NOTICE OF MEETING

Notice is hereby given that the 73rd Annual General Meeting of the Torquay Surf Lifesaving Club Inc.

Will be held in the Main Hall of the club at 2.00pm on Sunday June 24th 2018

Agenda

1. Notice Of Meeting
2. Confirmation of Minutes of the 72nd Annual General Meeting
3. Business arising from Minutes
4. Presentation and Adoption of the 73rd Annual Report
5. Presentation and Adoption of the 73rd Financial Report
6. Life Member's Report
7. Motion for Affiliation with Life Saving Victoria for Season 2018/2019
8. Motion for the Appointment and Remuneration of the Auditors for the season 2017/2018
9. Proposed Constitutional Change: Reindroduction of the Training & Assessment Director (Chief Instructor) **NOTE: this is now withdrawn**
10. Proposed Constitutional Change : Amalgamation of Lifesaving Director & Club Captain **NOTE : this is now withdrawn**
11. Election of Office Bearers commencing season 2018/2019. *Members are reminded, that only Bronze Medallion holders can vote for Lifesaving Position, including Club Captain.*

Nominations :

President :	<i>Tiffany Quinlan</i>
Treasurer :	<i>Katrina Spinazzola - Rebecca Draper</i>
Club Captain :	<i>Scott Tannahill - Cameron Mercer</i>
Director of Lifesaving :	<i>Patrick Spinazzola</i>
Director of Facilities :	<i>John Mercer</i>
Director of Fundraising:	<i>VACANT</i>
Director of Functions :	<i>VACANT</i>
Director of Member Services :	<i>Sarah O'Dwyer</i>
Director of Markerting :	<i>Sarah O'Dwyer</i>

PRESIDENT REPORT

TONY WHITE

Well it was a big season with a lot on, a lot of new members joining; a lot of work to do and nobody came to serious grief between the flags between.

We started the year without a Secretary so I covered off that role as well as the Presidency for the first few months until Ben Maw put his hand up to help out. Ben's work commitments mean that he will be passing the baton on to someone else at the AGM but he left a couple of important legacies. One was a better structure for our meeting papers, the other an initiative adopted by the board to acknowledge the traditional owners of the land before we commenced meetings. This might not be a big step in some people eye's but I was recently on a Naval exercise at a defence base where like every other Australian defence base the traditional owners of the land are recognised- so for much of modern Australia this acknowledgement is well accepted and it is time for our organisation too.

Our new website developed by Fleur Batties is a much improved effort and we need to keep at that as well as our social media effort to ensure that we go where our members are going to get their information and engage with the world.

Scott Tannahill as Lifesaving Director has brought many years' experience elsewhere into the role and has been supported in the training effort by many hours of work by Pat Spinazzola. Alan Dell was good enough to put his hand up to fill the Club Captain role and when he wasn't helping out with just about anything he, importantly, provided an important link for the current board with many older members of the club. Ken Godfrey helped out with that role as well and also helped stop the building rot away into the sea as Director of Facilities. He did that, by the way, notwithstanding major surgery and getting speared by a stingray.

Our Competition Director Peter Quinlan put in many hours by the beach in support of our young athletes and our Treasurer, Katrina Spinazzola, put in many hours also behind the keyboard keeping our finances on the straight and narrow.

Scott McCardel has worked miracles in the nipper section assisted by an army of volunteers who bring new skills and enthusiasm to the club. We had 333 nippers all up – I hope all those kids had fun, felt safe and valued and will keep coming back for many years to come.

president report continued

Thanks also to our staff, caretaker Damian Horan and all the casual staff who represent the club at many functions.

As the season comes to a close, we have hit an all-time record in terms of numbers with more than 1000 members, we have seen some great results at State and National titles and our lifesavers have done the job they train for. More of our lifesavers have gone on to gold medallion training in the last few years than has been the case for a while and their lifeguarding as well as our surf sports help build relationships up and down the coasts with other clubs and communities. We are still one of the only movements that brings people of every gender and every age together.

The winner of the President's award this year Elisa Hall exemplifies much that is good about the club and the movement. Despite being only 14 she has qualified for her Surf Rescue Certificate and contributed 102 hours on patrol over the season (only 90 minutes less than her big brother Liam).

