Notice of Meeting

Notice is hereby given that the 68th Annual General Meeting (AGM) at the Torquay Surf Lifesaving Club Incorporated will be held as follows:-

Date		Sunday 30th June 2013
Time		10.30am
Venue		Torquay Surf Life Saving Club, Main Hall
AGENDA	1	Notice of Meeting
	2	Confirmation of Minutes of the 67th Annual General Meeting
	3	Business arising from Minutes
	4	Presentation and Adoption of the 68th Annual Report
	5	Presentation and Adoption of the 68th Financial Report
	6	Life Members Report
	7	Election of Office Bearers for Season 2013/2014

LISA TAITAPANUI

Honorary Secretary

* Refreshments will be available after the meeting and the club lounge will be open for members and friends
* Only those who have paid membership fees and returned their membership form (completed and unaltered) by 5.00pm on Sunday 16th June 2013 will be able to nominate or second a nomination.
* Nominations will only be accepted on official club nomination forms
* Membership renewals will not be accepted on the day of the AGM
* **Only financial members able to vote at AGM**

PRESIDENT Ian Turner

The landscape of our club has changed dramatically over the past 10 years with a club population based primarily on the surf coast a far cry from the past when only 10% of our members lived locally. The club is in a great position to harness the local membership base to ensure future success .We need to have new members to enjoy all aspects of what the Torquay surf can produce over every season of the year. Myself I love Torquay in the Autumn with epic Southerly swells and a favourable off shore, the coolness of the day and the bite of the water makes it an imposing place to harness surf skills. Today we can offer that to a widening local base of members. The future of the club is bright as long as we hold true to the core value of our existence, to offer a patrol and rescue service to the 1000's who use Torquay beach every year , we are lifesavers first and foremost.

The club has been well served by its elected Board Members this season who have all undertaken their specific roles in a tireless and professional manner. As Club President they have made my job look easy.

The club remedial and upgrade works are almost complete and we have a facility we should all be proud of It, use it and respect it. Ken Godfrey has been invaluable in his role as Director of Facilities , he has worked to ensure the replacement of the asbestos roof was done on time along with the many compliance issues that have now been completed which included a fire detection and warning system. The club house has been painted inside and out , new carpets and flooring have been installed, a full upgrade of the bunkrooms and toilets. A massive task undertaken and completed , the club is truly in debited to Ken Godfrey for this result.

The club has been driven by Lisa Taitapanui in her role as Secretary along with club Treasurer Anna Devonish. Noel Dubberley's role as Club Captain has been a hands on experience with Noel earning the respect of all members. David Nankervis has held together our core business of patrols superbly , a patrol never went by without David's input on the beach , his patrolling hours of 158 plus hours leaves me in awe.

Brian Thomas has undertaken a huge role in developing a young competition base , Carolyn Biram worked tirelessly in her role as Fundraiser her innovation at functions, and kiosk were welcomed by all. Chris Burgess managed his Junior Development area with effect, along with our Membership Director Rod Middleton.

PRESIDENT *continued*

The Club Constitution Review panel , headed by Bill Johnson ably assisted by Bryan Hayden, Stephen Blewett , Charles Lynne and Rosie Johnson, have done an enormous job .Rosie burnt the midnight oil many times to produce a constitution for all members to decide on . Her presentations to members were first class and professional, it was a credit to her ,it is fantastic to see a member that has gone through the club ranks from nipper to senior to continue to be such a valuable member.

Alan Dell this year contributed as the Bronze camp coordinator, Surf Sun and Sand editor and the publisher of this years Annual Report. Well done Delly.

I would like to acknowledge the help and support of our local State member Andrew Katos who delivered the grant needed for some of our building works.

To our vast array of sponsors, donors and supporters I thank you for generous and continued support. With the end of another year I ask all to continue to move forward and make your club the best it can be on and off the water.

Regards I.T.

Director's Meeting Attendances

Ten Director's meetings occurred prior to printing of the Annual report, with the following attendances:

Competition	Bryan Thomas	9	1	
Member Services	Rod Middleton	8		2

* Resigned 22nd November 2012

Hon. Secretary—Lisa Taitapanui

The2012/13 season seems to have finished before it started. Those of us incumbent on the committee recognised that the scope of any planning for this year would take a huge commitment, given the continued mandate for building works.

The role of secretary has meant liaising with many external stakeholders, such as Life Saving Victoria, government departments - DSE, Dept of Justice, GORCC, Surf Coast Shire, sponsors, supporters, suppliers and peppered with the needs and wants of members.

The incoming emails have extended to thousands, three large binders of correspondence, forms and documents, hundreds of phone calls, mailed letters, text messages, managing the data base , LSV requests, committee meetings, other meetings and countless hours responding to the incoming correspondence.

This year the Club has developed some fantastic key relationships and community partnerships, made great friends, gained respect for our management and initiatives and welcomed the support of the local community.

The Club administration has evolved with our capacity to operate remotely and has been greatly enabled through the competence of Anna Devonish, Nicole Nelson & Carolyn Biram who have all extended themselves many times to 'Make It Happen'

Unfortunately the Club messenger is sometimes maligned in the role, while following due process. My ethic has been to work for the Club and I do that with great pride.

To the amazingly selfless members, sponsors and supporters who have contributed goods, services, valuable time and most importantly, shown consideration - Thank You!

Your recognition may not have come in a formalised letter or email from the Club secretary, but as for me, the greatest reward comes December 1st when the flags are installed on the beach for the first day of the season and on Easter Monday when all the Club patrols have been managed.

The committee and members make TSLSC work and it is critical that it becomes about 'we' and not 'I'

Cheers

Lisa

Club Captain Noel Dubberley

Another season has come and gone already. We have had a number of new members arrive, some leave and we remember those who have sadly passed on. So many events now occur at our club in one year it is hard to believe the clubs humble beginnings back in 1945 from a small band of founding members to the present day where the club has become a year round full time business with a base of over 900 members. The current clubhouse has over gone more needed maintenance with painting, carpet and completion of the new roof finally completed. There is still more to be done with a list of renovations and extensions to bring up to date our clubhouse to service the fast growing community. These will hopefully be funded by a major sponsorship soon to be announced.

I would like to thank all the members for their support to our club this year but mostly to the patrolling membership base who without we would not exist as a life saving club. Patrolling our beach is our primary role and members should remember you are never too old to be able to contribute as Doug Fuller proved to us gaining his Bronze Medallion at 60 years of age and patrolling over the season. Doug has served as a fine example of diligence and service on patrol showing us all how it should be done. Most patrollers have exceeded their rostered requirements with some members contributing over 100 hours of their time to patrol our beach. To all these people we say thank you. We still need members to gain qualifications so as we can form more patrols and reduce the number of rostered days to all. If you are interested in gaining you IRB crew or drivers, ART, spinal or any other award it is not hard and does not cost.

