John Wishart Memorial Medal – David Nankervis

David Nankervis, our present Club Captain was awarded the prestigious 'John Wishart Memorial Medal' and therefore named top life saver in Victoria for season 2012/13. David becomes the Club's ninth awardee for this coveted trophy.

This award, named after former Portsea SLSC foundation member and talented life saver, John Wishart, who lost his life when taken by a shark at Portsea Beach on the fourth of March 1956.

The Meritorious Awards Selection Panel take into consideration the following criteria of a nominees life saving activities; awards held, awards gained during the season under review, positions held on SLS committees, contribution to Club activities, an impeccable record of beach patrolling – including rescues & first aid, community service & assistance and a candidates attitude to club life, surf life saving ambitions and their overall ability to represent the Association if successful.

David joined TSLSC during season 2002/04 as a nipper parent, gained his surf bronze season 2005/06 and has been accredited a wide variety of awards since then. The Club has benefitted greatly from many nipper parents who have gone on to add substantially to Club life and to take on senior positions , often when their children have moved on or moved into senior rank – David is certainly one of these, as his record indicates.

David served as Associate Treasurer 2005-2008