This year we have done all this with vacant roles with directors of fundraising and functions and a few difficulties filling other roles. We did it in an environment that has more and more red tape – much of it justified. We did it because surf lifesaving is a good thing to have, a good thing to do and a good way to hang out with your friends and their families. Most important of all we achieved whatever we achieved due to the thousands of hours our members have volunteered in every way possible, and I thank every single one of them for the contribution they made.

TORQUAY SURF LIFE SAVING CLUB (JACK HARRIS MEMORIAL TRUST)

The Torquay Surf Lifesaving Club Trust (Jack Harris Memorial) continues to support the Club by providing funds to support core lifesaving services. This funding has, over many years, allowed essential equipment to be purchased including IRBs, Beach vehicle (ATVs), Rescue Boards & Rescue Tubes.

Over the past 12 months \$9000 in Club requests have been approved for funding by the Trust. Trustees are available to provide an overview of the Trust and the means by which to make a donation. For further information, please don't hesitate to contact Simon Strahan (Chairman), Richard Greenhough (Secretary), Lindsay Newstead (Treasurer), David Shaw, Marion Lowe, Ian Turner, David Steed, Michael Nolan, Bryan Thomas, Bill Johnson or David Morris and Peter Doyle

CLUB CAPTAIN ALAN DELL

How things change in such a short period of time. All new faces except one on the committee, It is healthy to have change which brings in new ideas because my thoughts are that four years is getting close to burnt out,

After a shaky start the committee has worked well in their areas with the nipper area growing in numbers, lifesaving training with more awards, boats doing what they do best winning races around the country and patrols have been of a good standard.

Senior competition has struggled for numbers but those in senior competition team performed well. Two new coaches were

appointed and worked well as a team.

Have had a few disappointments being the lack of the club combining as one for social events, the main one was the lack of numbers for the annual door knock. Sixteen attended on the first attempt which was a disgrace for a club with a 1000 members. The club needs funds as there are bills to be paid during the winter months as well. The door knock is an event where we can all get together with the older members taking out the younger members to knock on the doors and all return back to the club for a BBQ. Presently the sections are happy to be segregated from each other. This is not what we should be doing. We are all members of the best club and we should be getting together, for comp training, BBQ's and the odd pre season working bee as there are always plenty of things to do, that can be done by the members instead of paying someone to do it, because every dollar saved is more money for equipment. This happened in January when members volunteered to open the bar every night and a large amount was made because there was no wages to pay.

Life Members and older members held a few events that raised several thousands of dollars to put towards competitors to help them get equipment and travel to the National Titles. These were well attended by the boat section but no other sections were willing to help out. If competitors are not willing to help raise funds there will be no assistance to help purchase equipment. I hate comparing times, but back in the 90's we would send 40 competitors to the "Aussies" with the competitors paying only their fares to get to the titles, with the team staying in 4 star accommodation and meals, which the club would finance because of the fundraising done by all during the year.

Scott Tannahill put together the patrol roster which needed a little twitching to be able to have qualified members on each patrol. This is getting a little easier with the present group of active members gaining extra awards. The inter patrol was again introduced with success with patrol that I assessed were of a good standard. To the following members who attend all their rostered patrols, well done.

Stephen Christofi, Tahl Collinson, Larissa Curtin, Jeremy Gammon, Evonne Grosso, Elisa Hall, Scott Hastie, Jaime Patterson, Melissa Russell and Josh Whitty

There were 5 members who performed over 100 hours during the season being Yann Gilbert 127.25. Liam Hall 106. Larissa Curtin 104.5. Pat Spinazzola 103.25 and Elisa Hall

captains report continued

Special mention to Pat Spinazzola who coordinated the bronze camp which was a great success with all members gaining their Bronze Medallion, with a team of trainers attending a Silver Camp to gain extra awards, plus training at the camp and a group from the last couple of camps acting as water safety. The club had 10 members attend the Life Guard camp with most obtaining a position on the paid roster.

Katrina Spinazzola, Treasurer, Secretary Ben Maw, Marketing Fleur Batties have done a great job in their rolls which the President will give details in his report along with Facilities, Ken Godfrey.

I will not be seeking re-election for next season but will be around the club operating the "OLD GUYS" coffee club in the main hall, raising funds for the club on the weekends, so if you want a good coffee come up to the main hall.

