President Noel DUBBERLEY

Hello to all Life members, Nippers, Seniors and Associates. An amazing season in the Clubs history is coming to a close with some very memorable events passing. The Clubs 70th Anniversary was a sellout event with many old friends from interstate and locally telling tall tales of days gone by.

January saw the Torquay Surf Club hosting the SLSA Interstate Competition with representatives from our Club in the Victorian team. The next day was the largest Jim Wall Ironman challenge held at the Club with over 260 entries. An amazing weekend with our Club showing the country our hospitality and that we lead the way in hosting events.

Our patrols this season as always have been impressive and thankfully generally uneventful. I believe this to be from good leadership by our Club Captain and Director of Life Saving educating our patrolling members to be vigilant in preventative actions. It is much better to be proactive than reactive in preventing rescues. I urge all members to continue the good work and consider upgrading their awards.

The Competition sections of the Club have been outstanding as usual with many medals and pennants taken home during the season. Congratulations to all those Nippers, Seniors and Boaties for your dedication in representing yourselves and the Club.

I take this opportunity to thank all those who have helped this past season beyond their responsibilities as member. From the water safety and Age Managers, work parties at all events, kitchen helpers, Coaches, tent carriers and all those I have missed. To our Sponsors who without the doors would not be open a huge thank you. The current AGM will see my completion of 5 years on the Club Committee and personally could not be more proud. The Committee deserves recognition for a season well done I and thank them all.

Club Captain – Tony WHITE

The job description for Club Captain was pretty vague and seemed to cover making sure our gear worked and we kept our contract with LSV as well as being some sort of shop steward for all the different sections of the club. I am happy to report that if I managed to succeed at all three as much as I have enjoyed having a crack at them, I will be satisfied with the outcome.

Our Club competes for attention and funds with another 37,241 registered charities across the country and dozens of sporting and other clubs here in Torquay - so of course we must evolve and be better than we were last year and the year before, but we also need to be better than our real competitors. It means change will be the only constant and what we did ten years ago won't work today and what we do today won't work in ten years time.

We started the year with a new committee who mostly started with nothing; as there was little if any hand over of key club records or information from some of the key previous office bearers. On top of that we were faced with a significant membership decline that cannot be turned around overnight, no matter how good the new committee is. Nevertheless the goodwill shown by all members of the committee to the club and to each other has meant we have made some significant strides in being an open, accountable and transparent club into the future. We can't be afraid of criticism, we can't be afraid of internal and external scrutiny and we can't lose sight of the fact that we are a club made up of people and election to the committee doesn't carry glory, only responsibility. I think all committee members approached the task this year with this attitude and it has made the task all the more enjoyable.

This year it became apparent early on that we have a significant skills deficit across the board. I took on the patrol roster, all 15 versions of it and that freed up Mick Hannan, who is probably one of the best trainers ever at the club to deliver training programs. We have had hiccups wading through the swamp of paperwork that these courses require but at the end of the day we delivered dozens of qualifications in IRB, Advanced Resuscitation, Spinal Management, Bronze, SRC, and Trainers and Assessors. There will be people walking around

above the ground in the future because of the training that our club and in particular Mick Hannan, Dr Bill Johnson and Keith Millar delivered this season.

Perhaps the best thing about the training was the widespread source of participants - boaties, competitors, juniors and nipper parents all had a crack as they all did in helping out with gear inspections, working bees and fund raising. As a result we didn't default on a single patrol and we are so much better placed going into the next season.

I must make mention of two groups of people at this stage – firstly the young men and women who would get up at 630 am on a Sunday in the eastern suburbs of Melbourne to catch public transport to Torquay to train for their IRB licenses – thank you all of you and may your parents excuse the effect on your VCE results. I would also like to thank Jackson McCaffrey and Rod Costa who were "black birded" into helping me out with the gear inspection – if it wasn't for those two we would have been in serious strife at the business end of the season.

Next year we will have more drivers, crew, resuscitators and swimmers but we will still need more. We occupy a prime site with some fantastic facilities on crown land but we only get to do so because we are a lifesaving organization. Our administration is in the best shape it has been since I joined the club and we are well placed to grow, but if we lose site of the lifesaving we won't get to do all the other fun stuff. We can all play a part in delivering both.

Finally I would like to acknowledge the work of Scott Tannahill, winner of this year's Club Captain's Award. There were many people who did not support Scott transferring to our club and I was one of them. But Scott came here with something to prove and he has done so. I will leave his coaching effort in the boat section for others to talk about and his national performances speak for themselves, but his commitment to patrolling, skills and training and willingness to help anywhere when asked has been literally second to none. We would be blessed to have more like him.

