NOTICE OF MEETING

Notice is hereby given that the 70th Annual General Meeting (AGM) at the Torquay Surf Lifesaving Club Incorporated will be held as follows:-

Date **Sunday 28TH June 2015**
Time **10.00am**
Venue **Torquay Surf Life Saving Club, Main Hall**

AGENDA

1. Notice of Meeting
2. Confirmation of Minutes of the 69th Annual General Meeting
3. Business arising from Minutes
4. Presentation and Adoption of the 70th Annual Report
5. Presentation and Adoption of the 70th Financial Report
6. Life Members' Report
7. Motion for Affiliation with Life Saving Victoria for season 2015/2016
8. Motion for the Appointment and Remuneration of the Auditors for season 2015/2016
9. Election of Office Bearers commencing season 2015/2016 (two year terms)

Absentee postal votes can be requested from the club Secretary within seven (7) days of receipt of this notice by email clubsecretary.tslsc@gmail.com or written request to:

Attention: Club Secretary
Torquay SLSC
PO BOX 193
TORQUAY VIC 3228

Once requested (absentee) postal voting instructions and voting forms will be forwarded including details of all resolutions to be passed at the meeting.

Tiffany Quinlan
Secretary

- Only those members who have paid membership fees and returned their membership form by 5:00pm on Friday May 29th will be able to nominate or second a nomination.
- Nominations will only be accepted on official club nomination forms.
- Membership renewals will not be accepted on the day of the AGM.
- Only financial members are able to vote at the AGM.
- Refreshments will be available after the meeting.

OFFICE BEARERS SEASON 2014/2015

Executive

President	Noel DUBBERLEY
Secretary	Lisa TAITAPANUI (resigned 14.3.2015)
	Tiffany QUINLAN (appointed 14.3.2015)
Treasurer	Anna DEVONISH
Club Captain	David NANKERVIS
Lifesaving	Alan DELL (resigned 10.10.14)
	Michael HANNAN (appointed 8.1.15)

Directors

Fundraising	Karen TWEEDDALE
Marketing	Kelvin BENSON (resigned 6.3.2015)
Facilities	Ken GODFREY
Junior Development	Peter QUINLAN (resigned 14.11.14)
	Serrin VERNON (appointed 14.3.2015)
Competition	Bryan THOMAS
Member Services	Penny ALTMAN (resigned 22.9.14)
	Jackson MCCAFFREY (appointed 12.12.14)

Junior Gear Steward	Ben SPARGO
Junior Coaches	Nicky HOOLEY
Age Manager Coordinator	Serrin VERNON
Water Safety Co-Ordinator	Tony WHITE

Grievance Officer

Ass. Professor Bill JOHNSON

President Noel DUBBERLEY

Another year and patrolling season has come to an end but what a year it has been. Due to the sustained efforts of the Committee and all members to improvement and elevation of our member's facilities, training, patrolling equipment, community integration along with many other aspects, our Club was awarded the Life Saving Victoria Club of the Year.

Representatives of our Club then journeyed to Sydney for the SLSA Club of the Year Awards where we were a close runner up.

The Victorian Club of the Year is an award that has never in the history of our Club been attained. All members should remember and be proud of this achievement and look to maintain the standard for other Clubs to look up to. From this outstanding award we were asked by Life Saving Victoria to host a number of other Carnivals and events, with LSV understanding and acknowledging our capacity to achieve in all areas. This will also lead us to hosting the Australian Interstate Carnival next season.

This summer once again saw growing numbers of beachgoers but unfortunately more and more of these seem to be unaware of the dangers of our coastline. Thankfully our experienced patrollers have been on hand in and out of patrolling hours to perform numerous rescues and to pass on to the up and coming patrol members their own experience.

Special congratulations to Melissa Russel who has been nominated for a meritorious award with Life Saving Victoria for one of her two after hour rescues. I urge all members to maintain and gain awards even if they do not intend to patrol. You can never be sure when you will be called upon to assist those in need.

I must thank all our Committee members for their dedication to furthering our Club. Unfortunately the work load, pressure and personnel reasons have forced some positions to be reallocated this season but with the quality of our membership base these positions have been filled quickly, ensuring the

membership is never left at a loss. The position of a Committee member can be very rewarding but never is it easy or lacking in work to be done.

All the Committee members, along with numerous assistants, have ensured success throughout this past season in all areas from Nippers, Social events, Competition and our core reason to exist, patrolling. We have maintained a sound financial base to build upon and yet again improved our competition results, patrolling standards, member's services and by having all of these recognized by winning the Club of the Year Award. This, has in turn, raised our profile which the Community which leads to more sponsors, members and services to the public.

Once again thank you to all members and our fantastic sponsors for the past 12 months and I look forward to another safe and successful season in the history of our great Club.

MAJOR CLUB AWARD WINNERS

Category	Recipient	Donor
President's Award	Jackson McCaffrey	Noel Dubberley

Club Captain – David NANKERVIS

For the first time in the club's history, this has been the year that the Torquay Surf Life Saving Club was recognised by Life Saving Victoria as the Victorian 'Club of the Year'. Special thanks and recognition needs to be given to our (ex) Secretary, Lisa Chandley (Taitapanui), for her enormous efforts and contributions which saw our clubs submission shine above all others.