Good luck to the person who is appointed to this position and to the new committee for the coming season.

Cheers *Delfy*

LIFE MEMBERS WITH COMMONWEALTH GAMES BATON

TONY STRAHAN

PETER DOYLE

DIRECTOR OF LIFESAVING SCOTT TANNAHILL

The past Patrol season has been without doubt a success. Minimal Rescues, Many Preventative Actions and No Drownings on our Beach.

This season, we were forced to downsize our Patrols from 12 in the past season to 8. This was necessary because we needed to strengthen our Patrols with experience.

For the first time in many years we ran an Intra Club Patrol Competition and it is fair to say, in doing so, our Teams proved the decision to downsize Patrols worked.

Alan Dell and myself inspected each Patrol and each inspection proved the decision to tighten up our Patrols had worked as each Team were always alert and ready. In a very close points decision, congratulations goes to Patrol 8, Catpaw by Melissa Russell who took out this most prestigious Award. Mel is an exceptional Captain and Manager her Patrols like clockwork.

Much thanks to the Jack Harris Trust for the continued support of our Surf Lifesaving section. By way of recognition of the Trust's support, the Committee have agreed to from now on regard the winning Patrol to be titled The Jack Harris Trust Patrol of the Year.

One of my aims this year was to encourage members to feel like they owned the club and treat the club and their rostered Patrols as such. All in all, I think we have come a long way with this. Most Patrols were well attended and the Patrol Shed, First Aid Room and IRB Shed were normally left tidy.

Special thanks to Yann Gibert who not only clocked up the most Patrol hours with a total of 127 but was our First Aid Manager who was on hand for many of our First Aid cases and kept the room stocked and spotless.

Also thanks to Damian Horan who not only is our live in Caretaker, but found himself in the midst of many serious First Aid calls and also carried out 60 Patrol Hours.

Our Bronze Camp was again a huge success. Thanks for the coordination by Pat Spinazzola and his hard working group of Trainers. Most of the group again came together later in the season to train up another group from St Kevins College. In total we gained 75 new Bronze Medallion holders and a vast majority of them have gone on to Patrol our Beach.

Next season we can look forward to a new fully funded Digital Radio system and an upgrade to our IRB Motors. With that in mind, I would like to encourage members to coincided taking on a couple of roles we have not have filled for a few years. If anyone is interested in taking on the role of Power Craft Officer and Gear Steward, I ask that you please contact myself and I can explain the role description.

lifesaving continued

Moving forward, I have put forward a proposal to the Committee that we merge the roles of Lifesaving Director and Club Captain. Each of these roles are mixed with the same and similar job descriptions and as we do not currently have a Chief Instructor, we are planning on reintroducing this much needed role to take Lifesaving Directors spot and introduce the Director of Training and Assessment.

I have enjoyed my last two years in this position and thank all our Active Members for their commitment continuing to help make our Great Beach Safe.

BRONZE CAMP/AWARDS TRAINING REPORT

PAT SPINAZZOLA

What a season it was!

Bronze Camp was probably the most successful and smooth camp I have been involved in. 19 candidates qualified for their Bronze Medallion. Whilst this was a significant decrease on last years camp of 49, it must be said that 12 enrolled participants withdrew for a variety of reasons unrelated to TSLSC in the 3 weeks prior to the camp commencing. All participants have attended patrols, with Gabi Zmijarevic being the leading patroller with 55 hours completed. With 49 enrolled in 2016, we are still finding the ideal balance, with a group of 36 suggested as the ideal number for 2018.

This year also saw the introduction of a formalised progression structure through the club, to provide participants and their parents with a degree of certainty and ownership over how to gain life saving awards and go on to instruct on Bronze Camp, with an emphasis on aspiring and working towards becoming senior members of the club. In years previous, progress was haphazard and inconsistent. It has required a focus on the long term by the instruction team, and a shift to a 'we, not me' attitude, thinking of bringing through the next generation of leaders at Torquay SLSC.