Thanks again to all who helped out and see you next season.

Director of Lifesaving – Michael HANNAN

Well the 2015/16 season has finally came to an end. This season ran an extra two extra weeks than in past seasons.

This is now the time for reflection on the past season to examine the highs and lows that has been experienced by the Club, Patrolling Members, and the overall service provided to the beach going community. Part of this reflection is to explore ways to improve our delivery to the public and our active members.

The highs of the season has been the ability to provide quality qualified members for patrols for all regular week-end patrols as well as competition patrols along with ad-hoc requests for assistance at functions. The running of several SRC / Bronze camps, along with ATRC, Spinal, IRB Driver and Crew courses and Cert IV Workplace Training & Assessing. The attendance at these courses bode well for the club moving forward. Along with that these courses would not have been available if the appropriately qualified club members did not step and offered their time to assist in the running of these courses when asked.

The lows of the season has been the number of 'Active members' compared to those who actually patrolled. This continues to be problem. That LSV won't allow courses to be done 'On-Line'. An example of this is that it would be a lot easier if the SRC/Bronze paperwork required by LSV could all be done electronically, this could be used in conjunction with the normal instruction given instructors. The 'Requals', having these done on a Sunday caused unnecessary logistical problems for the club. By this I mean that they was not enough resources to facilitate members who wished to re qual, members who were completing parent Bronze and the annual Bronze Camp.

I personally like to thank the following people in no particular order who have helped me along my journey as Director of Life Saving, The current board, Bill Johnson, Keith Millar, Mary Hannan, Penny Altman, Alan Dell, Anna Devonish, Riley Harman, Isaac Lim, Peter Doyle. A special thanks must be singled out to Tony White who without his support would have made my task impossible.

TSLSC Foundation Launched

Over the last twelve months, the Board, with the assistance of Coulter Roache Lawyers, have been busy establishing a new foundation to support, raise funds for and administer donations to the Torquay Surf Life Saving Club Inc. ("the Club).

After much consideration, we decided to establish a new Incorporated Association known as the "Torquay Surf Life Saving Club Foundation Inc." ("The Foundation"). The Foundation runs independently to the Club and is governed by its own set of rules. An Incorporated Association was an attractive and familiar structure for the Foundation to adopt as it is the same structure as the Club and is affordable to establish and operate.

The purposes of the Foundation are set out in the rules of the Foundation and these include to:

1. Fundraise from the public and apply donations solely for the purpose of the Club or otherwise administer donations;

2. Act on behalf of and represent the interest of the Members and Lifesavers;
3. Use and protect the Intellectual Property of the Club;
4. To further the interest of lifesaving in Torquay and elsewhere as necessary;
5. Adopt and implement appropriate policies for issues that may arise in lifesaving;
6. Have regard to the public interest in its operations; and
7. To do all things necessary to achieve these objects.

On 11 December 2015, the commencing members of the Foundation held their very first meeting, whereby the rules of the Foundation were accepted and the following Committee Members were appointed:

President:	Noel Dubberley
Treasurer:	Tiffany Quinlan
Vice President:	Paul Delandre

Secretary: Martin Reid
Ordinary Members: Serrin Vernon, Rod Costa

The Foundation then became incorporated with Consumer Affairs on 8 January 2016 and is now fully operational.

Any person who supports the purposes of the Foundation is eligible for membership and we encourage anyone wishing to apply to submit a written application to a Committee Member stating that you wish to become a member, you support the Foundation's purposes and you agree to comply with the Foundation's rules.

The Foundation has been kicked started with a donation of $25,000 so is up and running.

For further information about the new Foundation, please speak to one of the Committee Members.

70th Celebration Report

A small Sub-Committee chaired by Life member Sharon Heathcote with Ed Beacham, Peter Quinlan, Kerrie White, Karen Tweeddale & Rod Costa was formed to organise a 70th Anniversary Dinner for our Club. They met on 12 occasions and Sharon rand it like clockwork.

On Sat 14th Nov a full house of 280 past and present members attended the function held at the RACV Torquay which was booked out 3 months prior and included a 3 coarse meal and trio of speeches celebrating a most significant milestone of our club.

The Torquay SLSC was the first surf club in Victoria to be affiliated with Surf Lifesaving Australia. This took place in February 1946. From a humble beginning in December 1945 when a group of surf loving individuals set in motion a proposal to form a surf club, the Torquay SLSC has come a long way.