To all our Nippers it was a pleasure to see the smiles on your young faces whilst enjoying the training and encouragement given to you by the tireless band of age managers, water safety and sectional heads again this season. Keep it up and progress your skills as you will need them one day. To the parents, many hours of driving, supporting and drying wet kids will surely be remembered by your children one day. We look forward to seeing all Nippers and their parents back next season.

Captains report *continued*

The Senior Competition section recently returned from QLD Aussies. For some this was a new experience, for others a yearly pilgrimage. The weather was hot and large seas on the first days of Masters Competition saw many boats coming to grief and the board and ski sections not being allowed past the bar. These seas abated for some fantastic racing during the following days with some of our members making Australian finals. Congratulations to Lisa Wadling for her Gold medal in the Women's Masters Ski race and Silver in the Masters Board. Also Tim Altman for his Bronze medal in the Men's Masters Ski and Brodie Tweeddale for a Bronze in the 2km beach run. The Boat section although smaller this season represented itself well with a number of winning performances and placements locally and interstate. Once again I must say a big thank you to our Club Sponsors. Your support to our club is ever so vital so as we may provide the community with quality patrols on the beach to ensure their safety.

To the Life Members once again your support over the season past has been vital and gratefully received. The wisdom passed through years of experience cannot be learned or bought. We all owe you our respect and thanks.

To the future we all will look and I hope to see you all back at our great club for the new season. It promises to be bigger than the last with new challenges, changes and no doubt a dose of controversy thrown in. Nobody can call being a committee member dull or boring. Our club is our second home and family, where we respect, support, learn and teach each other. Leave your problems and differences away from here and enjoy the club for what it is.

Director of Lifesaving David Nankervis

I am pleased to report that our pre-season mandatory gear inspection was once again successful, recording no defaults. It is always comforting to know that our gear and equipment is prepared heading into a season.

In saying that however, looking forward, we will need to address certain costly items nearing or at the end of their serviceable life and in need of replacement.

Back in June 2012, our First Response team was called to attend a patient at the northern end of our beach who had been retrieved from the water. Our aging defibrillator was used several times on this occasion and required servicing post event, whereupon we were informed that it would now be deemed unserviceable.

Desperately in need of a replacement, we set about looking for new sponsorship to secure the $4,000+ required to purchase a new unit. The defibrillator is a vital piece of equipment and an important link in the chain of survival and is a component of the basic life support process. We are very fortunate that Dr. Neil Africa, from the Surf Coast Bulk Billing Clinic, understood our plight and came to our rescue with a very kind and generous donation of $3,000 towards a New Defibrillator.

Every season we spend a great deal of money on disposable items and this season was no different. The cost of fitting out our First aid room with medical supplies ran to approx $3,000. Which now at the end of the season is close to exhausted and in need of restocking. Another $2,839 was spent on equipment and repairs, which incorporated everything from IRB's to patrol caps.

Patrols are the cornerstone of our existence as a club. We only exist as a club as long as we provide the vital service of lifesaving to the community. However, it is of constant concern that the importance of maintaining a visual presence and surveillance on our beach seems to be lost on so many.

At the end of the day we are a surf life saving club, not just another sporting club. Our existence as a life saving club is premised upon providing a safe beach for the public and our readiness and ability to save lives. Therefore, It is the duty of every member (regardless of their membership category) to uphold and contribute positively to our core responsibilities. Regardless of the reasons that have brought you to lifesaving, it is important that everybody realise the integral part that lifesaving and life saving clubs play in our history and culture.

The following statistics highlight a core group who undertake a lion's share of our core responsibility, to whom without, this club would default. All sections of this club owe these people a huge "THANK YOU".

Top 10, Male & Female - Most Hours Performed

Female	Hours	Male	Hours
Mia Taitapanui	101.8	David Nankervis	158.5
Grace Athanatos	51.5	Keith Millar	112.0
Tenielle Holman	46.0	Damien Horan	83.5
Millie Holding	37.5	Noel Dubberley	54.8
Penelope Altman	37.0	Damian Holman	47.5

The following graphs show the breakup our total membership by category, and the break-up of patrol hours performed. Although we are a club of 935 members; our total 'Active' (including SRC's) membership only number 170 (18%). Of that 170, only 54 (31.7%) completed or provided substitutes for all of their rostered patrols while 116 recorded 'No Show's. The 'No Show' hours totalled 2629. However, when divided equally between the 116, it equates to 22.66 hours each; which over the course of a season is seemingly not a huge ask to achieve 100%

From a Total membership of 935—Only 54 active members completed their Patrol Rosters =0.57%

Lifesaving report *continued*

Unfortunately the patrol situation has not improved from last season as hoped. In the 67th Annual report I highlighted the need for more members to gain vital awards to not only help lessen the reliance on the core group, but to also allow us to create more patrol teams and by virtue reduce the amount of hours each individual needs to patrol.

To ensure our ongoing viability as a lifesaving club each and every patrol team needs to adhere to the protocol's set out by SLSA and LSV.

Patrol Protocol *- Each patrol team must consist of the following 'Core' proficient members:*
Three (3) proficient members holding the SLSA Bronze Medallion/Certificate II in Public Safety (Aquatic Rescue) and ....
One (1) other proficient patrolling award holder, (awards allowed are): Radio Operator, Senior First Aid, Oxygen Resuscitation, Spinal Management, Surf Rescue Certificate, Basic Beach Management, Advanced Resuscitation Techniques.
Awards to be included in the minimum four (4):
IRB Driver and separate holder of IRB crew
Advanced Resuscitation Techniques
Basic Beach Management
Spinal Management.

The modern lifesaver can no longer just get-by only holding a Bronze Medallion. The surf lifesaving movement is continually moving forward to incorporate best practice to help ensure our professionalism and reduce risk. We as lifesaving clubs, by default, must also adapt and move forward accordingly or run the very real risk of falling by the wayside.

Accordingly, I urge every active member to take on at least one new additional award to enable us as a club to not only meet our core requirements, but to remain a strong vital entity. Our instructors will be offering these courses throughout the year. Any awards or skills that you acquire will not only greatly benefit the club, they will also help you personally become more competent and confident as a lifesaver.

The format for next seasons patrol teams will be heavily dependent upon new awards obtained by members prior to November 2013.

Awards - Training & Assessment (2012 Season) and Proficiencies (Requals);

PROFICIENCIES (Requal)

Surf Bronze	153	Advanced Resuscitation	13
IRB Driver	9	Surf Coach	3
Surf Rescue Cert.	10	Senior First Aid	2
IRB Crew	11	Spinal Management	16
Assessor Bronze	1	Surf Coach Gold Medallion	1

Lifesaving report continued

NEW AWARDS

Surf Bronze	43	Advanced First Aid	2
Advanced Resus.	4	Surf Rescue Certificate	9
IRB Crew	6	TOC Spinal Management	2

A great effort from our trainers and assessors again this season, their ongoing contributions help prepare us for what we may encounter. An enormous amount of both physical and paper-work go into training and assessment each year, obviously this requires a great deal of hours and commitment. Therefore, it is great to have some of our younger members gain their trainers and assessors qualifications this season to help lighten the load. Welcome aboard!

