Notice of Meeting

Notice is hereby given that the 69th Annual General Meeting (AGM) at the Torquay Surf Lifesaving Club Incorporated will be held as follows:-

Date Sunday 29TH June 2014
Time 10.00am
Venue Torquay Surf Life Saving Club, Main Hall

AGENDA

1. Notice of Meeting
2. Confirmation of Minutes of the 68th Annual General Meeting
3. Business arising from Minutes
4. Presentation and Adoption of the 69th Annual Report
5. Presentation and Adoption of the 69th Financial Report
6. Life Members' Report
7. Motion for Affiliation with Life Saving Victoria for season 2014/2015
8. Motion for the Appointment and Remuneration of the Auditors for season 2014/2015
9. Election of Office Bearers commencing season 2014/2015 (two year terms)

LISA TAITAPANUI

Honorary Secretary
May 2014

- Refreshments will be available after the meeting and the club lounge will be open for members
- Only those who have paid membership fees and returned their membership form (completed and unaltered) by 5.00pm on Friday 30th May 2014 will be able to nominate or second a nomination
- Nominations will only be accepted on official club nomination forms
- Membership renewals will not be accepted on the day of the AGM
- Only financial members able to vote at AGM

Office Bearers Season 2013/2014

Executive

President	Noel DUBBERLEY
Secretary	Lisa TAITAPANUI
Treasurer	Anna DEVONISH
Club Captain	David NANKERVIS
Lifesaving	Alan DELL

Directors

Fundraising	Ed BEACHAM
Marketing	Andrew WILLIAMS (resigned 13/12/2013) Kelvin BENSON (appointed by Board 01/04/2014)
Facilities	Ken GODFREY
Junior Development	Peter QUINLAN
Competition	Bryan THOMAS
Member Services	Penny ALTMAN

Committee Members:	Geoffrey FRENCH, Bill BOOTH, Pat McCARTY

Grievance Officer

Bill JOHNSON

Constitution Review Panel

Associate Professor Bill JOHNSON
Bryan HAYDEN
Stephen BLEWETT
Rosie JOHNSON
Charles LYNE AM

President Noel DUBBERLEY

The past year for our Club has been without a dull moment and we are constantly adapting to meet the changing requirements of Surf Life Saving and the growing population. With 85% of the Surf Coast Shires growth forecast for the next 12 months to be in Torquay, we must further expand our capabilities to cope with the demands of maintaining safe beaches for the public. We have seen a growing number of rescues and first aid cases this season along with a nearby tragedy. For these reason we are underway with plans to expand our Patrol and First Aid Rooms to cope with current and future requirements which will incorporate an expansion of the Nipper storage, kiosk and Main Hall bar area. The generous RACV grant received last year will go a long way to financing these upgrades.

The Club is now operating under a new Constitution voted in at a Special General Meeting by the members. This is the result of a long exhausting process by Committee and specially formed Constitution Panel of Club members to whom we are all in dept. These panel members led by Rosie Johnson were given the arduous task of bringing the Club Constitution to current day operating and legal requirements and I thank them all.

A low light for the year was in May 2013 when the Torquay SLSC Board became aware of an allegation of unauthorised access to the Surfguard member database to solicit votes for the forthcoming club AGM. The Board acted swiftly to deactivate the Director's Surfguard account used to gain unauthorised access – the reactivation having been initiated by person /persons unknown without Torquay SLSC Executive approval.

An investigation into the breach began based on advice from Club Solicitor, David Shaw, SLSA and LSV management. During this investigation several legal threats were made to Club Directors by the then member in question who was being investigated which culminated in a legal letter from Lawyer John Perillo (Jack Harris Trustee) who represented this partiy.

The Club Board voted to engage legal firm Madgwicks to investigate the breach of Surf Guard based on information provided by SLSA (the Surfguard administrators), member statements and other relevant information supplied via LSV. The costs associated with obtaining expert legal opinion & engagement amounted to approximately $19,000 and is reflected in the financial accounts presented to members.

Based on the findings of the investigations the member was called to face a judiciary to hear numerous charges relating to various Policy breaches and potential legislative offences. Upon notification of the judiciary, the individual immediately resigned from the Torquay SLSC. As the old constitution was still in force at the time - only current members could be brought before a judiciary. Therefore the Board decided to halt all legal proceedings and suspend the judiciary proceedings. This hold on proceedings will remain in place until such time that the party in question attempts to reapply as members within the Life Saving movement.

Torquay members were kept informed of the investigation and necessitated postponement of the AGM until the matters were finalised. This event has detrimentally impacted the overall efforts of the Board due to the onerous resource efforts which were required to be spent in protecting our members from such actions.

This is a sorry tale in the history Torquay SLSC. The Club's Board stood firm, albeit at a cost, the former member and their possible associates should hang their heads in shame.

Our Club has been host this year to many school and community groups, visiting Surf Club members, the Californian Wieland Shield team, business and training groups along with hosting three senior and Nipper carnivals. The positive comments from these and many other visitors along with member's achievements have put our club into the position of being nominated for the Victorian Surf Life Saving Club of the Year award. July will see if we will be awarded this great honour.

Our Senior and Nipper Competition groups have completed another successful season with a huge haul of medals at their respective State Titles. The senior competitors and boaties crossed the country to WA led by Bryan Thomas and Boat Captain David Byrnes to complete their competition season.

We should all be proud of the vast range of experienced and dedicated volunteers who help run our great Club. Not only the Committee members of which I am so proud for the hundreds of hours they put into the largely unseen requirements. But also the huge number of Senior and Junior Trainers, Assessors, Nipper Age Managers and helpers, IRB Captain Keith, Jan in the Clothing Store, the Associates, Damo our Caretaker, bar manager and any other job we can rely on him to handle. John our volunteer gardener. Towing kings Frenchy and Boothy.

The list goes on and is all there to service the one true roll of our Clubs existence. Patrolling our beach and educating the public of the associated dangers. This is and will always be our true roll in the growing community.

To our members, supporters, donors and many great sponsors I thank you all for a successful year and look forward to your continued support into the next.