Bill Johnson was also recognised by LSV as the 'Official of the Year', which is a well-deserved acknowledgement of his dedication to the sport.
Following on from the LSV Awards of Excellence; a small delegation travelled to Sydney in October 2014, which included Noel Dubberley, Mia Taitapanui, Bill Johnson and myself, to contest the 'SLSA National Awards of Excellence'. A well prepared narrative which included a visual presentation was delivered, and was well received by the panel. Mia Taitapanui represented the youth of our club and presented in a very confident and positive manner in regards to the club's future, opportunities, possibilities and aspirations. This received a special commendation from the panel.
However, despite our best efforts, we were unfortunately pipped at the post by 'Secret Harbour SLSC' from Western Australia.

During our visit to Sydney both Mia and I were chosen to represent Victoria in the SLSA National 'Lend a Hand' ad campaign which has been screening on TV over the summer, with additional footage set to be added over the next three seasons.

Media and award acknowledgements have certainly helped promote Torquay SLSC as a brand. This will go a long way with our sponsors and hopefully help us explore new opportunities. We, as a club, have set a standard of strength and conviction towards core values that needs to be embraced and carried forward with pride.

On behalf of the committee, I would like to personally thank everybody involved in achieving this tremendous accolade which has been years in the making. Each and every member should feel extremely proud of the

recognition bestowed upon us by Life Saving Victoria in acknowledgment of our achievements.

Members need to appreciate that the work required operating, administrating and maintaining a club of our size is no longer a seasonal affair. Unlike in years gone by, it now requires attention twelve months of the year. Compliance issues from all sectors and stake holders have a large impact on how we operate now and into the future. These issues can be exhaustive and at times also seem frustrating. However, there is no avoiding the fact that this is now 2015, and this is the environment within which we operate. Change has been necessary to not only keep abreast of compliance issues, but to also stay ahead of the evolving climate.

Unfortunately, it's very easy for the spectator to criticize or be suspicious of motives in regards to change. But this needs to be done in a constructive manner. Too often such comments become destructive or personalised which has resulted in some people being unfairly pursued and/or persecuted. What needs to remain paramount in everyone's mind is that we are all volunteers and only want the best for our club. We can't stop change, but we can embrace and help guide it. What is important is to understand the contributing factors and underlying aspects that necessitate change or adjustment, and then try and approach the issues from an educated and objective stand point. Make no mistake, Change is inevitable. Effective organisations are able to embrace innovation and change, and to manage problems before they become crises.

Along with a healthy dose of scepticism there must also be respect given to those charged or engaged in the process of governing the club. We, as a volunteer committee, understand that with such a large membership base it is almost impossible to quell all issues at any one given time, it's definitely not from lack of trying. But this is a reality that needs to be appreciated by everyone.

The casual observer and average member can be excused for being oblivious to the extent of the work involved in administrating the club. We are very fortunate to have some very capable individuals that make up the current committee and supporting structure of this club. Their industry knowledge, business acumen, contacts and vocational skills are huge assets that cannot be

understated. As Club Captain, I am both thankful and respectful for the knowledge they have imparted and the infinite hours they have volunteered in progressing our club forward.

Invariably we as individuals will all move on at some stage and vacate key positions. As a club we need to be better prepare for this inevitability by developing and embracing succession plans. We understand that there will always be ebbs and flows in life, as there will be for the club. However, it would be devastating for our club to slide backwards at this point, especially after reaching such highs, due to a lack of foresight.

I would therefore encourage anyone entertaining thoughts of one day stepping into a key position, to have a talk to those currently holding those positions, become familiar with the position and all it entails, gain a better understanding of where we have been, where we are now, and where we are heading. As outgoing committee members their experience as mentors is a valuable asset that should be capitalised on to aid in a seamless progression avoiding the pitfalls of yesterday.

I will not elaborate on all of this year's events and achievements, I will leave that to each of the respective Directors. (However, to list a few)

Patrols stats – First Aid, Accidents/Incidents
Representation on the Future Directions
The preservation of our history – Photo wallpaper
Wave Warriors – Zane Holmes
Hosting of Carnivals
New Zealand exchange trip
Nippers & Summer Holiday Program
New ATV from W.A. Aussies
Hosting of the Australian Lifeguard Service etc.

Director of Lifesaving – Michael HANNAN

A huge thank you to all those members who requalified in their existing skills, to those who up-skilled, and to all those who fulfilled their patrol requirements this season. Congratulations to all those who put a big effort into obtaining their first qualification in SRC or Surf Bronze, and patrolled the beach for the very first time, or acted as Water Safety for the Nipper Program.