Patrol	Captain Patrol Team	Attendance	Patrol	Captain Patrol Team	Attendance
A	Nicholas Johnson	33%	B	Noel Dubberley	21%
C	Keith Millar	26%	D	Jackson McCaffrey	16%
E	Rhiannon Holman	26%	F	Brendan Garreau	63%
G	Paul DeLandre	50%	H	Michael Hannan	10%
I	Damien Horan	25%	J	Samuel Hayden	5%

Director of Lifesaving *continued*

NOTE: *The percentages shown are calculated based on the discrepancies between the original roster and actual attendance and hours performed. The original roster was formulated prior to the start of the season and based upon proficiencies and attendance from the previous season. Unfortunately some members elected not to requal their awards by the 31st of December 2013, transferred and / or withdrew their ongoing support of patrols during the course of the season.*

Director of Lifesaving *continued*

Australia Day

Once again Torquay played host to the annual 'Havaiana Thong Challenge' on Australia Day. Although overall participation numbers were slightly down this year, it still proves to be a very successful event. The Havaiana event team were very impressed with our show of strength and our ability to coordinate the risk assessments and provide substantial water safety. This is a major fundraiser for the club and a wonderful opportunity to show-off our combined skills. I would like to thank everybody involved in making this a successful day. It takes a lot of people to make this happen each year and I encourage everyone to put the 26th of January in their diaries for next year. This day on the calendar presents so many possibilities for us as a club. To be able harness this crowd and expanded upon the day with other events would give us the potential to rival the 'Danger 1000' or 'Pier to Pub'.

First Response Team

For those members that maybe unaware, a 24/7 rescue service is run out of the Torquay Surf Life saving Club. A group of well experienced members are on-call to attend to any local emergency. This group under the LSV & TSLSC banners are part of the essential emergency services network.

Our First Response Team has been called upon on four separate occasions since the 1st of June 2012. The following statistics have been recorded:

Shallow water rescue x 1 (Spinal resulting in a fatality),
Shallow water rescue x 1 (Spinal resulting in a Quadriplegia)
Deep water rescue x 3 (Board/IRB) and
Deep water rescue x 2 (IRB).

As Coordinator, I would like to thank the dedicated members of the First Response Team. I would also like to thank all those that have provided assistance.

Thanks again to all those that have helped both myself, and the Torquay Surf Lifesaving Club, not only throughout the season, but throughout the year.

See you in the surf.....

David Nankervis

.

Chief Instructor Alan Dell

This seasons bronze camp was the most successful camp for awards. Twenty candidates attended along with six members from the previous years camp as trainee trainers. Not only did these members assisted with training and water safety they trained and were assessed for their Spinal Management Certificate and IRB Crewperson Certificate which was a great help in having these qualifications for patrols.

Nick Johnson, Tenielle and Rhiannon Holman were the chief instructors and had the candidates mesmerised with the knowledge of the theory sections of the bronze. The camp is very fortunate too have these members giving their time to instruct at the camp. It is important to have members from the previous camp returning so they can become the chief instructors within a couple of years as work commitments will take Nick, Tenielle and Rhiannon away.

On contacting schools in Melbourne during the year to try to recruit members outside the Torquay/Jan Juc area was successful with six candidates coming to the club as new members. It is important that we keep trying to recruit outside the Torquay/Jan Juc area as we lose local members who go off surfing and are lost to the club when they are really needed.

October SRC weekends were poorly attended with only the diehard nippers gaining their awards so they can continue on with competition. Future SRC weekends will be run after the Bronze camp and requals are finished. We still have some parents requesting to have their children trained and assessed at their pleasure which we could accommodate if we had more junior members coming on board as trainers and these parents are usually the ones that stand back and expect others to do the work.

It must be remembered that we are a lifesaving club FIRST with competition an added bonus so I ask that all those requiring their SRC or Bronze to do it at the times set by the club even if that means missing an early carnival.

I would like to thank Lisa & Carolyn for their shopping skills in getting the supermarket bargains, Michelle for her assisting with some catering tips, the parents that helped during the camp and also to my wife Nola in helping making up meals at home and finally Anna for keeping spending in line so the camp is self funding.

Special mention to David Nankervis, Kelvin Benson, Bill Johnson and Damian Holman for giving their time to come and assess the candidates at both the bronze and SRC assessments.

Regards

Delly.

Competition Director Bryan Thomas

The season has finished with some fantastic results at the Australian Titles at Nth Kirra on the Gold Coast. Those who trained continuously after the Victorian Titles featured in finals and competed very well.

As a whole, the board, ski and swim sections performed exceptionally well at the State Titles across all age categories, particularly in team events.

All the seasons' results can be found further on within my report.

A season that ran as long as this one did and with the results that we achieved could not have gone ahead without the help of many people.

I would like to thank the following people for their assistance throughout the season:

Officials: whom without their continued help, we would not be able to compete: Bill Johnson, Bryan Hayden, Peter Doyle, John Penny, Tony Strahan, Peter McPhan and Noel Dubberley.

IRB Drivers and Crewmen: Max Rudd, Paul DeLandre, Kelvin Benson and Riley Harman.

Sectional Managers at all carnivals: Haydn & Marion Lowe, Damien & Joanne Holman, Karen Tweeddale, Heather Dubberley, Jessie Golds, Wendy Atherton and Helen Williams.

Support with team catering and fundraising: Ros Livingston, Jan King, Wendy Atherton, Karen Tweeddale, Kay Comodromos, Heather Dubberley, Joanne Holman and Julie Spriggs

To Club Captain, Noel Dubberley who, without his support and help throughout the entire season, I would not be able to fulfill my position as Director of Competition. Noel always makes himself available with assistance with trailers, equipment, tents and anything that he sees necessary to keep the competition group functioning.

The Coaches: Brendan Garreau and Adam Seeley for helping competitors achieve and more importantly maintain the emphasis on fun during training.

A special thank you to Ian and the committee for the support they have given the competition group and myself. I would like to make a special mention to the following committee members, who behind the scenes do some wonderful work in helping the competition group:

- Dave Nankervis for his continuous assistance with patrol dates/hours so we can compete at all carnivals.
- Carolyn Biram for her unbelievable efforts with fundraising and catering towards competition.

Competition Director *continued*

- Lisa Taitapanui and Anna Devonish for their assistance with entry fees, functions, uniforms and any secretarial requirements I had throughout the season.