Hon. Secretary - Lisa TAITAPANUI

After a much-delayed start to the 69th Season, the incumbent committee hit the ground running from October. My emails number 5,155 to date. With thanks to the combined efforts of directors & some extraordinary members, who stepped up in many & varied roles, not only did we catch up ourselves, but TSLSC has seen myriad accomplishments & success. The big picture was embraced and the Club can celebrate collective achievements into the milestone 70th year ahead.

Committee meetings have been productive, dialogue very busy & our planning intensive. Director roles never slow down. Executive roles are exhaustive. TSLSC is an ongoing concern & there is always something (likely more than one thing) that commands attention. It is great to have shared the load with a diligent & passionate committee during this season. Thank you to the other Executive Members & Committee for your support of my role & your friendships. It can be great fun at times, when the work is done and we know that we have achieved our goals. The differences make it challenging but great things can be achieved out of indifference.

On December 8th 2013 the Constitutional Draft model was accepted by a quorum of members at a Special General Meeting. An appendix addition meant that in March we re-submitted to the members before final assent from Consumer Affairs. TSLSC is transitioning to the 2014 Constitution immediately, as we meet new reporting guidelines for the 69th AGM. There is lots of hard work and proactivity going on each day of every week.
It needs highlighting that hundreds of volunteer hours were given over the past two years scribing the Constitution document & making sure that it met the Association rules. The team led by Rosie Johnson, Charles Lyne OAM, Stephen Blewett, Bill Johnson & Bryan Hayden, are all very qualified to give voice to our Club and reconstruct our constitution in the interests of the progression of TSLSC. The relative correspondence & compliance was exhaustive. Thank you to this team for their guidance, patience & resilience in managing the document & lodgement.

TORQUAY SLSC ANNUAL REPORT 2013 / 2014

January was active with nippers, planning & communications around the reinvigorated Jim Wall Surf Iron Event, the pending stay at TSLSC of the USA Wieland Shield Team & Havaiana Thong Challenge. All were very well constructed & positive for TSLSC. The correlation between member teamwork & Club success was never more evident than in January & most of us could say it was a privilege & pleasure to have volunteered during this time. Hard work but nevertheless, rewarding. One young member recalled to me that "volunteering can be addictive" – TSLSC hopes so!

Some fantastic reporting & pictures at functions, carnivals & events by Aaron & Damo saw our Facebook 'likes' and our profile soar. The USA team also took us back overseas with them. Facebook & Instagram have been great tools and the Club encourages members to positively support the posts now our ball is rolling with social media.

Life Saving Victoria commended our Club efforts in hosting the Californian team. The USA team were a pleasure as TSLSC guests. We would have loved to have kept them! They graciously reciprocated by assisting with our nipper program & joining in senior training & Club events. We communicated ideas, skills & made some great new friends who will be ambassadors for our Club wherever they go in TSLSC apparel. I am sure TSLSC will remain their favourite Club and thanks to a last night post Club celebration at 'Lambys' we will stay memorable.

The culmination of January was a letter to TSLSC advising that David Nankervis had been awarded Surf Coast Citizen of the Year on Australia Day. David's representation was on behalf of all of us at TSLSC who subscribe to the core values of life saving. Congratulations David.
I would encourage all members to learn more about their Club, its history & sporting achievements, life saving achievements, its Life Member contributions & then find out about the 'now'. WHAT it takes to open the doors. WHAT we do as a Club and WHO does it and HOW you can assist & be involved. We all start out as members. The Club needs members to also be proactive as volunteers & we thank all those who have assisted the volunteer committee this season. It has made a difference to the Club.

I don't look forward to the end of the season and never get to call it 'finished'. I am buoyed by what can be achieved into the next season based on what we as a Club have experienced and what we choose to learn. If the Club momentum & correspondence continues to be positively focussed there is a lot to look forward to.

Director's Meeting Attendances

Ten Director's meetings occurred prior to printing of the Annual Report, with the following attendances:

Marketing	Kelvin Benson	1		

- **Resigned 13/12/2013**
- *** Kelvin Benson Appointed by board May 2014**

Club Captain – David NANKERVIS

Since being awarded the 'John Wishart medal' I have often been asked; 'what got you into lifesaving and why do you keep doing it?'

I dare say the answer will be different for everyone, but I had to actually stop and think about it, as I had never even asked that question of myself before.

"Lifesaving allows me the opportunity to use my skills to help others achieve, to help those in their time of need, to maybe even give someone a second chance at life. It provides a sense of belonging where those around you can become almost like family."

There is something great when people come together with the same sense of purpose in a range of activities. Surf Life Saving certainly hits the mark in that respect, it incorporates and offers learning activities, service, socialization, competition, fitness and a sense of community.

A large part of lifesaving is the involvement of young people, teaching them new skills, building personal development and getting them involved in their own community. There is a fundamental question that gets bantered around from time to time; "Is Surf Life Saving a sport with a service component, or is it a service with a sports component?"

You may get varied answers depending upon who you ask and their own particular reasons for being involved. However, without the service component, which we as surf clubs are born of, there would be no platform for us to show off our skills as a sport. Therefore our core responsibility of service and vigilance must take precedence with everything we do.

Life Saving Sport is demanding and multi-disciplinary, combining athletic ability with lifesaving skills and rescue equipment. Lifesaving sport is unique because it is the only sport in which skills are learned for humanitarian purposes and then applied to competition.

Lifesaving is iconic, it's about bringing people together as a cohesive group, providing opportunities that will give them experiences they can look back on and say 'we did that together, and look what we achieved'

There are always opportunities for better coordination and to motivate and inspire participants through lifesaving. We can always do things better. Just when you think you have reached the summit another one appears on the horizon and each new season can present new challenges.

We can sometimes forget that we as a club are made up of many people with various backgrounds, ages, skills and aspirations. It is important for us as a club to embrace and encompass all of the qualities that come with having such a vast and varied membership base. It's not always easy to recognise, but it must be paramount in our minds and all of our considerations.

All sections of our club have enjoyed some degree of success over the course of the year. However, success just doesn't happen. It takes a great deal of dedication by those charged with the task of responsibility, to organise and put into practice, the sometimes monumental undertakings which keep us, one of the largest clubs on the coast, on track. Most importantly, these efforts keep us moving forward towards an even brighter future. A massive 'well done' to everyone involved.