I thank Tenielle Holman and Allan Dell for their efforts at the start of the season to provide a patrol roster, and ensuring a smooth start to the season, which included the provision of the Bronze camp. As was mentioned in last year's report, compiling the seasons patrol roster is not an easy thing to accomplish. There are many groups within the club that need to be considered, Nipper Parents, Competitors, Boaties, Long Service Members, and Non-competitors. This was evident this season with over 40 members who were not allocated a patrol. It must be said that of those members over half were new Bronze and SRC members. The great thing from my perspective is that the majority of those people showed enough initiative to show up and patrol without formally being allocated a patrol. Those members averaged over 20 hours on patrol. What a sterling job, this shows great promise for the future!

This season we experienced the highs and lows of patrolling. By that I mean some patrols were well supported and others had only 6 members. This type of situation is unstainable and will result in fewer members 'putting their hand up' to patrol. This will in turn increase the workload on our regular patrolling members. I think all members need to be reminded that if the club is 'deemed' to be in default at any stage through-out the season by LSV it could result in being excluded from competition. This expulsion would apply across the club to all forms of competition, including Nippers, Boaties, and senior competitors.

A special mention to those recently qualified members in specialist areas such as IRB Driver and Crewman, Advance Resuscitation Certificate, Spinal Management and Beach Management, and to those who requalified. Your efforts will enable us to provide a more professional service to the beach going public, and help your personal growth. Ultimately as a club, we would like our dedicated 'family' of members to achieve personal growth, as well as providing a thoroughly professional life saving service.

I hope to see the 2015/16 season improve the drive, enthusiasm, and camaraderie within the club, and remind members that we hope to set an example to our children of the type of Lifesaver/Community member we would like them to become. I ask not just what your club can do for you, but what can **you do** for your club? **Will you put your hand up** to do some work? **How can you** work with your fellow club members to provide an inclusive and supportive club environment that values all members?

The sponsorship from the Torquay McDonalds has come to an end due to some irregularities in the number of meals ordered against actual patrolling members. Next season the committee will look at other avenues to supply meals for the Sunday all day patrols. Meals are provided to ensure patrolling members have the nutrition needed to sustain them whilst patrolling, however it is the personal responsibility of the Patrol Captain to see this privilege is not abused.

Thanks to IRB Captain Riley Harmon, and Keith Millar who kept the IRB's operational as well as running training throughout the season. Dave Nankervis for his assistance in making sure the First Aid room was well stocked. I would also like to thank Keith Millar, Dave Nankervis and Damian Horan for the hours they spent filling in on patrols. I wish to thank the following members for their assistance in the training, assessing, qualifying and re-qualifying our members, David Nankervis, Kelvin Benson, Bill Johnson, Keith Millar, Damian, Rhiannon & Tenielle Holman.

TOP 10 MOST PATROL HOURS PERFORMED			
FEMALE	**HOURS**	**MALE**	**HOURS**
Mia Taitapanui	111.8	Keith Millar	90.8

Junior Lifesaver Competes for Champion Title

In the spirit of development, 16 junior members put their lifesaving skills to the test in a day of learning leadership and lifesaving scenarios, to compete for the title of 2015 Champion Junior Lifesaver on Saturday 11 April.

Recognising the role that junior members play in the future of the lifesaving movement, the Champion Junior Lifesaver competition offers both a development opportunity and chance to showcase the skills and contribution that youth members bring to lifesaving. It aims to both build confidence and inspire those involved to achieve personal goals and contribute to their community in a positive, meaningful way.

The day was facilitated by five graduates of LSV's Building Leaders Scholarship and kicked off with an Amazing Race around LSV, before a series of interactive development sessions covering leadership, communication and pathways in lifesaving.

Participants' rescue skills were then tested in the afternoon, through three group scenarios covering rescue response, first aid and CPR. A water based skill acquisition session rounded out the day, testing participants' tube and board rescue skills. In the evening, parents and family members were invited back to join the group where presentations by each participant were shown (submitted as part of their application process) and the day's finalists were announced:

Briely Wight (Torquay SLSC); and Matthew Morton (Point Leo SLSC).

Both Briely and Matthew will attend the LSV Awards of Excellence in July, where the Champion Junior Lifesaver winner will be announced.

GOOD LUCK BRIELY FROM EVERYONE AT TSLSC

Havaiana's – Australia Day Celebrations

David Nankervis – Event Coordinator
This event still remains a major fund raiser for the club and was once again well patronised.

This event cannot go ahead without the continued support from our members to mitigate the risks associated with putting so many people in the water at one time.
A huge thank you to everyone involved.

This year saw the tenth anniversary of the event and was marked by a special thong containing gold flakes. This is the seventh year in succession that Torquay have been employed to manage the risk for Havaianas, and once again the professionalism, skills and knowledge proved that we are indeed an effective team.

This year we again broke the record for Victoria with 1,556 participants, which was a marked improvement from last year at 1,340. Not only does the club receive a nice cheque for $15,560.00 from Havaianas, our fundraising team also capitalised on the event by running a food and drink station at Cosy Corner catering to not only the participants, but to all the families and spectators that lined the beach and the hill.

Please put this date in your calendar for next year to come along and lend a hand wherever you can, it's not only a great experience; it's truly a sight to see.