In finishing off, I would like to thank all club members old and young who continue to offer support in what I have tried to achieve during the year.

I have enjoyed working with all competitors and would like to thank all the parents for "having faith" in me guiding their children through another season of competition.

Thank you. B.T.

VICTORIAN RESULTS

Junior Development Director **Chris Burgess**

The 2012/2013 season has come to an end and with this parents can now take a step back, breath, relax and transition into the football, netball, soccer or whatever other sport that your child undertakes during the off season. With these new sports comes them understanding that we parents will still ferry the kids around to training and games which will ensure that still we are not able to relax or sleep in.

That being said my personal thoughts are that the 2012/13 nipper season at the Torquay SLSC has been a huge success. This success can be contributed to the willingness of a lot of families and individuals who may have little understanding of the workings of a surf lifesaving club to step up and assist with the organisation and running of the nippers. This new program was designed around the input of many people over the season and has always been seen as a work in progress. Democracy works well within a large organisation and this was evident in the formation and relationships formed through the newly formed nipper working group. This working group saw a vast range of strategic roles being handed to people attached to nippers. With this came a feeling of a team effort which gave the program a family feel and underpinned the success and enjoyment that the majority of families received.

I would like to thank the following people associated with the Torquay SLSC who took ownership of various aspects of the nipper section this season

Mandy MUSHCAMP – Summer Holiday Program
Peter QUINLAN – Water Safety
Jock EVANS – Equipment
Troy HARRIS - Competitions Manager
Sharon HARRIS, Nikki HOOLEY – Coaches
Anna Devonish – (Club Treasurer) Junior Activity Booklet
Jodie SCHAAP and Kylie SCHRAM – Uniforms and data entry

This season the nipper program also had a dedicated group of parents and members who performed water safety and water assistant roles ensuring that all children were adequately supervised whilst out in the water.

Nippers having fun at training

Peter QUINLAN ensured a group of water safety and assistants were allocated to each age group was a huge success and contributed to the success of the summer holiday program.

Junior Development *continued*

This season realistically started during August 2012 with the "hard core" nippers and parents braving the cold water and weather for winter training. On average 15 nippers undertook this training whilst still competing in other sports on the weekend. These training sessions were designed to get the nippers used to the water and conditions and focus on specific techniques prior to the commencement of the summer holiday program. A big thank you to the parents, coaches and water safety that made this happen for the kids. The inclement weather and varying waves did not damper the enthusiasm of the nippers.

During the September holidays everyone took a well earned break while some families even ventured north to Maroochydore for Dave STRAHAN'S training camp. Thanks Dave for your time and assistance, from what I can understand this training camp is of a huge benefit to the nipper morale and confidence. This camp will be on offer again this year and I have already been informed that a lot of new parents and families will be attending.

Summer Holiday Program:

This season a lot of planning and organising went into the summer holiday program. Thanks, to the club for organising new age group flags which made it so much easier for parents to keep track of their children. As normal the mad rush for memberships and registration took place just prior to the start of the SHP.

This SHP saw the attendance 295 children from U/7's to U/14. This was a newly designed intensive program which was designed to bring more structure to the session. All sessions were based around confidence building for the nippers in the surf and on the sand and promoted the core surf lifesaving values of the club. All eligible nippers undertook the newly designed "S" badge proficiency and it was pleasing to see that in excess of 95% of the children were successful in receiving this accreditation. To the children who were unsuccessful remember that we were all extremely proud of you for giving it a go and I am sure that with a bit of practice next season you will get your own "S" badge.

This season also saw the implementation of the 2 day Surf Education sessions. These sessions were two hour sessions over two nights and designed to introduce all nippers to other facets of the Torquay SLSC. Nippers were introduced to four stations and included subjects such as core surf lifesaving techniques, understanding rips, first aid and resuscitation and IRB. Thank you to all the volunteer s that made this night a success including Ashleigh Nankervis, David NANKERVIS and Kelvin BENSON.

I would also like to thank the following age managers for their time, dedication and work in making this season a huge success.

Development *continued*

AGE MANAGERS

- U/7 - Marnie BURGESS, Emily Atherton-King
- U/8 – Tim LEITH, Tiffany QUINLAN
- U/9 – Andrea ROWAN
- U/10 – Mick NEMETH, Jenn Conn
- U/11 – Serrin Vernon
- U/12 – Sharon and Troy HARRIS
- U/13 – Jock EVANS
- U/14 – Kim HOLDING, Nikki HOOLEY

Club Championships

Club championships were held on a cold and overcast morning on Sunday 13th January, 2013. The beach presented small waves of about 1- 2 foot which indicated that the nippers had more of a chance of catching hypothermia than a wave. While the U/7's undertook their normal program, in excess of 200 children participated in events on the beach and in water that earned them points that would ultimately go toward deciding club champions for the season. The weather did not hamper the enthusiasm or dedication of the children and although the competitive beast was present in all nippers that day and a great time was had by all. Once the competition was completed all parents and nippers met at the Torquay SLSC main hall for a BBQ and presentation of pennant flags, medals, awards and vouchers. I am pleased to say that a lot of the club champions were determined by a very few points with a number of nippers tied for 2nd and 3rd.

Age group Champions for this season were as follows.

U/8 – Miles GRAY, Chloe MILLAR
U/9 – Michael FITZGERALD, Amelia CARTY
U/10 – Angus SPARGO, Poppy SCHAAP, Meg DAVIES
U/11 – Archie VERNON, Cleo SCHAAP
U/12 – Ben FRASER, Grace HARRIS
U/13 – Lucy BULLOCK, Ash THOMPSON
U/14 – Jarrod NOLAN, Mia TAITAPANUI

Junior Development *continued*

This saw the end of the summer holiday program and from the number of people who attended the presentation day it was Presentation day at the completion of club championships saw the Torquay SLSC hall full to capacity of parents and nippers eagerly awaiting the outcome of the results of the day's activities. Along with championship flags nippers also received pennant flags with some nippers also receiving medals for runner up and other nippers receiving pizza vouchers from their respective age managers. This season also saw a number of feedback forms sent out to parents and nippers with the view of receiving feedback on the current season and how we could improve for next season. With around 70% of the families responding to this feedback it was pleasing that in excess of 95% of this feedback was extremely positive and complementary of the current season. Suggestions were also obtained in relation to improving the nipper program for next season which has been collated and will be considered in the future.

Cosy Corner Swim Sessions

A huge debt of gratitude must go to Haydn LOWE who although has no siblings in the nipper program dedicated his Saturday mornings to meeting with nippers at Cosy Corner for a swim session. By attending and watching Haydn working with the nippers you can see how he gets the best out of these children. Haydn's ability to assess and construct a swim session to tailor each individual nipper's personal ability is why Haydn LOWE is such an integral part of the Torquay SLSC. Thanks Haydn the kids loved it and the nipper program is thankful.