During the past seventy years we have rigidly adhered to maintaining the Aims and Objectives laid down at our formation and the principal reason for our continued existence.

- To guard the Surf Beach with regular patrols
- To ensure the prevention of death by drowning of all surf bathers
- To administer first aid where needed.
- To at all times watch over the safety of all people on the beach.

Subsequently there have been 1844 recorded rescues, more than 3500 cases of first aid treatment (many more unrecorded) and a membership of almost 1000.
The evening opened with pre dinner drinks in the foyer followed by Toasts to the milestone and to the wealth of fine administrators, past and present.

The Master of Ceremonies was Club Captain, Tony White. Speaker for the first 50 years was Ken Pollard OAM, followed by the years 1996-2006 former Club Captain David Strahan and the years 2008-present Ash Dubberley.

Torquay SLSC looks forward; with confidence to maintaining their fine record of “Vigilance and Service” well into the future.

A DVD prepared by Phil Conquest and later edited by Advertising Associates Dennis Carty was played and the song by Tina Turner “Simply the Best” summed up our great club over the last 70 years.
Our club is once again in a position to move forward:

Everybody needs to be involved as there is no better time than now.
The infrastructure is sound. The seeds are planted. The Directors are behind us all. Training numbers are once again high. Patrols are in place.
The club is vibrant and has a great feel once more.
Just as Tina sang it, “Better than all the Rest.”

Competition Director - Bryan THOMAS

Another year of competition has come and gone with some fantastic results throughout the season and at State and National level.

At the start of the year the club appointed Heath Richards to the position of head coach. Heath came to us from South Australia and has himself had a very successful career in the sport across all disciplines. Heath has bought to the club a fresh face that was totally new to the club and to its competitors.

Grant Matthews also jumped at the opportunity to take on a position and certainly added a very charismatic view and approach to this position. It wasn't long before Grant had the U15 boys throwing sand into the water before a race as an offering to the Surf Gods, much to the official's surprise!!
I would also like to thank Bryan Hayden for his reliable assistance with supervising those competitors who wished to do that little extra and train early in the mornings and to John Mercer for his assistance with the development of our young Ski paddlers.

This seasons highlights for Torquay as a club would have to be the success of the Interstate Championships and the Jim Wall Ironman. I feel that both of these events not only showcased the Torquay club and its beach, but also what a fantastic membership base we have and how as a club we can get things done.

We only had a small competition section this year but if you take the time to look at the results listed later in my report you will see that we should be proud of those who not only medalled but to all those who competed for Torquay during the season.

I personally would like to thank all the competitors and families for assistance across all areas associated with the competition section as your enthusiasm and involvement makes my position a lot easier.

I would also like to thank all the older members of the club who continually put their hand up and take on the role of Officials at the carnivals, these can be very long and at times trying days in tough conditions.

To our IRB section, a very special thank you for your continued support of the competition group, without your support we would not be able to race. Finally I would like to thank Noel and the committee for their trust and continued support towards what I have tried to achieve and to offer to the competitors throughout the season in my role as Competition Director.

Thank you again for another season.

Junior Development Director - Paul SCHRAM

What a season we had over the last six months for the TSLSC Nippers.

As this was my first season as director I went into this year with one goal. To hopefully achieve at the end of the Summer Holiday Program and Competition Season, a successful and growing section within the TSLSC.

I am not alone when I say that this goal was achieved and surpassed.

The success of the Summer Holiday Program was outstanding. We had a large number of new families joining us for the first time with large numbers in the lower age groups of the Nipper section. This of course is extremely encouraging as these new nippers and their families are the future of the TSLSC. Without them we have no future and our beaches will not be patrolled by competent young life savers.

Most other age groups were consistent in their numbers to last season which again is an encouraging sign as retention is a major factor within our section of the club. I must thank all returning families to the TSLSC for this season. By returning to your club, it shows that we as a section and club are running a program that you see has value to the development of your children as they grow within this coastal environment that we all love and respect.

Following on from the Summer Holiday Program we had of course our competition season. This is always a fantastic part of the TSLSC Nipper program as the nippers get a chance to put their new lifesaving skills to the test in a competitions from running, board rescues, board races, swimming events and iron.