BRONZE CAMP – Tenielle HOLLMAN

Our bronze camp this season was a very successful one with everyone involved giving very positive feedback. We had:
-27 new Bronze Medallion holders
-13 new Surf Rescue Certificate holders
-9 new Training Officer Certificate holders
-10 returning trainers and numerous helping hands

The standard of the candidates was very high with all of them coping with the workload, and all successfully completing their awards, with a handful going on to complete additional awards. This is great to see, as they are the future of lifesaving.

All candidates have attended patrols and informed me of their love of the camp, patrols and the many friendships they have made. Numerous candidates have also expressed interest in returning to the next bronze camp and obtaining their Training Officer Certificate.

I'd like to say a huge thankyou to Dr. Nick Johnson, Rhiannon Holman, and all the trainers and helpers who volunteered their spare time to help the camp run as smoothly as it did.

A special thank you must certainly go to Alan Dell and Peter 'Doyley' Doyle, who have once again, shown their support to the club and the camp by helping out with their superb cooking skills. I must also thank Isaac Lim, without whom the camp would not have run as well as it did. And last but not least, a big thankyou to the assessors, Damian Holman and Michael Hannan, for giving up their spare time to assess all the awards.

Competition Director - Bryan THOMAS

Another season has come and gone with some fantastic results throughout the season, at the Victorian Titles and at the Australian Titles.

It was a long season and for those who put in the hard work it paid off as can be seen in the results listed later in my report.

This season's competition group was quite small but as a group, proved that by working together and supporting each other, particularly in team events, good results can still be achieved.
It was great to see a large group of U14 / U15 males and females joining in the senior training sessions and coming along for the experience of racing at some of the senior carnivals. We hope to see them all continue the hard work and look forward to watching them move up through the ranks in the future.

This year saw great results not only in the water but also on the beach. A small group of the competitors took it on themselves with some guidance from Vanessa Wight to show that Torquay can be competitive across the sand as well.

As always I would like to thank the members who continuously put their hand up to officiate at the carnivals. Without their continued help, we would not be able to compete. Bill Johnson, Bryan Hayden, Peter Doyle, John Penny, Arnie Altman, Peter McPhan, Kevin Larkins and Vanessa Wight.
To Isaac, Riley, Ben, Tom and Mark for their assistance with fulfilling our IRB duties during the season.
A big thank you to Penny, Heather and Damo for looking after and managing the competitors at the carnivals throughout the season, certainly making my job on the beach much easier.

The competition group was extremely lucky to have expert coaching from Adam Seeley and Cam Mercer early in the season and then as the season progressed, Bryan Hayden assisted with early morning sessions for the keen

ones. A special thank you to Tess and Nick who stepped up to the plate and took over the majority of sessions during the week late in the season.

It was a very small group that made the trip to North Kirra for the Australian Titles, but as you can see by the results detailed later in my report, for those prepared to put in the hard work, results can be rewarding.

In finishing off, I would like to thank Noel and fellow committee members for the continued support that they give towards the competition group.
Enjoy the off-season and keep up the pre-season training throughout the winter and I look forward to seeing you around the club.

CLUB AWARD WINNERS

Junior Development Program

The weather has got colder and we have moved on to our winter sports but the Nipper Season 2014/15 was one to be celebrated. Nippers is all about being the best that you can be – whatever that looks like.

We saw many new faces join the club this year and become involved in what is an inclusive and fun program. Competition training began in October and thanks to our amazing committed coaches the nipper skills and competency in the water improved quickly. The "S" Badge an ocean swimming proficiency test required to allow nippers to compete and undertaken the program is always a milestone for many. Overcoming the noises and often fears in their heads, the kids put their heads down and swam. Running to age managers and parents across the finish line, adorned with smiles and a massive sense of achievement, makes your heart warm. That is what being the best that you can be is about.

The confidence and skills taught at nippers are lifelong skills, that we hope breeds Life Savers of the future. However, for the moment, these skills give the kids confidence in the water that allows them to enjoy our amazing coast line.

For those who competed we could not be more proud. Taking a team of roughly 60 – 90 kids, water safety, IRB crews and officials to carnivals is no mean feat. The sportsmanship, personal bests and team comradery, by the Torquay Nipper competitors, did us proud.

This year we saw a number of new Age Managers who certainly shone. Under the able mentorship of Serrin Vernon who took on the new role of Age manager Co-ordinator the age managers across every age group were wonderful. From Jacqui and Ian looking after our newest members the under 7 nippers, to "Schrammy" controlling the under 13's, we as a club are lucky to have these people involved. The role of age manager is both demanding and rewarding and without them our program does not run.

We are fortunate as a club to have amazing parents who coach our kids on each and every session. These parents provide the technical skills and competency and the amazing results at carnivals is testament to their passion

and drive. So from everyone at nippers Nikki Hooley, Sharon Harris, Daniel Emmerson, Vanessa Wight and Pete Quinlan – thank you!

The summer holiday program came and went. Whilst the weather was far from kind to us it did allow us to conduct additional surf education sessions across all age group which the nippers embraced fully. We are at the mercy of the ocean and whilst at times parents and kids alike might have been frustrated we were not in the water all the time, safety of the nippers is our first priority.