Regional Championships

Regional championships were held at Cosy Corner on Sunday 27th January, 2013 and greeted just over 100 Torquay SLSC nippers with a beautiful day and small 2 foot waves. Torquay was well represented within all age groups with a large number of the teams qualifying for the state carnival at Lorne. A big thank you must go to all volunteers including Peter QUINLAN and Jock EVANS who managed to transport all of our equipment over to the carnival then return it at the end of the day. It must be noted that the dedication and commitment to the nipper officials and water safety that assisted on this day was superb. You all know who you are so thank you very much. Of all the team and individual events held Torquay SLSC attained the following results.

Teams	1st	2nd	3rd	Individual (Iron)	1st	2nd	3rd
	16	12	6		3	1	2
		Total:	34			Total:	6

Junior Development *continued*

All of the nippers involved in the regional carnival displayed impeccable sportsmanship and respect to their fellow competitors by cheering on all participants regardless of club. At the completion of this carnival followed weeks on continual Wednesday and Sunday training preparing for the state carnival at Lorne.

Victoria State Championships

The state championships were held at Lorne on the Saturday the 23rd and Sunday the 24th March, 2013. This year provided 2 fantastic days of competition with warm sunny days and a solid 3 foot sets mostly on the second day. 77 Torquay SLSC nippers attended this carnival with the club having a fantastic representation from all age groups in a large number of events. There were some fantastic standouts performances over the 2 days from our nippers with the U/10 boys and girls, U/11 Boys and Girls, U/12 Boys and Girls teams coming home with swag of medals. Also outstanding individual performances on the beach and in the water ensured that Torquay was well represented on the Dias throughout both days.

The end results for the State Championship were.

Individual Gold: 5,	**Team Gold: 7**
Individual Silver: 6,	**Team Silver: 3**
Individual Bronze: 7,	**Team Bronze: 6**
Total competed: 77	**Medals: 34**

Mentone: 360, Point Leo: 313, Jan Juc: 268, Half Moon Bay: 257, Torquay: 224

The Quiet Achievers.

The Torquay nipper program could not operate without the assistance of many parents, members and sponsors who work tirelessly behind the scenes to make this program a success. I would like to take this opportunity to thank the following people.

Peter Coles and Rip Curl:

For their ongoing commitment to the Torquay Nippers by providing rash vests, caps, water safety vests, water safety assistant vest, competition caps and other items throughout the season.

Jack Harris Trust:

For providing 6 foam surf rescue boards to the nipper section.

Blood Family and Blood Motor Group

For the donation of the colourful age group flags used this season for marshalling of the nippers.

Africa Family:

For donating funds towards a defibrillator machine for the Torquay SLSC.

Junior Development *continued*

Quicksilver:

For their commitment of clothing and rash vests throughout the season

Barry Plant Real Estate:

For financial assistance and providing a tent and tear drop flags throughout the nipper season.

Keith MILLAR, Noel and Ben DUBBERLY:

Although they have no children attached to the nipper section they worked tirelessly performed IRB duties for the nipper section during training, club champs, Torquay carnival, regional carnival and Victorian Titles at Warrnambool

Thanks guys.

The nipper parents who tirelessly placed data onto the computer system, manned the uniform shop, worked the bar, cooked the BBQ, managed the nippers, coached, officiated at carnivals, performed copious hours of water safety, transported gear from the TSLSC to every point of the compass and back again and when all this was done contributed to patrols when available. There are too many of you to mention but I sincerely thank you for your assistance this season.

It's all about the kids

This season has been a blast and at the end of the day that is how it should always be. Detractors come and go and good people stick fast. Nippers by their own design are intuitive, cheeky, full of energy and life and just willing to give things a go. As parents and more importantly as a club we need to nurture these children and mould them into the lifesavers of the future. Doing this will almost guarantee a healthy future for the club. Today's nippers are tomorrow's members, surf lifesavers, board members, competitors, club champions and life members.

We need to remember that 295 children attended the summer holiday program with the nipper section obtaining a satisfaction rating of in excess of 95%.

The children should always be the future of any club and by design every club needs a succession plan. These children did an awesome job this season and are a credit to the Torquay SLSC and their parents.

Well done nippers and I look forward to seeing you on the beach next season.

Regards

Chris

FRENCHIES

Boat Section **Rod Costa Boat Manager**

Season 2012/13 could go down as one of the longest in our history of Boat Rowing.

Our first event being the World Titles at Christies Beach South Australia way back in November and our last at Nth Kirra on the Gold Coast Queensland late April.

Add to these trips, Young Guns events at Clifton Beach Tasmania & Collaroy NSW and the annual Manly carnival, all the local carnivals and finally the ASRL Open in Stockton NSW we have had a busy season.

Perhaps, then the best way to sum up our results is crew by crew. Results and full crew names are listed below. Dave's Masters Men had a ripper season. They are truly a class act in there age group. Well earned Silver medal at the worlds on the same wave as the winner. Gold medal at the ASRL Open after leading all the way and having to catch a giant broken wave all the others were already on and finishing it off so brilliantly. Not so lucky at the Aussies going down the plug on a 2 metre monster at the turning cans. A great season for Noel, Matt, Grant and Ronnie.

Brett's U23 Men's crew were selected in the VSRL State Team to compete at Stockton NSW. The boys went on to win the U23 Interstate Boat race final and then a Bronze medal in the 23 Men's final. A good result. An unlucky 4th place at the worlds. A great win in Tassie at the Young Guns and in the medals as always at the Vics. A disappointing result at Nth Kirra saw them out in the 3rd round. Well done Macka, Mitch, Jacko & Andrew.

Our third crew consisted of young ladies swept and trained by George Godfrey who were the real surprises as Aussies. They had two great round wins and certainly made there presence felt at Nth Kirra. We can really look forward to more from these girls as "they have what it takes" to become a very good boat crew. Keep up the training Jacqui, Ellen, Kate and Alice.

Thanks to "Boothie and Frenchie" for towing our boats, firstly to Stockton NSW and then to Aussies. Also to Phil Mann who helped us with trailer and boat repairs and also Phil's wife Judy who makes the best wraps around. Frenchie also supplied shirts for the rowers this season which really looked and felt great. **Thanks Geoff.**

Stephen Blewett, although without a crew last season was very active training sweeps, coaching and providing his expertise wherever needed often at the "drop of a hat".

Thanks from all the rowers to our officials Brian "Milks" Millman, Rod Costa, Tony King & Stephen Nelson. Stephen stepped up this year into the recorders area and did a wonderful job officiating at ASRL Stockton and Aussie title events.

Once again I must thank our sponsors listed below for without them we would have been unable to achieve these results within the boat section. Welcome to our newest sponsor Armstrong whom have kindly donated a new set of oars. Please support our sponsors.