We have seen some great improvements to our club over the past twelve months, along with achieving some wonderful outcomes both on and off the beach. We have also been the subject of some great media attention, which can only be good for our club profile and raising awareness within the community at large. I will resist the temptation as Club Captain to summarize them all here. Instead, I encourage you to read each of the responsible Directors detailed accounts contained in their individual annual reports.
See you on the beach.....

Director of Lifesaving – Alan DELL

Setting the seasons patrol roster was a team effort with me and Tenielle Holman spending many hours so the competitors were not rostered on carnival dates. This is not an easy feat but we did just about got it right only to slip up on the Monday Labour Day holiday. Thanks to those members who made themselves available to patrol on the day at short notice. It was disappointing that only a couple of competitors attended because it was the competitors who had most to lose if we couldn't get a patrol on the beach, as I'm sure LSV would have defaulted the club with possible non-entry to the Victorian Titles

Having core members on the patrol was a little easier this year as some young members gained their IRB Driver and Crewman, Advance Resuscitation Certificate, Spinal Management and Beach Management, so congratulations to those members.

To the members who took on the responsible positions of Patrol Captain and Vice-Captain thank you, it is not as easy job when we still have a very small group of members, who don't realise that once you sign on patrol, it becomes a workplace, relying on team work. Some roll-up after the equipment is already on the beach and seem to disappear at clean-up time. I'm sure they wouldn't do the same thing during a team event at a carnival.
Attendances have been above average with numbers, dropping a little once school and university commenced. There doesn't seem a willingness amongst members to help out with substitutes; it's not as if they aren't around, because I do see plenty of members still around the club. Perhaps next season we gather some names from those willing to be substitutes throughout the season.

Thanks to Torquay Maccas for their generous donation of a gear trailer for patrols which have been well accepted by the patrolling members.
Inter patrol competition was re- introduced this season and was well received amongst the patrols, so a special thanks to Bill Johnson for doing the

inspections. I don't know where Bill gets all his hours from, if he isn't assessing, he is training or officiating at carnivals or attending to business at LSV

Thanks to Keith Millar who has kept the IRB's operational as well as running training throughout the season, Dave Nankervis for his assistance in making sure the First Aid room was well stocked.

Finally I would like to thank Keith Millar, Bill Johnson, Dave Nankervis and Damian Horan for the hours they spent around the club filling in on patrols and training up members for awards. To the assessors, Damian, Rhiannon & Tenielle Holman, Kelvin Benson, David Nankervis, Bill Johnson & Keith Millar for their work during the requals and assessments of new awards throughout the season and to the hard working committee for keeping the club running smoothly throughout the season.

First Response Team

For those members that maybe unaware, a 24/7 rescue service is run out of the Torquay Surf Life Saving Club. A group of well experienced members are on-call to attend to any local emergency. This group under the LSV & TSLSC banners are part of the essential emergency services network.

We only had the two responses outside of our area and only one where we weren't already on patrol.

1. Responded to lifeguards request at Whites Beach where an82 year old male, drowned while attempting to swim marker can - resuscitation was attempted for 40minutes on beach with no success.
2. Respond via IRB to a call at Jan Juc by during normal weekend patrol. The Team subdued patent in altered state after water emersion, patient was then transported to hospital via ambulance and released the following day.

Australia Day

Once again this year the club undertook the water safety coordination role for the Giant Havaiana Thong Challenge world record attempt held on the 26th January.

This year saw 1,340 recorded participants take part in the water, not to mention the thousands of spectators lining the beach and the hill at Cosy Corner. Representatives from Havaiana were on hand this year to witness first-hand the Australia Day festivities. They were thrilled with how smoothly the event unfolded and our team professionalism in ensuring the safety of the site and the event.

It is a credit to everyone involved for making this event the success it has become. Now in its sixth year here in Torquay it has become a major

fundraiser for the club, and our continued support of this event will ensure it as such for the foreseeable future.

Not only did the club pick-up the tidy sum of $13,400 [$11,945 after GST] (off the back of the number of participants), the club also capitalised on the event by setting-up a food and drink marquee at the event site taking in an additional $5,327. Huge thanks to Fiona Billington and her crew for an outstanding effort.

It ended up being a very good day for us also picking up $1,267 from our bar & $1,435 from our Kiosk - making it a grand total of $19,974. The bar has been raised this year; let us all get behind next year's event to see if we can push it up another notch.

MAJOR CLUB AWARD WINNERS

Category	Recipient	Donor
President's Award	Rosie Johnson	Noel Dubberley
Most Patrol Hours	Keith Miller	Sharon Heathcote
Best Patrol	Patrol 6 Capt – Alan Dell	Life Members
Best Club Person	Karen Tweeddale	TSLSC
Club Captain's Award	Fiona Billington & Ben Spargo	David Nankervis
Best Performance at State Titles	Sophie Thomas	Bryan Hayden
Boat Section – Outstanding Service Award	Jackson McCaffrey	Tony King
Graham Long Memorial Medal Nominee	Bill Johnson	TSLSC
Jim Wall Surfathon Champion	Harriet Brown & Matt Bevilacqua	Surf Coast Times
Ken Pollard Award – Lifesaving Patrols	Damien Horan	Ken Pollard OAM

BRONZE CAMP - Alan DELL

Thirty candidates attended 2013 Bronze Camp with over 60% being new members to the club. Essendon Grammar and Ivanhoe Grammar provided 25% of the attendees, which some following fellow school/club members to the club. Now that we have members in these schools we will be able to use them as recruits for our 2014 camp.

The standard of the candidates was high with all of them coping with the workload which seems to increase every year. All have attended patrols and the feedback is that they enjoy the friendship shown to them from all other members, and have shown great interest in returning to the 2014 camp as trainers.

Ten of the 2012 camp returned and gained their trainers certificate and helped out with the training of the candidates and enjoyed the experience. The same group also trained for and obtained their IRB crewman certificate along with Spinal Management.