This new structure involved the introduction of a trial 'Silver Camp' - a development program for returning Bronzies, where they gain several life saving awards. 15 returning Bronzies from 2015 and 2016 participated in Silver Camp, and all reported a very positive experience, with many keen to instruct on Bronze Camp and take up leadership roles in the future. Participants trained for and received their IRB Crew, Spinal

Management and Advanced Resuscitation Techniques [AID] awards during the week, with some who had already completed the IRB Crew course beginning training for the IRB Drivers award. We have had great feedback about Silver Camp from participants and parents, and various changes will be made next year to reflect that.

Bronze Camp Continued

Of course, none of this happens without dedicated instructors and assessors, who spend weeks planning, revising, and assisting with camp set up and logistics. To all of you - THANK YOU. With the addition of several new evening activities for Bronze Camp,

I believe the camp is at its strongest position yet, with a team of instructors who will makethis camp successful going on into the future. However - recruitment is essential. The club cannot rely on ONLY former Nippers coming through the ranks, as to both make our training and assessment activities financially viable and to fill patrols, we need new members coming in at the Bronze Camp stage. I encourage all interested in attending Bronze Camp in 2018 to consider bringing along a few friends new to surf life saving. We cultivated successful relationships with two C schools - Surf Coast Secondary College and St. Kevin's College, Torak. Surf Coast Secondary College incorporated a Bronze Medallion program as part of their Sport and Recreation studies, and 11 students from the school went on to obtain their Bronze Medallion, under the watchful eye of Keith Millar. St. Kevin's organised a week-long camp component. I'd particularly like to thank all of the instructors, assessors, and water safety on this camp, as I was unexpectedly hospitalised and had surgery the day prior to camp starting. The way that all of the instructors and assessors stepped up to run the camp smoothly was nothing short of faultless, and it shows great promise for the future. The feedback from the teaching staff and school was nothing short of glowing. 31 students from St. Kevin's College received their Bronze Medallion, and the school has already booked in for 2019. Excellent work! The club is very interested in any other secondary schools that would like to develop a relationship, please contact me if you have any leads.

On the advanced awards front, we ran several extra courses over the season, including 2 x ART courses, a November Adult Bronze, a Flexible Delivery First Aid Course, a winter IRB Drivers Course, and 2 x IRB Crew training courses. We will be revisiting how some of these courses are delivered in 2018/19 to better spread the load amongst our instructors and assessors.

A big congratulations to Will Popovic, who received the inaugural Training and Assessment Award. This award goes to a member who has obtained the most new surf life saving awards, whilst also demonstrating a commitment to the life saving movement in general. Will was a participant on Silver Camp who went above and beyond, assisting with courses later in the season, and obtaining his Silver Medallion Beach Management (at Jan Juc) and First Aid awards alongside the other awards. He combined this with patrolling over 50 hours and his competition commitments in the Under 19 Boat Crew.

bronze camp continued

I'd also like to recognise the efforts of our team at the 'Aussies'. Not only are they dedicated, hard working competitors; every single one of our athletes at the Aussies has obtained at least one new surf life saving award, either this season or last. Many of them also assist by training new surf life savers or other advanced award training, by attending Silver Camp, or by taking leadership roles on patrols. They are great role models formembers coming through - if they can do it, so can you!

Finally, I'd like to thank Scott Tannahill for his assistance and guidance throughout the season, and Daryl Moss and Deb Lowe from LSV for all of their help!

Catch you in the surf.

Pat Spinazzola

UNDER 13 DEVELOPMENT CAMP PASCAL KISNORBO

Hi my names Pascal Kisorbo and I attended the U 13 2018 development camp in Phillip Island on the 16th-18th of March.

One of the focuses on camp was teamwork. For example we had an activity to build a raft out of limited recourses. We only had rope pipes and planks. This activity really required teamwork and help from everyone so the raft would work.

Another example was when about 10 people all had to stand on a small mat. Our objective was as a team we had to try turn the mat over. But we have to make sure we don't step off the mat. It was very difficult but as a team it is possible.

The camp gave us good education about life saving. We learned that life saving can take you many paths. And you get to choose that path. We even had a rescue helicopter land right in front of us and we got to meet the whole crew!

Accommodation was six people in a room. This was good because you got to meet lots of new people. Food was included and it was good food as well. You get to socialise with the people at your table.

Over the weekend we had fitness/sport sessions which included football, soccer, surfing and basketball. These were great ways to be active and socialise with new people.