Armstrong	**VILLAWOOD PROPERTIES**
Geoff French	**FRENCHIES ON THE ESPLANADE**
Hayden Family	**HAYDEN REAL ESTATE**

Another season of boat rowing ends. **Rod Costa (Boat Manager)**

Director of Facilities Ken Godfrey

Approximately 18 months ago Torquay SLSC was issued with a number of breach notices by the Surf Coast Shire. These breach notices effectively ceased our ability to generate much needed income for our club via our accommodation hire. The notices included a number of mandated rectification works – none of which were inconsequential.

In addition to these works, it was identified that we were in urgent need of a replacement of our roof including the removal of all asbestos. The works were timed to run in conjunction with the remedial work in order to minimize the overall costs.

Over the last 12 months, your Committee has worked tirelessly in managing some significant occupancy, compliance and building regulatory issues as well as project managing some substantial building rectification works.

These works have now all been completed with the exception of a fire hydrant solution which is currently being worked on. The works to date include the following capital sable costs:

Replacement of roof, including asbestos removal	$203.3k
Fire Detection System	$55.6k
Upgrade to Fire Exit Doors, Signs & emergency lighting	$ 13.3k
Upgrade of Fire Separations	$ 12.6k

The above costs of $285k are those which were able to capitalized to our balance sheet. A $300k Victorian State Government Grant was used to fund these works as well as other minor associated works.

Compliance certificates have been received for all of these works and we now have approval to recommence accommodation bookings which have resumed the generation of much needed replenishment funds. These works have now introduced and ongoing audit, maintenance and compliance program which must be completed on a quarterly and annual basis. Responsibility for managing this compliance program will rest with the Club's resident caretaker as part of their accommodation offset obligations.

In addition to the mandated works we also managed, in our spare time, to fit in the following works:

- Painting of exterior and interior of club
- Refurbishment of the vanities, basins and cisterns throughout the bathrooms
- Installation of air conditioning to the Senior members lounge
- Refurbishment of the Kiosk
- Refurbishment of the gymnasium
- Replacement of bunks to Australian Standards

DIRECTOR OF FACILITIES *continued*

Replacement of caretakers oven plus installation of range hood and canopy with external venting

Dulux kindly donated 100 litres of paint towards the painting of the exterior the club and thanks to the gentle persuasions of our Club Secretary – added a further 200 litres towards this donation. All in approximately 400 litres were used to complete the exterior alone.

On the back of our insurance claim for storm damage caused by the leaking roof it was possible to replace ALL of the carpets through the entire clubhouse including the SML, Bunkhouse, main hall and gymnasium.

Thanks to the Volunteer working groups from Fords, Bunnings, Torquay College and some life members, we are able to have a massive spring clean co-ordinated and overseen by Lisa Taitapanui which saw:

- Replacement of the carpet tiles in the gym, the painting of the walls and the reinstatement of all of the equipment
- The resurfacing and reshelving of the cellar
- The repainting of windows on the deck
- The restaining of deck
- The minor repairs to display cabinets in the main hall etc

Works which are continuing as this report is being prepared include:

- Conversion of the junior members lounge to a formal meeting room
- Refalling and retiling of the mens shower area to enable adequate drainage
- Retiling of the ladies showers and installation of privacy screens and change cubicles

The biggest challenge facing us from a facilities perspective remains the finalization of the requirements for a fire hydrant solution and the raising of funding to cover this. These works include the installation of 80,000l water tanks, pressure pumps, hydrant hosing, replacement of retaining walls etc. The overall cost of these works is likely to exceed $0.4 million. Discussions and lobbying on this issue continue with various parties and negotiations for government funding is currently being undertaken.

Throughout this season a number of people have been instrumental in facilitating release of government funding, co-ordinating working groups, managing on-site contractors, etc – these include Lisa Taitapanui, Noel Dubberley, David Nankervis , Anna Devonish and Ian Turner.

Clubhouse
Getting a work over

Fundraising Director Carolyn Biram

The fundraising season started early and strong with a successful trivia night held in September, raising over $5000. Over 100 people attended and it was fantastic to see club members and non club members turn out to show their support. The night also received a phenomenal amount of support from our local community, with many businesses offering goods and services and I would like to thank each of those businesses for their support.

The purchase of the coffee machine enabled us to kick of Sunday morning post training breakfast with style. We had a variety of food on offer and after a few weeks, we had our own local non club member regulars, which was great to see.

The kiosk was the great success of the season. The renovation and opening in December would not have been possible without the assistance my husband, who gutted, painted, laid lino and installed new benches and equipment all without pay, so thank you. Michele Ryan kept us stocked up with amazing food before long we had a reputation around the caravan park as the place to go for lunch. Coffee was again enormously popular and reinforced that the purchase of the coffee machine was a wise investment.

Michele also worked her magic in the upstairs dining room for meal nights over January, including parmi night and calamari night, which provided us the opportunity to increase our bar sales. In addition, she assisted us by catering other private functions held at the club. I personally would like to thank Michele for all of the volunteer hours she put in this season as much of her work went unpaid.

Unfortunately, we were reduced to holding only one highway collection this season, as our second collection had to be cancelled due to being booked on the same day as a senior carnival. This was disappointing but unavoidable as these events require booking some twelve months in advance, and prior to the release of the event calendar. The boat section again coordinated the Geelong area whilst the senior competition team managed the Torquay area. I must thank Bryan Thomas, Noel Dubberley and Rod Costa for their assistance.

Havaianna day was again hosted by the club and I had the pleasure of being involved in this absolutely awesome day. The entire event was relocated to Cosy Corner, which in itself was logistically challenging. This is an event that that absolutely requires every club member to play their part, and it was great to see this happen. David Nankervis and his team do an incredible job at managing the most important aspect of this event, keeping everyone safe and I personally could not have played my part without David's support, so thank you.

We held two tin rattles at IGA and Safeway as well as two Bunnings and one Woolworths barbeque. The annual door knock was disappointing and down on previous years takings. It was held over a full week, however many collectors reported difficulties in finding households at home. It was also difficult recruiting collectors and as a result, our ability to fundraiser successfully was impacted.

My sincere gratitude and thanks must go to the committee members who supported and encouraged my efforts during this challenging season. This is a role that cannot be done without the hands on support of members of the club. To those who rolled up their sleeves and provided that support, I thank you. To those who did not, there is always next year!

Cheers Carolyn

The Jack Harris Trust

Many reading this Annual Report would have already read or heard of the history of the establishment of the Jack Harris Trust. To those I apologise although there is good news given the amount donated by the Trust to the Club over those many, many years. To those who are not familiar with the history, Jack Harris was a Digger who lived most of his life at Torquay. He was a familiar face at the RSL and was particularly close to the Pettigrove and the Doyle families, both well known names in Torquay and within the Club. When Jack passed away he left his Estate to his Executors, one of who was Peter Doyle and the other was his sister, with a general bequest that it be used for "charitable purposes". The Executors in exercising their discretion gave money to Barwon Health and also made a donation to the Torquay Surf Life Saving Club.