Thanks to our senior trainers in Dr Nick Johnson, Rhiannon and Tenielle Holman who have done a great job over the last 3 camps. It is sad that this camp could be Dr Nick's last camp as his work commitments will most likely take him away from Melbourne, we all wish Nick all the best for the future and he will be greatly missed at future camps., so it is up to the Holman girls to step up which I am sure they will as they are committed to the training area of the club.

To Peter "Doyley" Doyle, & Michele Ryan who helped in the preparation of all the meals and to the assessors Damian Holman, Dave Nankervis, Bill Johnson, Kel Benson and Keith Millar for giving their time to assess all the awards plus supervise the probationary assessors from neighbouring clubs who helped out with the final assessment.

Competition Director Bryan Thomas

Another season of competition has drawn to a close with some fantastic results and achievements during the season.

The competition group was a small group made up of young competitors. As a whole, the group performed very well at Club, State and National level. Results achieved throughout the season can be found later in my report.

Assistance during the season with coaching from Adam Seeley, Bryan Hayden, Lisa Wadling and visiting coaches Cam Mercer and a special session with Clint Robinson, saw our competition group improve greatly for those who were prepared to put in the effort.

A special thank you to our members who officiated at carnivals throughout the season:
Peter Doyle, Bill Johnson, Bryan Hayden, John Penny, Peter McPhan, Arnold Altman, Kevin Larkins, Brian Millman, Rod Costa, Tony King and Stephen Nelson. Without these member's assistance, we would not be eligible to compete.

For me to be able to carry out my position on carnival day, assistance from Damian Holman, Penny Altman and Heather Dubberley as sectional managers is greatly appreciated. The competition group would also like to thank Allan Dell and Dave Nankervis for their continued support in ensuring that patrols are up to date and the required hours are achieved and logged so we are able to compete.

IRB drivers and crewmen, Keith Millar, Riley Harman, Isaac Lim, Ashlee Dubberley and Max Crellin, thankyou.

We would not be able to exist without a group of hard workers assisting with catering and fundraising throughout the season. Thanks must go to the

following: President Noel and his committee Jan King, Penny Altman, Karen Tweeddale, Kay Comondromos, Heather Dubberley, Julie Spriggs, Ros Livingston and Joanne and Damian Holman.

Personally, I would like to thank all members, young and old for their continued support of what I try to achieve in making the competition group successful, but most importantly, a group that the club can be proud of.

In finishing off, I would like to thank Fiona who has been running our business successfully while I carry out my position within the club.

VICTORIAN CHAMPIONSHIPS RESULTS

OPEN WOMEN

Under 19 Ironwomen	11th	Kira Kinsey
Under 19 Women's Taplin Relay	12th	Tess Dubberley, Millie Holding, Kira Kinsey

Wieland Shield Team (USA V VIC)

The 2014 Wieland Shield competition was held at Torquay, Anglesea and Lorne in January and the Torquay SLSC played host to our new American friends. The team stayed at our club for the majority of their trip and we were extremely honoured to have this opportunity.

Tess Dubberley and Nick Thomas represented Victoria in the competition which saw Victoria take out the shield for 2014, comprehensively beating the USA team.

Below is a message Jan & Eldin Onsgard (USA Team Managers) left us after their stay at the club.

"Staying at the Torquay SLSC was an incredible experience! We have a saying "the people make the place". It is so true at the Torquay SLSC.

The people were so kind, generous and accommodating to our every need. Upon our return to the US, the team completed a survey regarding their experience and involvement with the 23rd Wieland Shield. In the surveys that were completed, each team member indicated that their favourite SLSC was Torquay, primarily because of the awesome people, but also because of the accommodations and the club's close proximity to downtown Torquay.

The team enjoyed sharing one large bunk room, the showers were great, the food was great and the new friendships will be everlasting. Everyone we talked to is interested in returning to Torquay SLSC in the future.

You guys rock! Thanks for EVERYTHING!"

Junior Development Director Peter QUINLAN

Well what a Nipper Season we had in 2013/14, it all started back in August of last year where we began our weekly Sunday morning training sessions in cold, wet and windy conditions. Numbers to these sessions were high and there were plenty of new nippers arriving each Sunday to experience for the first time what Nippers is all about. With coaches in place and a busy Nipper Sub Committee working hard behind the scenes to ensure everything was in place to kick off the season to a flying start.

The coaches this year began putting more work and emphasis into swimming, introduction of club warm-up swims, regular ocean swim training and sourcing a coach for pool sessions is one of the reasons why most of our teams made finals at the State Champs and it is something that the coaches and Sub-Committee should be proud of as we now have a great base to launch from into next season.

A total of 13 Nippers were selected to participate in the 2013 Victorian Winter Development Squad. We believe this was the most of any surf club and is an outstanding achievement that reflects the dedication of the coaches and the hard work of the nipper athletes. This surely bides well for the Torquay Surf Lifesaving Club as the Nippers transition from junior into senior competing and patrolling members of the surf club.

Congratulations to Grace and Ben Harris on being selected to represent Victoria and competing at the Southern States Development Challenge held in January, Hobart, Tasmania. Held in January, this was a lifesaving competition between Victoria, South Australia and Tasmania. The Challenge ran over 3 days and included Beach, Pool and First Aid events.
Victoria placed first in the challenge so well done Ben and Grace.

For the first time in a number of years a camp was organized at Lorne over the Melbourne Cup Weekend with over 65 Nippers in attendance. We were blessed to have some glorious weather which enabled the placement of nippers of all ages into teams and competing in events, The Pier to Pub Swim / Paddle, Orienteering, Amazing Race, Anaconda Adventure Race and

Treasure Hunt were some of the fun and exhausting activities. I must thank the Harris family for organizing all of the activities and props, It will definitely be on the calendar for next year so keep the Melbourne Cup weekend free.

Ably led by our Summer Holiday Co-ordinator Tiffany Quinlan the Summer Holiday Program started with five straight days of morning sessions, again the program included a strong emphasis on swimming, with a little push and with the help of the many water safety to encourage them, a lot of kids got more out of this program than what would have normally happened in the past. It was so rewarding seeing the kids' progress each day and grow in confidence in the water. Making new friends and trying your hardest is what it's all about so from this perspective it was a total success as it seems the kids achieved that. We trialled a different format this year and have had lots of feedback. The boogie boards for the under 8 were a huge hit and big kids thought they were fun as well.