Our nippers competed in 5 regional competitions, the regional qualifier and finished with the Victorian Junior Lifesaving Championships. Over these 7 competitions our nippers all competed and represented the TSLSC with poise and grace to not only their own club but to all competing clubs. I am extremely proud of the way each and every competing member of the TSLSC undertook each event- they all did not win or even place but competing for your club, doing your very best for your club and supporting your team mates is far more important. To this end, I thank and congratulate all of you.

It would be remiss of me to not mention results achieved at the final event- The Victorian Junior Championships held in Warrnambool this March. Listed below are finals competed in for each age group. This is an exceptional result on its own and all nippers who competed in a final should take away the fact that they all achieved something very special.

Age Group Final Appearances achieving a top 6 result.
Some events had multiple Torquay participants who placed outside the top 6 which again is a fantastic result.
U9- 10 finals
U10- 6 Finals
U11- 1 Final
U12- 3 Finals
U13- 3 Finals
U14- 10 Finals

Following on from the Junior State Championships, Archie Vernon and Jayden Schram (both U14) competed in the U15 age group at the Senior Victorian State Championships where Archie and Jayden bought home a Silver in the Board Rescue, Archie placed 4th in the board final, 5th in the Iron, Jayden also placed 4th in the Iron and competed in the board final. Both of these efforts were fantastic results.

Archie and Jayden also went up to the Aussie Titles in Maroochydore to again compete against the best surf lifesaving athletes in the country. Both Archie and Jayden achieved a huge result for themselves and The TSLSC by competing in a national final each. Archie in the swim and Jayden in the board.

The results achieved by all TSLSC Nippers this season should all be celebrated. It has been a fantastic year full of fun, highs, lows, laughs and tears. All signs that our Nipper Section is a strong a vibrant part of The TSLSC.

All of our success through the Summer Holiday Program and the Competition Season comes down to a number of people and groups within the Nipper Section.

Firstly the Nipper Sub-Committee and the Age Managers. Without these two groups of people, we would not be able to run our program or give the support necessary to the nippers. I thank each and every one of you for making yourselves available for the nippers this season.

Secondly it is the vital Water Safety Team. As always, you have allowed our water programs to run, offered your services to allow the competition teams to compete at carnivals and above all offered all of our nippers a safe haven in the water. The encouragement you give all the nippers in the water is simply outstanding. I applaud each and every one of you.

Finally I wish to thank all of the parents of the Nippers. Your assistance in BBQ, fundraising, packing up and general assistance to the Sub-Committee and myself has been fantastic. Thank you.

On a personal note I wish to thank you all for taking part and putting faith in the club I love. Thank you for joining The TSLSC Nipper Family. I hope you have all had as much fun as I have this season. We have got big plans for the coming season of 2016/17 so look forward to another epic Nipper Season.

Boat Captain - Jackson MCCAFFREY

A season of hard work on and off the water has paid dividends for the whole of the boat section with some outstanding results and the makings of a positive and sustainable culture within the section and the club. With the experience of senior sweeps Scott Tannahill and Brett Mazouris working with the elite competitors and the development of new sweeps Jackson Costa and myself working with developing junior competitors, the future of the club's boat section is looking extremely bright.

8 crews competed for Torquay at various carnivals throughout the season, with some impressive statistics both locally and interstate. Locally, Torquay lead the competition all season, in particular at the championship events. At the Victorian Surf Rowers League (VSRL) Open in February Torquay came home with Gold in 4 out of the 6 divisions (Open Men, Open Women, Under 23 Men, Under 19) along with 2 Silver (Open Women, Under 19) and one Bronze (Under 23 Men). At the Victorian Championships in March Torquay came home with Gold in 4 out of the 7 divisions (Open Women, Under 23 Men, Under 19, Surf Boat Relay) along with 2 Silver (Open Women, Reserve Grade). A special mention must go to our Under 19 "Pirates" who not only won their own division but also won Under 23 Men and placed a very close 2nd in Reserve Grade. Torquay also represented Victoria at the Interstate Championships in Open Men, Open Women and Under 19, along with the honour of having Torquay rower Jess Kelleher selected as Victorian Surf Boat Captain. I was also lucky enough to be asked to be Vice-Boat Manager for Victoria, something I was very honoured to receive. In the club's 65+ years of competing in surf boats we have never been so dominant in Victorian competition.