The Nipper program cannot run without the huge army of volunteers. From the crew that regularly set up each session (thanks Schramm and Tony) to those cooking egg and bacon for the hungry troops. First time officials (yes Caterina you were awesome) to water safety. We had a small number of parents undertake the Bronze medallion this year and accept timing is not always easy. Stay tune for more options to get involved and accredited. We really need more to qualify as unless the ratios are right between bronze medallion holders and nippers our program is severely limited.

We farewelled our under 14's with a graduation and commemorative action photo (thanks Serrin and Damo). This tight knit group of nippers have been wonderful roles models not only this season as they helped with the Summer Holiday program, but throughout their time at nippers. We hope that they can spare some time as they head off to seniors to re-join us from time to time and share their passion, skills and expertise.

Special thanks to our Nipper Club Captains 2014/15 Joe Tutty and Emilia Stacey – you have lifted the bar for those to follow by your outstanding mentorship, leadership and rapport with the nipper group.

The nipper program for 2014/15 was one of consolidation and planning. We ran a first ever "think tank" in March 2015 for any interested parents to review the season and prepare for the year ahead. Thanks to those you attended and provide such good feedback. We are truly poised to build upon this year and come out of the blocks full of energy and focus.

A huge thank you finally to the subcommittee. There is much that goes on behind the scenes to get the program running. To work with a fun loving,

passionate group of parents, is so humbling but more importantly being part of your kid's development and growing confidence is what it is really all about.

See you all next year and stay in touch via Facebook and team app for announcements on events to come.

Boat Captain Report - Jackson McCAFFREY

Season 2014/15 brought, along with some outstanding results, some very promising signs for the future of the Torquay SLSC boat section. In my first season as Boat Captain, I couldn't be more proud of the response our members have had to the new approaches to running the section we have implemented this season.

We had 6 crews competing at various carnivals throughout the season, with Torquay entering each open division (U19, U23 Men/Women, Reserve and Open Men/Women) at least once during the local season. These crews brought home a total of 6 pennants, 3 of which were won at our local Torquay carnival! Full crews and anyone who regularly filled in or competed with them are listed at the end of this report.

One crew of particular note are our Open Women, dubbed the "French Toast", who made Torquay SLSC history, as they were our first ever Open Women crew to win a state title and our first ever women's crew to make an Australian Final. They also represented Victoria (with Lara Jeffery being selected as state team captain), made the ASRL Open final and just missed out on representing Australia. Overall a fantastic season for Brett and the ladies!

This season was also a great start to our new wave of Junior Development. Under the supervision of Torquay's two newest sweeps, Scott Tannahill and Scott Hastie, we had two Under 19's crews that made appearances at local carnivals, with Scott Tannahill's "Pirates" taking home the gold in Under 19 and bronze in U/23 Men at the state titles. Torquay also won gold in the U/23 Men and silver in the U/23 Women this year. This development program has plans in the works for expansion into 3 established Under 19 crews, based both in Melbourne and on the Surf Coast and at least one Under 23 Women and one Under 23 Men crew next season so make sure you keep an eye out over the winter.

Three gold medals (Open Women, Under 23 Men and Under 19) at a Victorian Championships is an impressive total for any boat section, with this year being only the second time in Torquay's 65 years competing at Victorian Championships that this feat has been achieved. The last and only other time this was pulled off was in 1983, during Torquay's boat section golden period,

when Peter “Grub” Grant, Al McCombe and Tony King came home with the A, B and C grades respectively. If you wanted hard evidence that the effort that has been put in by many individuals over the past 10 years to rebuild the Torquay SLSC boat section is starting to pay off, this is it.

The outstanding results this season could not have been achieved without the assistance of our supporters. Firstly to our financial supporters. This season, without the backing of corporate sponsors two individuals, Geoffrey “Frenchy” French and William “Boothy” Booth, put their hands up. These two donated a set of oars and a sweep oar respectively, all of which were used by the Open Women to win us our first Vic gold and get into our first Aussie final. Frenchy and “Boothy” were not only financial supporters but they also donated their time into towing the double decker trailer to Shellharbour, NSW so we could compete at the ASRL Open. A huge thank you from all of the boat section. A thank you also to Stephen Blewett who towed the double decker trailer to Aussies.

Finally, a big thank you from all the boat section competition members to our officials Tony King, Brian “Milks” Millman, Stephen Nelson and Rod Costa who regularly made it possible for us to compete at carnivals. Without all of their support we wouldn’t be able to field the growing numbers of boaties that are itching to don the blue and gold.