Also during the season a mini interclub carnival was held between Jan Juc, Half Moon Bay, Ocean Grove and ourselves. Held in testing conditions the day proved a great success and I am sure it will be back on again next year. We also played host to a number of bay clubs wishing to train with us in the surf. It goes with the spirit of lifesaving sharing ideas and training methods and again we look forward to these clubs returning next year.

Briely Wight was selected to represent Torquay at the **2014 Lifesaving Victoria U13 Development Camp**. The camp presented a fantastic way to develop confidence, teamwork skills and network with other Clubs. The camp aimed to challenge and engage participants with fun and interactive activities. Congratulations Briely!!!

Another component of changes to the nipper program, this season we implemented leadership roles being Junior Club Captains within the Under 14 age group. Our inaugural Junior Club Captains for the 2013/14 season were Olivia Evans and Ashley Thompson. Olivia and Ashley started nippers in the Under 7 age group and progressed through nippers developing skills and qualities that will benefit them as they progress into the senior section of the

club. Well done Olivia and Ashley and we wish you all the best patrolling and competing with the senior team.

On Saturday 18th January the Surf Coast Junior Regional Championships were held on a windswept and chilly Anglesea beach. A total of 73 nippers competed for Torquay in age groups Under 9 to Under 14. The competition was fast and furious with a total of 68 Torquay teams qualifying for the Victorian Junior State Championships. Also, 18 individual nippers qualified in the Ironperson event. This was a fabulous achievement and proves all the hard work and training prepared the Torquay Nippers to perform in carnivals at their very best ability.

For nippers that qualified for the Individual Iron at the State Championships, a number of training sessions were organized under the expert tutelage of Dave Strahan. These sessions were invaluable as we prepared our junior athletes for the rigours of competition and provided them with the very best opportunity to perform at their peak. Thank you to Dave who gave up his time freely. All nippers involved significantly improved their skills.

The Victorian Junior Lifesaving Championships in Warrnambool over sixty nippers competed for the Torquay SLSC on a sea weed infested beach. Great sportsmanship was shown from all competitors, coaches, parents and spectators and some outstanding results were achieved by our nippers.

We must say a huge thank you to LINFOX for providing a significant donation to the Torquay Nipper Program. With this very generous donation we were able to purchase Body Boards which significantly improved the delivery of the Summer Holiday Program. Also, the purchase of the Nipper Trailer enabled us to transport all the equipment to and from nipper carnivals which significantly reduced the need to rely on parents who had vans and utes.

One thing I would like to comment on is that our nippers at all times showed great qualities of sportsmanship, fair play and humility at all carnivals this year. They should be congratulated and the whole club should be proud of how they have represented the club.

Thanks to all members of the Sub-committee, the girls entering teams, BBQ helpers' water safety and officials and Age Managers who did a magnificent job all throughout the year. Plenty of things achieved but still plenty to do.

Boat Section Manager David BYRNES

What a fantastic season the Torquay SLSC had in the boat area! I was extremely proud to take on the position of Boat Captain for the season and it was rewarding to see so many fantastic results throughout the season.
The club had a number of crews compete this season. Some facts about the crews:

- We had four crews compete at the Australian Surf Lifesaving Championships in Perth. Three of those crews made the final in their category
- Our rowers and sweeps competed in four different states throughout the season
- The crews had a combined 16 top 3 finishes in carnivals in Victoria this season

Competition surf boat racing is a sport for our volunteer patrol member to exhibit their fitness, aquatic skills and proficiencies in surf conditions. The sport is exciting, a drawcard for spectators nationally and maintains a unique and sentimental place in Australian culture as it parallels with the iconic life saver identity.

I would like to thank a number of key personal in the club who assisted me and the boat section throughout the season.

- **Anna Devonish** for her assistance with allocation of prize money and chasing members down for outstanding fees, never a fun job!
- **Bryan Thomas** for his exceptional management skills and support
- **Lisa, Noel** and the **rest of the committee** for the ongoing support of the boat section

- All of our officials. Without these dedicated members none of our competitors would be able to compete. **Steve Nelson, Brian Millman, Tony King, Rod Costa, Stephen Blewett** and **Aaron Tannahill.**
- Special mention to **Rod Costa** for mentoring me throughout the season. His experience is priceless.
- **Stephen Blewett** for assisting and picking up the new double decker trailer.
  Scotty Tannahill, John 'Moose' Russell and **Tony King** for assisting with training our crews.
- **Damian** and **Joanne Holman** for driving the buses at the Australian Surf Lifesaving Championships.
- **William 'Boothy ' Booth** and **Geoffrey 'Frenchy' French** for towing the boat(s) to Manly, Perth and Stockton. This is highly appreciated. In addition thanks to **Stephen Blewett** for towing once to Surfers.
- Our fantastic sponsors **'The Navy'** for their support Australia wide.
  George Bass Marathon – Torquay SLSC take the title!

The George Bass Marathon is 37 years old, a phenomenal feat in today's high pressure sporting environment. It is the longest and toughest surfboat marathon in the world and the Torquay Open Women's crew won their category in the 2013/14 race.
The crews consist of eight rowers and one sweep. All eight rowers can row every day. The Torquay Open Women's crew this year consisted of:

- Scarlett Blewett
- Fioran Bourke
- Lara Jeffery
- Jessie Smith
- Jacqui Forbes
- Ellen McNamara
- Kate McNamara
- Alice Wells
- Stephen Blewett (sweep and coach)

At any one time four girls are rowing in the boat and the other four are in a support boat. Approximately every twenty minutes the two groups exchange places at sea with minimal disruption to forward progress of the boat in the water.
The crew won six legs (second to seventh inclusive) and placed second in the first leg. Racing was extremely tight with only four seconds separating us from the second placed crew on one leg. In most legs the margins between first and third were less than a minute. In one of the legs the Torquay crew smashed a leg record which is a fantastic achievement.