This season, our rowers also made Torquay a household name throughout the country. Our "Lightning" Open Women crew were selected to represent Australia in the Trans-Tasman Test Series against New Zealand, where they dominated the Kiwi's 3-0 and along with the Australian Men's team (from Mona Vale) won the Trans-Tasman Cup for Australia. This is first time a Torquay surf boat crew has represented Australia, with John Russell being the only other individual boat rower from Torquay to have the honour to wear the green and gold. At the inaugural Australian Short Course Championships in January the "French Toast" Open Women took home Bronze in tough conditions. At the Australian Surf Rowers League (ASRL) Open the "Thunder"

Open Men impressively won Gold for Torquay, the first in that division in the club's history. The Open Women "Lightning" and the Under 19 "Pirates" also made their respective finals, both finishing in 4th place. At the Australian Championships the experience of the "French Toast" Open Women paid dividends as they made it 2 Australian Finals in as many years, finishing in 6th. The "Pirates" and the "Thunder" made it to the Semi Finals (Top 12) and the "Lightning" made it to the Quarter Finals (Top 16).

With the help of our generous sponsors two new boats have been added to our fleet this season. These boats were christened the "Sharon Heathcote" and the "Brian Millman" after two prominent club members who have made a significant impact to Torquay Surf Life Saving Club. The "Sharon Heathcote" was rowed to victory in the Victorian Championships by our "French Toast" Open Women with Sharon watching on proudly from the beach. At the Australian Championships Sharon watched on from above as the "French Toast" girls rowed her boat into an Australian Final. Both boats will serve the club well for many years to come.

Off the water the crews were supported by the tireless efforts of many boat section members, ensuring crews knew when they were racing and lifting boats on carnival days, raising funds for equipment and towing boats around the country. A special thanks must go to Rod Costa, Stephen Nelson, Ed Beacham, John Russell, Brian Millman, Geoff French and Bill Booth who all contributed to the success of the boat section this season.

Finally, as always, a massive thank you from all the boat section competitors to our officials Tony King, Brian Millman, Stephen Nelson, Geoff French and Rod Costa who regularly made it possible for us to compete at carnivals.

Director of Facilities - Ken GODFREY

Major works are required as previously mentioned throughout the club, but lack of funding does not allow us to proceed. Window replacements are becoming urgent again as previously mentioned, estimates to date have the cost of these works in the vicinity of $50k plus.

The Federal grant allowed us to install 60+ solar panels which effectively frees up part funding currently being spent on electricity. Our first aid room has had new linoleum installed to floor thus getting rid of carpeted section in front of the sink which was very unhygienic.

Broken windows to upstairs ladies toilets have been replaced also a new window has been installed to kitchen storage area, and sun protecting film has been added to kitchen window. Kitchen stove has been replaced with a new Waldorf Convection Oven, 6 burner range costing over $9000.

New toilet partitions for the downstairs Men & Ladies toilets have been ordered from Laminex and should be installed before the AGM it also includes a new toilet door to the Men's area of the main hall.

New bollards have been installed at the bottom of driveway ramp to replace old materials. New materials donated by Ed Beacham and constructed by Ken Munro a man of many talents.

It is good to see our back yard new lawn area progressing well thanks to Damien Horan and many helpers. Ben Spargo removed all the old concrete foundations from this area. The old clock has been restored thanks to Ben Dubberley who found a broken wire which was the problem the new donated clock at this stage is in storage.

Olympic Honour Board has been upgraded to include additional Olympians of our Club.

Septic tank repairs have been carried out and new pumps were required, insurance claim for replacement pumps is being investigated , it has been declined but TSLSC have been advised that it will be reviewed by insurance broker and TSLSC will be advised accordingly.

Marketing Director – Sid TASS

Starting a new role always creates a level of excitement and anticipation, and this is exactly what I felt entering the year as the Clubs new Marketing Director. There was much to do, not the least making fresh contact with our existing Sponsors / Partners and establishing what was important to them in their relationship with our Club.

In addition to sponsors, I have met with many members of the Club and the Community to gain an understanding of what this Club means to them. The big question for me was about how we remain relevant to all of the Club's stakeholders both now and into the future.

To this end, I have established a Sub Committee of interested Stakeholders for support to build the Club's Marketing Plan that will hopefully seize on the many opportunities available to us. The plan will help us prioritize our activities to ensure we not only focus on our primary objectives around beach safety but also engage our community to ensure we remain a relevant & growing Club.

The process has been very exciting, capturing the imagination of all involved and will provide an opportunity to not only "Re-launch" the Torquay SLSC brand but also to build on the significant past history of this great Club.

In summary, it's a "Watch this Space" position as we start to tie together the many elements that fall under the Marketing banner, with the only limit being the level of support on offer from the many and varied stakeholders on this journey.