2014/15 Season Boat Crews

Open Women
'French Toast'
Australian Finalists, Victorian Champions, Victorian Team Representatives

Brett Mazouris (Sweep)
Rebecca Chisholm
Birte Knaus
Lara Jeffery

2014/15 Major Boat Section Results

- Gold Medal, Victorian Endurance Championships, Open Men (Bretteurs)
- Equal 1st, National Team Selection Event, Open Women (French Toast)
- 4th NSWASRL Championships (Manly Carnival), U/23 Men (Bretteurs)
- Winners, NAVY ASRL Youth Stampede, U/23 Men (Bretteurs)
- State Team Representatives, Under 23 Men, Open Women, State Team Captain Lara Jeffery. Open Women 3rd, U/23 Men 3rd
- 6th, NAVY ASRL Open, Shellharbour, Open Women (French Toast)
- 5th, Victorian Championships, Open Men (Bretteurs)
- Bronze Medal, Victorian Championships, U/23 Men (Pirates)
- Silver Medal, Victorian Championships, U/23 Women (Heartbreakers)
- Gold Medal, Victorian Championships, U/19 (Pirates)
- Gold Medal, Victorian Championships, U/23 Men (Bretteurs)
- Top 24, Australian Championships, U/23 Men (Bretteurs)
- 5th, Australian Championships, Open Women (French Toast)

Director of Facilities - Ken GODFREY

As always, with ageing facilities, the list of major and minor repair and maintenance jobs never seems to end as no sooner do you knock one off the list another is added.
This season has seen a major refurbishment of the Senior Members Lounge with hopes to increase member and visitor patronage alike. The walls which were lined with framed photos from our illustrious 70 years were showing

signs of deterioration and were in risk of being lost to time. These photos have been preserved and cleaned through digital scanning and imaging which has enabled a couple of spectacular collages to be prepared as homage to our history. These now grace two walls as wallpaper and form an amazing feature for those visiting our bar.
The refurbishment included repainting of the facility and an upgrading of the lighting and furniture to give the facility a lighter, brighter and more welcoming feel which has been well received. Many thanks go to Damian Horan for all his efforts in managing these works and the excellent end result.

The stairwells to the bar have also been cleared, cleaned and repainted. The updating of the signage in the entrance to the main hall is now almost complete with the continued improvement of how we capture and present images and honour boards in a consistent and modern fashion.
In the main hall the tiles in both the men's and ladies facilities have been replaced and a new auto flush installed in the men's. Work has also be undertaken to start replacing the gutters and rusted downpipes through the major work still to be tackled will be the replacement of many of our windows where the elements have seen the rotting of our timber frames. Estimates to date have the cost of these works in the vicinity of $50-$60k.
The club has applied for a Federal Grant for the installation of 60+ solar panels which would effectively free up around $20k to $30k per annum in funds currently being spent on electricity. Thanks to Kel Benson for his efforts in preparing and lodging this grant – a very time consuming task. At the time of preparing this report the outcome of this application has not been advised.

CAD plans for the extension our facilities have been prepared and initial costings for the redevelopment are estimated to be around $700k. At this stage the club is working at try to raise the necessary capital towards these works to which it has a promise of $150k from the RACV Resort. The securing of the balance of these funds will be continue to be a major challenge in the next year or so.

Finally, the clock on the front of the clubhouse facing the beach will soon be replaced. Ed Beacham has been working on the procurement of a donated device which should assist all our members in knowing how many hours are left patrolling our beaches!

Fundraising Director - Karen TWEEDDALE

Cash! My job has been to bring in some cash to the club and together with the fantastic support from all areas within our club; we have been able to manage that task! Maybe not the big cheques that we really need, but from sausage sizzles to Bogan Bingo we've raised it … and I think that's okay.
On nipper training days I've had great support from Fiona and Tiff who have rostered parents from each nipper age group to cook the delicious egg & bacon rolls on the BBQ.

Jackson has rallied the boat section together on quite a few occasions to cook up a few hundred burgers & sausages. In particular, the cosy Corner Nipper carnival was huge day for them.
Bryan has organised the highway collections, raking in bucket loads of cash for us. Thank you to Bryan and the teams who have walked up and down those while lines, shaking those tins!

Other sausage sizzles have been held at Faggs Mitre 10, Woolworths and on behalf of Holden promoting their Sandman launch on the esplanade over Easter. Thank you to the life members and associates for helping me out at late notice for a couple of those!

Larger events like Havaiana and the annual door knock really lift those funds. The time and effort from many of your volunteers assisting at these events make them the success that they are. Coordinators, Fiona and Jeannette did a fantastic job to ensure the success and smooth running of these. Thank you ladies and your teams.

Our Nippers had loads of fun collecting during the door knock and also shaking their donation tins outside IGA. They did a great job – and so too did the mums and dads with them.
Meals at the club were made easier for us this year with the mobile chefs we brought into our back yard. Pizza cooked at our back door and calamari in the kitchen proved very popular and delicious. Thanks to Damian looking after the bar, we were able to bring in some funds there.
We appreciate the support of our local businesses that have our donation this on their counters. These have been checked and replaced at various times

since October, showing the generosity from locals and visitors, by simply dropping in a few coins and the odd note.

We have had a few functions this season. Entertainment by Cal young, Revolution, Lukey Luke and Bangstrum Lads. Donations of products, clothing and vouchers provided by our generous sponsors and other local businesses have been won in our raffles on our Open day, Kim Wall Ironman event and our recent Bogan Bingo spectacular.

I'd like to mention a special thanks to the club members who helped me from start to finish, or just once or twice. If I named them, I'd possibly forget someone, and feel horrible so I can't do that. However Ros does need a special mention, thank you for stepping in so often at short notice always with a smile…

So to all who supported me in this role and those who assisted me throughout the season, I thank you all very, very much. We can't do this on our own and just a little time from everyone is all that's needed to have fun and succeed.

