events for five years, was club Treasurer for 3 terms from 1979 to 1982, and a member of the Associate Committee for various years.

Brian Edward Warren Taylor

Died 26th May 2012 aged 81 - He joined in September 1967 and took over as Club Captain from 1972 to 1975. The following season 1976/1977 he was Vice President, then Club President, 1977/1978.

Edwin Thomas Devonish: 23rd February 2001 – 25th August 2011

In loving memory of Anna and Ed's son, Zachary's brother and a proud TSLSC nipper. After a brave battle with cancer, not old enough to patrol, but with all the qualities that would have ensured him a great lifesaver - selfless, courageous, empathetic, great interpersonal skills and inspiring to others. Vale Little Ed.

Brian Whiting in 2008, **Fred Umbers** 7th July 2011, and **John Wilson** 9th May 2012.

To the families of these past members we express our deepest sympathy.

Director of Memberships - Rod Middleton

Membership of the club continues to the strong, with current membership sitting at 1027. This is a record in membership. At the start of the season the aim was to get the members active and in the water.

It was great to see so many people around the club this year. Thank you to staff for their help throughout the year.