In the early days the donation did not seem large in dollar terms because unfortunately prior to his death Jack had most of his money invested in Pyramid (enough said). Fortunately, however, over time Pyramid paid dividends and as a consequence Jack's Estate received a significant injection of funds over time. Part of this money was again shared with Barwon Health and with the Surf Club. Peter Doyle and the administration at the time decided to use the good fortune of Jack's donation to establish what is now **The Torquay Surf Life Saving Club (Jack Harris) Trust**. The sole purpose of that Trust is that the income generated by the investment of Jack's money and further donations to the Trust and only the income, not the capital, is to be used to fund core lifesaving activities.

Since its establishment the capital of the Trust has grown, with further donations from approx $75,000.00 to its current capital value $190,000.00. Just as importantly over that time the Trust has donated $104,019.78 to the Club for the purchase of equipment as diverse as Rescue Boards, IRB Motors, Radios, First Aid equipment and perhaps the largest single purchase, the All Terrain Vehicle seen on the beach giving support to the lifesavers. For the Trust to continue its activities it is still reliant on donations and the history of those donations can be seen on the Donor Board just outside the administration office near the main entrance to the club house. .

Jack Harris Trust continued

The Trustees have made a conscious decision to not accept a donation of less than $10,000.00. This was partly for administrative purposes but the Trustees were also conscious that they did not want to divert smaller donations equally important to the Club away from the Club.

As it turned out, a situation arose some 12 to 18 months ago when the Trustees were approached regarding a smaller donation. After much discussion and soul searching, it was decided to maintain the limitation, but at the same time, and I am happy to report, that the donation has been accommodated elsewhere and equally to the benefit of the Club and satisfaction of the Donor.

Recently the Trustees were pleased and proud to welcome to the Board of Trustees the first female Trustee in Marion Lowe. Even in the short time, Marion has been a valuable contributor to the discussions and decisions of the Trust and brings to the Trustees another dimension and view point in keeping with the diverse membership within the Club both in respect to gender and age.

If you wish to discuss making a donation to the Trust either in the short term or as some have done, through their Estate upon their death, please do not hesitate to contact me or any of the Trustees whose names appear below.

Trustees Peter Doyle , Peter Robinson, Marion Lowe, Stan Goulding, Lindsay Newstead David Shaw, Simon Strahan, Ian Turner

Jack Harris Trustees Members Simon Strahan Lindsay Newstead, Ian Turner and Peter Doyle with this years donation of Rescue Boards for nippers and bronze training

At the July 2012 Annual General Meeting, Anthony King was elected a Life Member of the Torquay Surf Life Saving Club. This honour, the highest our club can award was bestowed on Tony in recognition of his outstanding service during his long association with Torquay.

The following details are but a brief outline of this service.

Tony joined the club in January 1974, gained his bronze February 1974, Instructors Certificate 1978 and is now in his 39th year as a member. For the vast majority of these years he was involved in all aspects of surf boat competition from the first three years as a member of the "B" boat crew 1974-1977 then 25 years as a boat sweep in all grades including female crew and Masters.

As a rower he was a member of the "B" boat, 1st Vic. Champs 75/76 then 2nd 76/77. was sweep 1st Vic. Champs 78/79, 3rd 80/81 - 1st Vic. Champs "C" crew 82/83, 2nd 84/85—1st 86/87, 2nd surf boat relay 08/09. During many of those years Tony carted crews around Australia to compete in Australian "A" & "B" surf boat championships, a variety of boat marathons, Nutri-Grain, Red Rooster and Navy Series. His crew won the "Red Rooster Boat Series 05/06. He competed at a total of 28 Victorian Championships and 20 Australian Championships, and competed 29 seasons as an active, senior active and long service patrol member.

Tony served 10 years as Boat Captain, 1 term as Gear Steward, 1 term as vice President and 5 terms on the Associate Committee. He was awarded the Best Clubman Trophy 2003/04 and in 2009 in recognition of his service to the sport of Surf Boat Competition he was elected a Life Member of the Victorian Boat Rowers Association. A fine full career by a loyal, dedicated member of the Torquay Surf Life Saving Club.

Congratulations Tony on a well deserved honour

The club is pleased to recognise the following members on having completed 40—50—60 years of membership during the 2012/2013 season.

40 years	Janice King	1st December 2012
50 years	David Marshall	11th December 2012
	Adrian McKenzie	7th January 2013
60 years	Ken Pollard OAM	30th November 2012
	William Luscombe	4th December 2012
	Michael Hayden	26th December 2012

Vale

It is with deep regret that we record the death during the season under review of the following members:-

DESMOND COUCH Passed away 12TH October 2012, was a member of the club for 59 years. Member "A" Boat crew for Australian and International Carnival 1956

VALERIE GOULDING Passed away 4th February 2013. Long serving member of the Ladies Auxiliary for over 30 years, involved in a wide variety of club fundraising activities which helped raise thousands of dollars for furnishings and Life Saving equipment, whilst providing great fun and frivolity for us all. A wonderful worker admired by members both young and old.

60 Year Long Service Medal Presentation

During December 2012, a reception was held in the clubhouse to honour three club Life Members who have all given our club 60 years of continuous membership.
The three Michael Hayden, William (Bill) Luscombe and Ken Pollard OAM, have served our club with distinction as patrolling beach lifesavers, competitors and club administrators during this 60 year period.
The following details outline briefly each man's service to the club.

Michael (Mick) Hayden

"Mick" joined as a cadet in December 1952, gained his surf bronze in January 1955 and his Instructor's Certificate during season 1958/59. During his years as a junior competitor he was a strong swimmer and capable R & R member.
In 1956 he turned his talents to ski paddling and, with his brother John formed a double ski combination which proved to be one of the most skilled and strongest ever to compete for Torquay or Victoria.
With John he competed at a total of 17 Victorian & Australian championships with a most creditable performance , winner of club double ski title 8 times, Victorian double ski title 9 times interstate double ski title 3 times, placed in the same event twice, placed third 3 times in the Australian double ski title. He also won the club single ski title 3 times, Victorian single ski title in 1961/62, was a member of 2 championship Victorian single ski teams and was third in an interstate single ski championship at Collaroy, NSW in 1963/64. "Mick" was also a member of the Victorian State team to compete at Cronulla in 1967/68.
He has held the position of Club Registrar (6terms), Vice President (5 terms), giving a total of 11 years as a club official. "Mick" was most active as chairman of fundraising during the rebuilding of the clubhouse during 1970/72.
In recognition of bravery displayed for his part in the rescue of the Torquay boat crew during Easter 1965, when the crew were left clinging to their upturned boat more than 750meters off shore, lashed by gale force winds and pounded by mountainous treacherous surf, Mick was awarded a Letter of Commendation by State Centre (now LSV).
In June 1981 he was elected a Life Member of Torquay SLSC in acknowledgement of the outstanding service he had given to the club over an extended period.