This achievement would not have been possible without the support of a number of key personal who assisted with erecting tents for accommodation, preparing meals and crewing a support boat:

- Rhonda Blewett
- Sharon Heathcote
- Ken Godfrey
- Geoff French
- Rhonda Bunbury
- Deb McNamara
- Dave Jeffery
- Karen Costa
- Rod Costa
- Scott Tannahill
- Jude Tannahill
- Sebastian Tannahill

As a consequence of our results the club received generous prize-money, put up by event sponsor “Dial Before you Dig”, in a sum of $5,600. These mines will go a small way into funding the activities of the club and its members. The Australian Navy also provides significant support for the event.

Australian Surf Lifesaving Championships

Torquay had four crews who made the journey west to Scarborough Beach for the Australian Surf Lifesaving Championships.

The Masters crews started off and both of our crews made the finals which is a brilliant effort. Both crews were unlucky not to finish in the top 3.
The club then had two crews entered in the open racing with the Groovers in Open Women and Brettuers in the Under 23 Men. The Torquay Groovers have shown throughout the season they can match the best but at this event they just fell short, making the final 16. Still not a bad effort after almost 50 crews started.
Finally the Torquay Brettuers had their chance, doing what they had to do each round and finally made it to the final, finishing 6th.
Australian Surf Lifesaving Championships, Scarborough, Western Australia

- 4th – Torquay Mach 4, 180 Men (Masters)
- 6th – Torquay Brettuers, Under 23 Men
- 6th – Torquay Nomads, 160 Men (Masters)
- Round of 16 – Torquay Groovers, Open Women

Other key results from the season

Congratulations to all of our crews who competed this season. We had an amazing 16 top 3 finishes in carnivals in Victoria. Not bad!
A special mention to the Mach 4 Masters who won the ASRL Open for the second year in a row. The ASRL Open is the biggest surf boat event in the world and the members of the Mach 4 have dominated the event for the last two years.
Victorian Lifesaving Championships, Anglesea, Victoria

- 1st – Torquay Brettuers, Under 23 Men
- 2nd – Torquay Groovers, Open Women
- 2nd – Torquay Mach 4, Reserve Grade

Victorian Masters Championships, Lorne, Victoria

- 2nd – Torquay Mach 4, 180 Men
- 2nd – Torquay Nomads, 160 Men

Australian Surf Rowers League Open, Stockton, New South Wales

- 1st – Torquay Mach 4, 180 Men (Masters)
- 6th – Torquay Groovers, Open Women

I would like to make a special mention to my crew, the Mach 4. They have supported me throughout the season and are all phenomenal members of the club.

Congratulations to Grant Matthews who received Victorian Surf Rowers League Life Membership this season. Grant was recognised at the Victorian Surf Lifesaving Championships in the boat arena.

Overall, a great season as a whole for the rowers, but none of it could have been achieved without the tireless effort put in by all of the support team. We're definitely on our way to becoming a dominant boat club nationally, with our pool of talent, youth and experience growing rapidly over the past couple of years and looking to continue to grow in the near future, which are all positive signs for things to come!

Director of Facilities Ken Godfrey

Continuing with our ongoing property improvements we have successfully completed a number of upgrades to the TSLSC during the past season.

Retiling men's and ladies shower areas are now complete. This has been positively welcomed by members and school groups alike. Privacy screens and change cubicles are now complete in ladies change area in addition with a new vanity that was installed in the past season.

Conversion of junior members lounge into a board room is now complete which has attracted commercial conference bookings. Security cameras were installed throughout the club which was funded through grants which the TSLSC highly appreciates.

Recycling bin has now been installed to reduce waste into land fill. The kitchen is now completely lined inside and out, allowing additional storage and refrigeration space.

Recycled cabinetry from senior members lounge installed in patrol room providing greater bench space and storage capabilities. This has allowed more seating to senior members lounge.

Pictures from bar area being digitalized to preserve the history of the club and assisting with improving the presentation.

The foyer presentation boards have been refurbished.

Additional air conditioning units have been installed to the office and caretakers apartment.

Heating has been installed to bunkrooms which will extend our capacity to rent during winter. As part of the refurbishment of bunkrooms we took the opportunity to honour four of our members by naming each room of the facility. These four rooms are now known as the China Gilbert, Wilma Pettigrove, Sharon Heathcote and Jim Wall rooms. We have a significant

increase in weekend bookings by other surf clubs which is a nice compliment to our mid-week stays by school groups.
Faulty regulator in cellar has now been repaired begin less of a power draw.

New storage cupboards have been installed inside men's toilet entrance from hall. Audio system installed including upgrade to TVs to senior members lounge.

Old timber windows too many areas of the club are past restoration, prices are being sort as we seek to replace them with commercial grade aluminium.

The fire hydrant solution is still ongoing. Discussion and lobbying on this issue continues.

A meeting was held with honorary Architect Ian Burch, Noel Dubberley and David Nankervis re the required alteration to certain areas of the club. David has since submitted his ideas for approval with Ian Burch and at this stage awaiting Architects comments. On approval of the changes I will have the drawings costed by a quality surveyor.

Again a number of people have been instrumental in facilitating release of funding, coordinating working groups and managing on site contractors. That includes Lisa Taitapanui, Anna Devonish, Noel Dubberley and David Nankervis.

Fundraising Director Ed BEACHAM

Owing to the late start to this Season, it was difficult to prepare a great deal of Fundraising Activities.

Various Tin Rattles on roadways and at IGA were carried out, BBQ's at Bunnings and tins placed at various positions at Torquay shopping complex were the main fund raising efforts.

Thank you to all the Non Members and Members who assisted in donations for the Jim Wall Memorial Iron Man event which was a great day for the Club. These donations assisted considerably to the amount that the Club donated as prize money on the day.

Hopefully, with time to plan for next Season, fund raising will improve.

Thank you to Lisa for all her assistance and ideas during this Season.

Associates Committee Ed BEACHAM

The Associates in their role to assist the main Club with various activities worked together in much harmony and good humour. These activities were mainly to do with providing labour to carry out BBQ's at the Torquay Carnival, Navy Surf Boat day, Havaiana Day and Friday Nights on the balcony.