BREAKING NEWS

Torquay SLSC received the good news at its Senior Presentation luncheon that we are one of the recipients of a $20,000 grant towards the installation of solar panels.

Many thanks Sarah Henderson MP for your hard work and commitment to the club in pursuing this and to all of those involved on the Committee for your work on this over the years.

NOTABLE RESCUES OUTSIDE OF PATROL HOURS

Melissa RUSSELL rescues two from a rip

Patrol Captain 'Melissa Russell' performed the rescue of two swimmers caught in a rip 40 meters east of the clubhouse. Mel had been walking along the beach when she spotted a male and female in their mid 20's caught in the rip. Mel took the initiative and borrowed a boogie board from a young boy at the water's edge before heading out to retrieve the victims. Special thanks also to a passing surfer who also assisted in bringing the two individuals safely back to the beach. This is a timely warning for everyone to be aware of their surroundings and the ever changing nature of the ocean. If not for Melissa's vigilance and quick thinking, things could have turned out very different for the two swimmers concerned. Melissa's actions epitomize TSLSC's core values of 'Vigilance & Service'.

SERVANE JACOB and BEC CHISHOLM

On 15th March 2015, off duty patrol member for Torquay SLSC - Servane Jacob stopped in the middle of the Queenscliffe Trail Run today to assist with a suspected heart attack, a group of runners and first aiders commenced CPR and revived the man until ambulance crews arrived. Servane then completed her run and then made it back to Torquay for her afternoon patrol. Meanwhile back at the beach, Bec Chisholm assisting with a patient with hypothermia stripped down and offered the patient her body heat, our patient recovered. Awesome work girls.

U23 GIRLS BOAT CREW PERFORMS A RESCUE WHILST TRAINING

On 16th January 2015, 60 year old male kayaker was rescued by the Under 23 Girls boat crew who were out training at Fisherman's Beach. The man was blown off his kayak and attempted to swim back to shore but was too exhausted to make it in, luckily the man was wearing a life vest. The crew rowed the man back to shore and an ambulance called. Well done to George Godfrey, Mel Russell, Tenielle Holman, Dayna Bentley and Rhiannon Holman.

LIFE SAVING VICTORIA VOLUNTEER OF THE YEAR - Graeme Long Memorial Medal

Congratulations to our Life Saving Victoria Volunteer of the Year (Graeme Long Memorial Medal), Dr Bill Johnson, Torquay SLSC.
After more than fifty years of service, Bill continues to volunteer and actively contribute to LSV and the Torquay SLSC.
Bill epitomizes the core values of lifesaving through his passionate delivery for the movement. He obtained his Bronze Medallion in 1960 and has accumulated and maintained 59 significant lifesaving awards since.
At 70 years of age, Bill is still a very active patrol member; in fact, he spent his 70th Birthday on Boxing Day managing LSV requalification's.

By vocation as a surgeon and professor of medicine, Bill subscribes to the preservation of life itself. As carnival doctor at local junior carnivals, Bill's dedication to lifesaving extends beyond his own club
Approachable, available, enthusiastic and inspiring, Bill is a 'Lifesaver for life.'

VALE

Sadly we record the passing of two long serving members during the season under review.

Stanley John GOULDING
03/09/1926 – 19/8/2014

Stan, a member since December 1970 died on August 19th, 2014 aged 87. At the time of his joining the TSLSC the existing club had been destroyed by fire and the new club was under construction. Stan duly became involved in many aspects of this construction.

Stan served as Treasurer of the very active Associate Committee for 6 years (1975-81) then as Secretary of the same committee for two years (1981-83). Stan then went on to serve as club President 1984-85 and 1985/86 and continued on as Vice President for a further three years (1986-89).

In 1973 aged 46, Stan gained his Surf Bronze Medallion and in later years was a member of the victorious State March Team in 1980. In 2010 Stan received his 40 year membership Medal.

Mrs Patricia DENHAM
18/08/1928– 14/11/2014

Pat was a long serving member of the ladies Auxillary. During the 70'2 Pat served as Secretary, then Treasurer of this section helping in the raising of thousands of needy dollars in a wide range of entertaining functions. Pat's husband Max, served in a variety of club positions including President 1979/81 ably supported by Pat in all his endeavours.

We express our deepest sympathy to the loved ones of these fine members.

"WAVES ROLL ALWAYS "

60 YEARS OF SERVICE

Two members who have served the club with distinction have both recently completed 60 years of continuous service.

Neal INGLIS

Neal joined TSLSC in 1953, gained his Surf Bronze Medallion in January 1954 and his instructors Certificate in 1955. Neal had a most distinguished career winning the club surf belt championship in 1959 and 61 and contesting surf belt, surf teams, R&R surf race events at interclub competition. Neal was placed 2nd or 3rd in all of those events on many occasions during his ten years of competition. Neal was a member of the R&R team that won the State Champs in 1956, allowing him the right to contest the Australian Championship held at Torquay Beach during the Olympic International Carnival in Nov/De 1956. Neal was a member of the State Surf Team in seasons 57/58, 59/60 Captain and 62/63 as team manager.