Historian's Report - Richard Greenhough

Life Membership – Edward (Ed) Beacham 2015

At the Club's 70th Annual General Meeting held 28th June, 2015 Edward (Ed) Beacham was elected a Life Member of Torquay SLSC, the highest honour that our club can bestow on a member.

Ed's time at Torquay SLSC started when he joined as a Cadet Member during the 1959/60 season. He obtained his Surf Bronze on 24th December 1961, in his first season as a Junior Member.

Ed was not an 'elite' competitor but a participant enjoying what he did with the group of young board paddlers the club had at the time. He competed in board events – 'Okanui', 'Malibu', 'Surf' and '16ft' Boards. In the 1960/61 Club 'Okanui' Championships he was placed equal 1st drawing with Richard Knight. During 1961/62 Ed came equal 1st this time in the 'Malibu' Board Club Championship drawing with Terry Wall. At the Victorian Championship that season he came 3rd in the Novice Board Race and the 'Malibu'.
In 1963/64 Ed took on the role of 'Board and Ski Vice Captain' a position he held for 3 seasons. In that period, in the 1963/64 Club Championships he came 2nd in the 16ft Board and in 1964/65 came 2nd in the 'Surf' Board and 3rd in 'Malibu' Board.

An extract from the Victorian State Centre magazine 'Victorian Surfer' 1966- ***'Torquay's Finest Hour'*** **-** Sunday the 18th April, 1965**.**

Huge 25 feet waves whipped up by a frenzied wind crashed down on Torquay beach with deafening roar as five pairs of hands clung desperately to an overturned surf boat. ……. The boat was swamped and drifting a mile offshore …. Bill Luscombe and Eddie Beacham on a double ski were successful in bringing to the beach Rod Bryant who was suffering from severe exposure and requiring medical attention.

Eddie and Bill for - *their part in this chapter of Victorian surf lifesaving history* - received letters of commendation from National Council (5 others also received awards – 2 Meritorious Awards and 3 letters of commendation).

Ed spent 10 years patrolling before taking leave of absence in 1967 to sail in the America's Cup challenge on the yacht 'Dame Pattie' under Jock Sturrock.

Ed was a member of the Associates Committee for 6 seasons from 1970-76, the period when we lost our club to a fire and the rebuilding process took place. The Associates Committee were an integral part of the fundraising efforts of the club.

For 2 Season from 1992- 94 Ed joined the Club Committee as a Vice President, an Associate Committee member 1994/95 and President of the Associates 1995/96. It was during this season that the club's 50th Year celebration took place and Ed was a driving force behind the organising group.
Ed became Club President for 3 seasons from 1996-99, Associates President for 2 seasons from 1999/01, Club Vice President 2001/02, Associates President 2012/13 and Fundraising Director 2013/14.

Throughout the years that Ed has served on the club and Associates committees and the years he was not a committee person he was always working to assist the club. One field that his assistance was especially appreciated was in the field of floor coverings - assisting with the supply, replacement and laying.

Ed was also instrumental in raising prize money and organising the major fund raiser the Jim Wall Surfathon for seven years.
In 2009 Ed was awarded a 50 Year Membership Medallion.

Congratulations Ed on your election as a Life Member of Torquay SLSC.

Over the past 18 months, over $30,000 in Club requests have been approved for funding by the Trust, including an IRB and two motors for the 2016/17 season. The recent and generous donation to the Trust from the Estate of the late Stan Goulding (former Club President and Trustee) will also be used to help equip our patrols into the future.

Trustees are available to provide an overview of the Trust and the means by which to make a donation. For further information please don't hesitate to contact Peter Doyle, Lindsay Newstead, David Shaw, Simon Strahan, Marion Lowe, Ian Turner, Richard Greenhough, David Steed, Michael Nolan, Bryan Thomas, Bill Johnson or David Morris.

Jim Wall

This year saw the largest number of entries ever for the annual Jim Wall event despite a date clash with the Pier to Pub due to LSV interstate carnival being held the day before.

With competitors coming from across the nation the standard of races was particularly high. The event took a new format which received excellent feedback from all involved.

To everyone involved from the set up to pack up, to BBQ crew, registration team and all other roles you did the club proud. The feedback was extremely positive with competitors loving it.
As the longest running Ironman event in Australia it is something we should be very proud of and stay tuned for next year the marketing team have big plans. Special mention to Bryan Thomas who puts in a huge amount of work to make this event possible.

Winners Jay Furness and Lizzie Welborn