Unfortunately the group of Associates were unable to assist in providing a great deal of bar staff which is an ongoing problem in the cost factor of running this much appreciated members facility. Hopefully in the forthcoming season we can convince some younger members to obtain their necessary certificates and so that they could roaster on through the month of January.

Thank you to all the Associates for their efforts.

Membership Services – Penny ALTMAN

A Club is not just bricks and Mortar. What makes a great club are the people, the members. What makes Torquay SLSC are the many great volunteer members. We have many fantastic, warm and hardworking members at Torquay SLSC.

This year Torquay SLSC has been fortunate in having many new members. Our Bronze camp made up over 50% of new young patrolling members. We have had more members transfer to Torquay SLSC than transfer out. We respect our transferring member's decision to leave, members transfer for many reasons and that is their business. It is with this notion that we sent a letter to each full transferring member to wish them good bye and good luck, each of these members were reassured that the door would always be open should they wish to return. Happily we had 2 members transfer back.

The membership role should not just be limited to new members. Retaining members is very important and welcoming members back. I have networked throughout the season with current members making sure they have a place at Torquay SLSC. Everyone needs to feel like they are wanted and belong. Torquay SLSC had a dramatic increase in SRC numbers this year due to Alan Dell and I letting members know what comes next after nippers. Many of the kids in the SRC course are not interested in nippers anymore, nor were they interested in competing. The SRC course was inclusive and very social. Many of these kids have been seen on our patrol over the last month.

Bryan Thomas and I set up a cadet squad prior to Christmas. This squad was for new members between 13 to 15 years of age, interested in learning board skills (senior racing boards) and ocean swimming. Many of these kids were new members, they got along very well and the squad grew in numbers each week. This squad was new to Torquay, we will reintroduce the squad with more structure and regular training this year. The cadet squad is a wonderful way to attract new athletes and retain nippers, it is vital for Torquay SLSC's

future. Supporting our sporting groups (nippers, board and ski, boat section) within the club ensures our patrolling numbers are healthy.

Andrew Williams organised a fantastic poster to promote our nipper program among local schools. This was carefully circulated, the nipper program is bound by strict guidelines, Troy and Pete have to ensure we have enough water safety to cater for our nipper summer holiday program.

The nipper number remain healthy and I hope that we can see more nipper parents gaining their bronze and or age managers awards so the program can grow and children do not miss out. It would be great to see nipper parents filling our patrols again and passing the community service legacy to their kids. I thank the families that have networked among their friends and invited friends to join. Torquay had a handful of social events this year. All of these events were well attended by members and the Club looked happy and alive. Many old faces I have not seen for many years attended the Torquay SLSC for a drink or a function.

The visit form the Weiland shield team and the Jim Wall Iron Man Event showed off how good our members work together. The help from 2 old families, the Goulding and Thomas families saw the Jim Wall Iron Man Event grow to a National Iron Man Challenge. We had new and old members rolling their sleeves up to ensure this event was successful.

I am a proud Torquay SLSC member because I am a part of a wonderful, historic and successful club full of fantastic, warm and talented people. When I walk into the club I will find a smiling face and someone to chat to. The Torquay SLSC members are a wide network and happily I bump into members in many places. When I do bump into a member, I smile and have a chat.

WILMA PETTIGROVE
10/10/1933 – 18/10/2013

Wilma Pettigrove was a member of the Ladies Auxiliary/Associate section for 47 years. During this period Wilma served as Secretary, Ass Secretary and committee member of this group. In addition Wilma was club booking officer for nine years.

Wilma was a magnificent support to her late husband, John, during the various terms as Boat Captain, Club Captain, Team Manager and Club President.

Wilma was awarded the Best Club Person's Trophy in 2002/03. In the same season Wilma had a surf boat named in her honour.

In 2006 Wilma was awarded her 40 Year Membership Medallion 2006. In addition Wilma was also recognized with a district award for her 15 years as a 'Meals on Wheels' volunteer for the disabled and elderly in the Torquay district.

NEIL DE LANDRE
15/08/1929 – 23/08/2013

Neil was an Associate member for 29 years

ANTHONY OSBORNE
20/12/1936 – 17/02/2014

Anthony was a former Active member who was the editor of the club magazine and Hon Publicity Officer from 1958 – 1962. After lengthy absence Anthony rejoined as an Associate in 2011.

"WAVES ROLL ALWAYS "

LIFE MEMBER – KEN GODFREY 2013

Ken joined Torquay SLSC on 11 January 1959 and gained his Surf Bronze in March 1959. For the first eight years of his membership he competed in a range of club swim events then in 1967/68 season he turned his talents to surf boat rowing and for the next four years, 1967-71 he competed regular in "C" boat competition. He was a member of the "C" boat crew that won the State Title in 1969/70 then 1970/71. During this period he was a member of the top patrol 1968/69 and a member of the Associate Committee 1970/71 – a season of great activity in the rebuilding of the club after the disastrous fire in July 1970.

Through retaining his membership and being grated Active Reserve status Ken took a great chunk out of his active membership by being Phantom Extraordinaire from 1972 to 1996. He took a deep breath and from season 1996/97 to present date he has certainly contributed more than his fair share for the past 18 years.

Ken was Vice President for six years from 1996 to 2002 but his mammoth contribution has been his work on the Building and House sub-committee for all of those 18 years. He has been involved in every maintenance, renovation and extension to our club house during every one of those years. The untold hours he has spent travelling, hands on work with hammer and nail, liaising with sub- contractors, building inspectors, architects etc. has won him the respect and admiration from Presidents to the newest members.

Unfortunately most of this work is carried out weekdays through the years which include our winter when you could fire a cannon and not hit anybody. With all of this activity Ken tries to earn a dollar in Melbourne as a commercial and house builder.

For the past two years Ken has contributed his Building and House job with Director of Facilities. In 2009 Ken received a 50 year membership medallion and as at January 2014 he has been a member for 55 years. Ken has spent 12 years on patrol, competed for 8 years, served on the full voting Committee and has already mentioned 18 years as Building and House Chairman. In season 2011/12 Ken was awarded the President's Trophy.