Neal was an active patrolling lifesaver for 10 season during 1954-64. In 1963 Neal was awarded the prestigious “John Wishart Memorial Medal” as the top lifesaver in Victoria.

His club committee work included 3 term as club vice-captain 1958-61. Five terms as Club Captain 1961-66 and two terms as vice president 1966-68.

In 1966 Neal was elected a Life Member in recognition of his outstanding service to the Torquay SLSC.

William “Billy” BOOTH

Bill or ”Boothy” is known to us all joined Torquay SLSC in 1955 and gained his Surf Bronze in 1956. “Boothy” was a strong capable surf boat oarsman and as “stoke” was a member of the magnificent A crew that won the State Title in 1958 and 1959 (the same crew with Geoff Seeley as “stroke” won the title again in 1960).

In 1958, at Scarborough WA, “Boothy” was stroke A crew that were placed second in the Australian Championships and third t the interstate event. This second, is still the highest placing inn a senior open surf boat event at the Australian Championships for our club. He was stroke of the B crew that won the State Title in 1960. After 1960 “Boothy” rowed in various A and B crews and coached junior crews until retiring in 1965.

“Boothy” served as assistant gear steward for eight years in 1956-1964. He served on the Associate Committee for more than 20 years. However, whether on the committee or not “Boothy” with his mate OOEE, worked continuously on a wide range of social activities from the reformation of the Associate Section in 1968 until the turn of the Century.

For outstanding service to the Torquay SLSC he was elected a Life Member in 1973.

SERVICE AWARDS

The club is pleased to recognise the following members on having completed 40, 50 and 60 years of membership during the 2014/2015 season:

40 years

- Wayne Bacon
- John Mercer
- Gary Pettigrove
- Sharon Heathcote

50 years

- Ray Brewin
- John Heathcote

60 years

- William “Billy” Booth
- Neal Inglis

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2015

NOTE 1:STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act (Victoria) 2012. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following specific accounting policy is consistent with the previous period unless otherwise stated and has been adopted in the preparation of this financial report.

(a) Fixed Assets

Property plant and equipment are included at their cost of acquisition or valuation. Assets are depreciated over their estimated useful life to the Club on a prime cost value basis. The following rates of depreciation are applied to Property, Plant and Equipment.

Class of Asset	Depreciation Method	Depreciation Rates
Plant and Equipment	Prime Cost	10%-40%
Buildings	Prime Cost	2.00%

(b) Cash

For the purposes of the Statement of Cash Flows, cash includes cash on hand, at Banks and on deposit.

(c) Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers. Membership revenue is recognised on a proportional basis based on the period of membership. Donations are recognised when monies are received.

(d) Inventories

Inventories are valued at lower of cost and net realisable value.

(e) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expenses. Receivables and payables in the statement of financial position are shown inclusive of GST.

TORQUAY SURF LIFE SAVING CLUB INCORPORATED

STATEMENT BY COMMITTEE OF MANAGEMENT

In the opinion of the Committee of Management of Torquay Surf Life Saving Club Incorporated:

1. a) The accompanying Statement of Comprehensive Income of Torquay Surf Life Saving Club Incorporated is drawn up so as to give a true and fair view of the results of the Club for the year ended 30 April 2015.

   b) The accompanying Statement of Financial Position of Torquay Surf Life Saving Club Incorporated is drawn up so as to give a true and fair view of the state of affairs of the Club as at 30 April 2015.

This statement is made in accordance with a resolution of the Committee of Management of the Club and is signed for and on behalf of the Committee by:

Anna Devonish
TREASURER

Dated this 20 day of MAY 2015.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF TORQUAY SURF LIFE SAVING CLUB INC

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Torquay Surf Life Saving Club Inc, which comprises the statement of financial position as at 30 April 2015, the statement of comprehensive income, the statement of cash flows and the statement of changes in equity for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Committees' Responsibility for the Financial Report

The committee of Torquay Surf Life Saving Club Inc is responsible for the preparation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the *Associations Incorporation Reform Act 2012* and is appropriate to meet the needs of the members. The committees' responsibility also includes such internal control as the committee has determined is necessary to enable the preparation of a financial report that is free from material miastatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Qualification

It is not practical for the Torquay Surf Life Saving Club Inc to maintain an effective system of internal control over cash receipts until their initial entry in the accounting records. Accordingly, our audit in relation to cash receipts was limited to amounts recorded.

Qualified Audit Opinion

In our opinion, except for the possible effects of the matter described in the Qualification paragraph, the financial report gives a true and fair view of the financial position of Torquay Surf Life Saving Club Inc as at 30 April 2015, and its financial performance and its cash flows for the year then ended in accordance with the financial reporting requirements of the *Associations Incorporation Reform Act 2012*.

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the Torquay Surf Life Saving Club Inc to meet the requirements of the *Associations Incorporation Reform Act 2012*. As a result, the financial report may not be suitable for another purpose.