You get your own t-shirt and photo taken. That photo will then be sent to your club. And if you really improve over the weekend you will get a special award.

This camp is a great experience and develops your social skills and confidence to help young people develop leadership skills for the future.

I really enjoyed this camp it was a worthwhile thing and I highly recommended it to anyone entering their teenage years.

LSV UNDER 15 LEADERSHIP DEVELOPMENT CAMP – REFLECTION BY REMONY REID

The LSV U15 Leadership Camp was an overall amazing experience and I would highly recommend to apply to anyone who is passionate about their club/surf life saving, interested in leadership or just wanting to meet and interact with new people.

Over the weekend, I learnt so much about myself and the people in the world around me. I got to explore the different personality types in a workshop, and then apply that knowledge to group initiatives. The workshop was really interesting; as I got to hear about the different personalities of others in my group and watch them open up and be vulnerable, sharing their strengths and weaknesses. This was also a huge step for me to do so too. Through this, I was able to see the other people on my camp as more than just group members; I was able to have an idea at who they were and how they think. This led me to create many great friends from clubs around Victoria, who I hope to catch up with again someday.

The weekend was also filled with many fun activities such as group games like Ga Ga, a weird sounding ball game that is actually addictive, basketball and football. We also went on a high ropes course that saw you zooming through trees on a zip line and free jumping from a platform 5 metres in the air. We also tried to create a crate ladder, where one person is attached to a harness and then attempts to climb a crate ladder being built under them that can reach to up to 13 crates. I myself, got to 10 and a half crates once the 4 minute time was up. Throughout the weekend, many group challenges took place that really tested your patience, leadership and teamwork skills. You were taken on a rollercoaster of emotions, from almost ripping your hair out from frustration to being overwhelmed with joy when you finally realised how to balance 9 nails on one standing up. Regardless of the major emotional swings, we had so much fun at the challenges and it ended up being my favourite activity of the weekend.

We also took part in a leadership workshop where we brainstormed the qualities of a good leader. We then thought about how we could implement these qualities and attributes to not only lead at our life saving clubs, but lead in everyday life. I learnt the most at this workshop as it encouraged us to think about the leaders around our club, and how that could be us someday. This workshop really inspired me to continue being a part of the club and give back to the community that has given me so much.

To finish up, this camp, although it was such a short amount of time, I was able to learn things that would have taken years. How to talk and interact with others, how to lead yet still be part of a team, how to compromise to work with different personalities, why I behave the way I do, my strengths and weaknesses and much more.

MARKETING REPORT FLEUR BATTIES

Season 2017 was my second year in the position of Marketing Director giving me the ability to build on the foundation work completed in 2015 to 2017.

The Marketing goals for this season were to;

- continue to raise our community profile to attract new members & sponsors
- develop a new website
- create great relationships with our existing sponsors
- raise additional funds through existing and new sponsorships
- create opportunities for our members to be more connected

I am happy to say all of these goals have been achieved.

The Surf Coast Times continued to be a major sponsor of the club, providing us with a huge amount of assistance to raise our community profile. Their in-kind contributions of advertising space and constant stories about the work the club does is invaluable. It helps raise the clubs profile in the community and makes people more likely to join our club or to donate much needed funds.

We worked with local IT services firm **Brown Ink Design** to successfully develop a new website. TSLSC now has a contemporary website that is easy for our members use and much easier for the club to update. We have better access to information for existing and prospective members, an online calendar to communicate events and a “donate now” button enabling online donations through Paypal. Brown Ink Design became a sponsor this year providing a discounted website development package and complimentary website hosting services.

The **Surf Coast Times Jim Wall Iron Man** event provided great opportunity for TSLSC to say thank you to our sponsors and to showcase our club. We hosted over 80 VIPs in the main hall with sponsors old and new enjoying our club. Sponsors of the event were **Hayden Real Estate, Midacon Constructions, Ironbark Composites, Kings Funerals, Barwon Valley Smallgoods and Links Property.**

Piping Hot returned as major sponsor of the Nipper Program in 2017/18. Their generous contribution has helped the Nippers program run for a full six months and enables us to purchase a new fleet of boards for our growing number of Nippers to use.

McDonalds Torquay came on board this year to help us provide packs for our Nippers and support the Nipper development camp.