LIFE MEMBER – KEITH MILLAR 2013

Keith joined during November 1971, gained his surf bronze in January 1972 and down the years, particularly in the past twenty-four years, he has gained the greater proportion of Life Saving awards. With a lapse of 7 years membership during the late 1970s and early 80s due to overseas travel and business commitments, he has been a member for 35 years as at December 2013.

Keith was a big strong youth. Joining the club aged 181/2, having been recruited by the late Maurie Raynor who saw his potential as a boat rower. This turned out correct with Keith rising through "C" and Reserve crews to "A" crew from 1973 to 1977. He was a member of the "A" crew that won the State Title in 1975. During his early membership he showed his talents by serving on the General Committee 1972/73 convenor Dance Sub Committee 1973/74, General Committee 1974/75, Editor Surf Sun & Sand 1975/76.

His membership lapsed at the end of the 1977/78 season, then he returned December 1983. Took up patrol duties, rowed in "C" boat 1st Vic Champs 1986/87, "A" and Reserve crews as required then rowed various Masters crews. In 1990/91 he took up boat sweeping taking "C", Reserve, Juniors and Ladies crews for the next 12 years. Keith was at his best at gaining, then training many junior crews with many of them going onto higher grades. He

was indeed a most capable rower, skilful courageous sweep and dedicated "boatie".

As mentioned, Keith had already served 3 years on the Club Committee in the early 70s, plus Boat Manager 2 terms 92 to 94; however at his retirement from open competition at the end of season 2001/02, though still competing as a rower in Masters events. He turned his full attention to the training recruits of all ages, particularly nipper parents for a wide range of life saving awards.

He was Ass. Chief Instructor 2005/06 then Chief Instructor 2006/07 to 2010/11, during this same period as Director of Lifesaving 2008/09 and Club Captain for two terms 2009/10 to 2010/11. For the past few years he has been involved as ATV/IRB Co-ordinator.

During his 20 years in open competition, which included State and Australian titles Keith was a dedicated patrolling lifeguard, his total of 35 seasons as a club record eclipsing the late John Fay's great innings of 35 years. In the majority of those years Keith was Patrol Captain. In a number of those patrolling years Keith was involved in some daring and dangerous rescues. There are many who owe their lives to his "Vigilance and Service" above self.

Keith's club awards include:

- 1990/91 Best Patrolman (he refused some years, preferring the award go to others)
- 2006/07 Graeme Long Volunteer of the year nomination
- 2008/09 Best Clubman
- 2010/11 Most Patrol hours

Keith's response on receipt of his medal touched many, when amongst other pertinent remarks he said "I always knew I would be a member for life".
A fine career indeed.

SERVICE AWARDS

The club is pleased to recognise the following members on having completed 40, 50 and 60 years of membership during the 2013/2014 season:

40 years

- Rodney Costa (2013)
- Norma Edwards (2013)
- David Steed (2013)
- Lindsay Newstead
- Peter Doyle
- Tony King

50 years

- Tony Strahan
- Ian Burch
- Geoff French

60 years

- Neal Inglis

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2014

NOTE 1:STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (Victoria). The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following specific accounting policy is consistent with the previous period unless otherwise stated and has been adopted in the preparation of this financial report.

(a) FIXED ASSETS

Property plant and equipment are included at their cost of acquisition or valuation. Assets are depreciated over their estimated useful life to the Club on a prime cost value basis. The following rates of depreciation are applied to Property, Plant and Equipment.

Class of Asset	Depreciation Method	Depreciation Rates
Plant and Equipment	Prime Cost	10%-40%
Buildings	Prime Cost	2.00%

(b) CASH

For the purposes of the Statement of Cash Flows, cash includes cash on hand, at Banks and on deposit.

(c) REVENUE

Revenue from the sale of goods is recognised upon the delivery of goods to customers. Membership revenue is recognised on a proportional basis based on the period of membership.

(d) INVENTORIES

Inventories are valued at lower of cost and net realisable value.

(e) GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expenses. Receivables and payables in the statement of financial position are shown inclusive of GST.

TORQUAY SURF LIFE SAVING CLUB INCORPORATED

STATEMENT BY COMMITTEE OF MANAGEMENT

In the opinion of the Committee of Management of Torquay Surf Life Saving Club Incorporated:

1. a) The accompanying Statement of Comprehensive Income of Torquay Surf Life Saving Club Incorporated is drawn up so as to give a true and fair view of the results of the Club for the year ended 30 April 2014.

   b) The accompanying Statement of Financial Position of Torquay Surf Life Saving Club Incorporated is drawn up so as to give a true and fair view of the state of affairs of the Club as at 30 April 2014.

This statement is made in accordance with a resolution of the Committee of Management of the Club and is signed for and on behalf of the Committee by:

Anne Devonish
TREASURER

Dated this 23rd day of May 2014.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF TORQUAY SURF LIFE SAVING CLUB INC

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Torquay Surf Life Saving Club Inc, which comprises the statement of financial position as at 30 April 2014, the statement of comprehensive income, the statement of cash flows and the statement of changes in equity for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Committees' Responsibility for the Financial Report

The committee of Torquay Surf Life Saving Club Inc is responsible for the preparation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the *Associations Incorporation Reform Act 2012* and is appropriate to meet the needs of the members. The committees' responsibility also includes such internal control as the committee has determined is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Qualification

It is not practical for the Torquay Surf Life Saving Club Inc to maintain an effective system of internal control over cash receipts until their initial entry in the accounting records. Accordingly, our audit in relation to cash receipts was limited to amounts recorded.

Qualified Audit Opinion

In our opinion, except for the possible effects of the matter described in the Qualification paragraph, the financial report gives a true and fair view of the financial position of Torquay Surf Life Saving Club Inc as at 30 April 2014, and its financial performance and its cash flows for the year then ended in accordance with the financial reporting requirements of the *Associations Incorporation Reform Act 2012*.

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the Torquay Surf Life Saving Club Inc to meet the requirements of the *Associations Incorporation Reform Act 2012*. As a result, the financial report may not be suitable for another purpose.