William (Bill) Luscombe

Bill joined the club in December 1952, gained his surf bronze in April 1953 and his Instructor's Certificate in March 1963. One of the original "Albert Parkers", Bill competed in 16ft long board events switched to ski in 1955 and for the next 10 years was one of the State's top paddlers. With partner Peter Duffin he won 4 club double ski titles 1956/60, 2 Victoria double ski titles1959/60 and 1963/64 (this one with E.Hogan) won the interstate title in 1959/60. Bill was placed 4th in the Australian single ski in Perth in 1958, 2nd in the Interstate title at Collaroy 1964 and won the Victorian single ski in 1960. The tussles Bill and "Daffy" had with the Hayden brothers during this period were memorable.

Bill Luscombe 60 year continued

During the majority of his competitive years, Bill held responsible committee positions, General Committee 1956/57, Board and Ski Captain (4 terms) 1957/61, club Vice Captain (3 terms) 1961/64, Honorary Secretary (4 terms) 1964/68, Vice President (6 terms), Bill had been Chairman of the Building Sub-Committee from 1966, a position he held to the end of 1974. His magnificent dedication and the heavy workload he carried during the rebuilding of the surf club after the original building was destroyed by fire in July 1970, was an inspiration to all those involved at the time.

Bill is one of our most decorated lifesavers, being awarded the John Wishart Memorial Medal in season 1963/64 and a Letter of Commendation for bravery displayed during the rescue of the Torquay boat crew at Easter 1965. For outstanding service to the Torquay SLSC over many years, Bill was elevated to Life Membership in August 1968.

Ken Pollard OAM

Ken joined the club during the 1952/53 season, gaining his surf bronze in April 1953 and his Instructor's Certificate more recently. Ken's early days had been spent as a member of the bayside Royal Life Saving Society Club Albert Park Life Saving Club and joining Torquay coincided with an influx of other "Albert Parkers" as Ken and his mates were to become known in surf circles.
Not surprisingly, having been introduced into the club by champion board paddler Rex (China) Gilbert, Ken (Chooks-Food) Pollard was soon to be found in regular long board competition, his weekends at Torquay and at carnivals being solidly backed by many hours of mid-wee training on the bay and on Albert Park lake. Ken's forte was the 16ft surf board and he competed creditably, his efforts culminating in his .winning the Victorian State Championship in 1956/57 and 1957/58. He was also club 16ft Board champion in 1959/60
Ken showed early interest in the club's administration and was a member of the General Committee from 1957/58 for 18 years, simultaneously from 1961/62 he became a delegate to State Centre and represented the club on many occasions over a period of eight years. His liking for a taste of history and the tales of old surf men found him occupying the position of club historian in 1965/65 a position he still holds to this day. He also annexed the position of Honorary Registrar in January 1968 stepping down at the end of 1995/96 season (28years).
Ken's backroom research, recording and writings have proven most valuable to the club and few will not have enjoyed his regular *"archives"* series of notable men and events which keep popping up in our club magazine, and which have helped to immortalise those among us who have contributed so fully to Torquay and what it stands for.

Ken Pollard 60 year member continued

Those of us on committee are of course, also well aware of the strength Ken has given in his sub-committee participation, particularly on the Judiciary and Meritorious Awards Committee, and consider his Life membership a fitting honour to his service to the club over many years.

Since the article written by Ken's mate Bill Luscombe for the Annual Report 1972/73, when he was elevated to Life Membership in 1972, Ken has continued to serve this club for a further 40 years , assistant Chief Instructor 1973/74– 1974/75, Vice president 1985/86, Surf, Sun & sand editor (3 terms) 1988/89. He still retains the position of Honorary Historian now in his 48th season.

In his role as Club Historian, Ken researched then was author of the club's history book "The First Fifty Years" released to wide acclaim in August 1996. With over 170 pages, 220 photos the book graphically records the club achievements through the first fifty years since foundation 1945/1995I

In the Queen's Honours List June 2009 Ken was awarded the "Medal of the Order of Australia Citation" reading, for service to the community through the Torquay Surf Life Saving Club, an honour of major proportions bringing credit to Ken, his club and to Surf Life Saving in Victoria.

Kelly Slater with the Patrol at the Easter Bells Event

Meritorious Awards for Rescue of Torquay SLSC Surf Boat Crew

1965	Owen Yateman	Certificate of Merit
	John Ainsworth	Certificate of Merit
1965	Ron Hussey	Letter of Commendation

FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2013

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF TORQUAY SURF LIFE SAVING CLUB INC

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Torquay Surf Life Saving Club Inc, which comprises the statement of financial position as at 30 April 2013, the statement of comprehensive income and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of Torquay Surf Life Saving Club Inc is responsible for the preparation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Reforms Act 2012 (Vic) and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the board has determined is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the board, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Qualification

It is not practical for the Torquay Surf Life Saving Club Inc to maintain an effective system of internal control over cash receipts until their initial entry in the accounting records. Accordingly, our audit in relation to cash receipts was limited to amounts recorded.

Qualified Audit Opinion

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the financial report gives a true and fair view of the financial position of Torquay Surf Life Saving Club Inc as at 30 April 2013, and its financial performance and its cash flows for the year then ended in accordance with the financial reporting requirements of the Associations Incorporation Reforms Act 2012 (Vic).

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the Torquay Surf Life Saving Club Inc to meet the requirements of the Associations Incorporation Reforms Act 2012 (Vic). As a result, the financial report may not be suitable for another purpose.

Stephen Wight
Director

Dated this 27th day of May, 2013.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (Victoria). The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following specific accounting policy is consistent with the previous period unless otherwise stated and has been adopted in the preparation of this financial report.

(a) FIXED ASSETS

Property plant and equipment are included at their cost of acquisition or valuation. Assets are depreciated over their estimated useful life to the Club on a diminishing value basis. The following rates of depreciation are applied to Property, Plant and Equipment.

Class of Asset	Depreciation Method	Depreciation Rates
Plant and Equipment	Prime Cost	10%-40%
Buildings	Prime Cost	2.00%

(b) CASH

For the purposes of the Statement of Cash Flows, cash includes cash on hand, at Banks and on deposit.

(c) REVENUE

Revenue from the sale of goods is recognised upon the delivery of goods to customers. Membership revenue is recognised on a proportional basis based on the period of membership.

(d) INVENTORIES

Inventories are valued at lower of cost and net realisable value.

(e) GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expenses. Receivables and payables in the statement of financial position are shown inclusive of GST.