We welcomed **Civs and Lanskey Construction** and **All Form Concrete** who sponsored teams for the George Bass Boat Carnival and **VicTech Consulting & Construction** kindly fixed our board racks free of charge.

Our relationships with **3228 Blinds**, **Villawood Armstrong Creek**, **RACV Torquay**, **Linfox**, **Woolworths Torquay North** and **Xero Accounting Software** have continued and we are extremely grateful for all of their support.

As the season came to an end we ran a full page ad in the Surf Coast Times to thank all of our sponsors and supporters for season 2017/18, with the catch phrase “we couldn’t do it without you”.

Torquay Surf Life Saving Club Foundation

it has been over 24 months since the TSLSC Foundation was launched. In that time we are pleased to report that several donations have been made.

As a reminder the Foundation runs independently to the club and is governed by its own set of rules.

The purpose of the Foundation are set out in the rules of the Foundation and these include.

- 1 Fundraise from the public and apply donations solely for the purpose of the Club otherwise administer donations
- 2 Act on behalf of and represent the interest of the members and Lifesavers.
- 3 Use and protect the Intellectual Property of the Club
- 4 To further the interests of lifesaving in Torquay and elsewhere as necessary
- 5 Adopt and implement appropriate policies for issues that may arise in lifesaving
- 6 Have regard to the public interest in its operations; and
- 7 To do all things necessary to achieve these objects

The Foundation is gratefully receiving donations. To find out how to donate or submit an application to receive funding please email foundation.tslsc@gmail.com or mail TSLSC Foundation PO Box 193 Torquay Vic. 3228

Brochures are available providing donation details from the Surf Club Office.

THE 2018 SURF COAST TIMES

JIM WALL IRONMAN

TERRY WALL

The 56th running of the Jim Wall event was held at Torquay on Friday, January 12th. Originally called a Surfathon (before the term Ironman was used) it is the world's first and longest running ironman event-which includes a run, board, ski and swim legs.

This year the day also included 16 individual races sponsored by club members with the ironman and women events supported by the Surf Coast Times, these preceded by a segment of the Weiland Shield competition between California and Victoria. It started as a dreary day, with the long early races at high tide, and with the spectacle of the colourful shelters of the many local and interstate clubs and Victorian and Californian teams filling the grassy mound. Some 230 athletes participated, with 65 in the ironman and 50 in the ironwoman events finishing the day at lowish tide, a bit of sun, and fortunately by passed by an electrical storm. A small swell created interest with craft waves from the point, a few body waves and the complexity of the Torquay rocks at low tide.

The men's event was won by Matt Bevilacqua from Kurrawa, the women's by Manly's Naomi Scott, with the M-shaped course giving spectators a closer look at the field and the starting run past the surf club along the sea wall associated with cheering supporters. The awards for best Victorian went to Archie Vernon of Torquay and Sophie Thomas of Warrnambool. With eight qualifying places to the Summer of Surf Ocean 6 event at Fairhaven on the following Sunday, there were fantastic and close finishers. Torquay competitors included some of the up-and-comers - with some results-including,

Archie Vernon (U19 Swim 4th, Board 5th), Grace Harris (U19 Board, 1st, swim 7th), Ben Harris (U19 board final), Michael Tass and Jayden Schram.

This was one of the best Jim Wall days I have seen, the races were exciting, it run well and the club should be rightly proud. Ironman hero and coach Wes Berg (who coached Joel Parkinson to his world surfing title) has been coming down from the Gold Coast to the Jim Wall for more than a decade said, "This has been another fantastic event and day, we will be back!"

The club ran the event without LSV involvement, and a number of members contributed tirelessly throughout the day, the ones I saw included Peter Quinlan, Bill Johnson, Tony White, Brian Thomas and Scotty Tannahill- there were many others manning the BBQ, managing the presentations and helping out on the beach. The club raised some \$15,000, a most satisfactory outcome. Discussions after included suggestions to expand encouragement for locals to participate and also for a new perpetual trophy shaped by Jeff Sweeney. On a personal note, can I thank all involved to continue the successful running of the annual Jim Wall Ironman at Torquay - see you again next year.

JIM WALL SURF COAST TIMES IRONMAN

WINNERS MATT BEVILACQUA & NAOMI SCOTT

DIRECTOR OF FACILITIES KEN GODFREY

As always the list of minor and major repairs never end, the following items have been achieved this season.

1. Complete removal and replacement of new gas instantaneous wall mounted HWS (Hot Water Systems) which will see us through many years to come, the cost of this was over \$17,000
2. Badly deteriorating steel to front balcony off main hall has been descaled and painted with appropriate galvanised paint products including sections of the rear balcony BBQ area off the main bar.
3. Badly rusting steel handrail to bunkroom, rear access stair removed re galvanised and replaced
4. Large balcony off bunkroom overlooking beach soffit to ceiling started to collapse, it was found to be asbestos this was completing removed and replaced with appropriate sheeting, painting was done by Damien Horan.
5. Loose sheets above rear BBQ area has been refixed.
6. Considerable work has been done to remove dangerous lighting which could have caused a fire throughout the bunkrooms at a cost of \$1960.00 also replacement of some exit lights and reposition of lighting to close to fire alarm sensors. Work carried out by Ben Dubberley, Paragon Electricians.
7. New roof and security gates installed to protect new HWS
8. Bright yellow edges has been installed to edge of external stairs from balcony to lawn area for safety requirements
9. Considerable painting has been carried out to clean up walls in outside kitchen area, carried out by *caretaker "Jack of all trades"* Damien Horan.
10. Male and female toilet downstairs doors and jambs badly in need of repair. They have now been replaced with fibre glass coated doors and new jambs.

We need to keep the building in good repair so we can hire it out for weddings and parties

COMPETITION DIRECTOR – PETER QUINLAN

Season 2017/18 came and went with a flash. Having taken over the role from Bryan Thomas this year there were big shoes to fill. Before going any further I once again want to thank Bryan for this dedication and commitment to the club whilst in this role and his support this year to me has been invaluable.

The year has been filled with learning for all involved. Cam Mercer and Nick Thomas assumed the role of coaches after Grant Matthews stepped down for personal reasons for the season. Both Cam and Nick worked hard with the athletes and they responded well. We also established a subcommittee appointing a male and female team manager for carnival days – Mark Patterson and Serrin Vernon both of whom excelled in their roles ensuring athletes knew teams and were aware of program events etc.

This is a young group of athletes who over the season performed way beyond their years. With the average age at just 16 there is plenty to look forward to in coming seasons. In addition to the LSV carnivals we ran joint training sessions throughout the season with Jan Juc, Half Moon Bay and Ocean Grove to simulate race conditions and to allow the athletes to measure progress, where ever the base line for them was.

The latter half of the year saw some experienced athletes join the club and allow open teams to be able to compete for the first time in many years. Having these wise heads around the club has been a wonderful addition to the team and I am looking forward to working with them all in the coming season as we build upon the foundations already in place,

State Titles were held in Apollo Bay in conditions that saw us bask in sunshine on Saturday and run for cover from extreme winds and hail on Sunday. Sadly some events were cancelled but that is surf lifesaving. Results were pleasing with Torquay able to enter teams across many age groups and saw strong camaraderie and results.

Given the Aussie titles were in Perth this year Torquay sent a relatively small team across the Nullarbor. Having said that we had representation from Youth right through to Masters Surf Board racing which is something to be proud of. This small team once again competed with exceptional results and proves you don't have to live up North if you work hard the results will follow.

So in closing I would personally like to thank the entire senior crew who helped me transition into the role. At times it has been tough but most of the time its been incredibly rewarding watching the athletes do what they love with smiles, determination and commitment – what more can you ask form a group of young adults. Huge thanks to the coaches, officials, trailer towers and volunteers—we cannot do this without you. With States and Aussies earlier next year enjoy the winter break but stay tuned we have plenty planned to see Team Torquay continue to thrive. Results are listed below.

JUNIOR DEVELOPMENT REPORT

SCOTT MCCARDEL

The 50th year of Nippers at Torquay Surf Life Saving Club has been one of the most successful ever!

This year was my first year as Junior Life Saving Director, assisted by a new Nippers sub-committee comprising Matt Henderson, Sarah O'Dwyer, Jodie Gervasoni and Jay Muir.

Our Junior Club Captains this year were Kai Tracey and Emily Tass who were great representatives for the club and role models for the other Nippers.

The season kicked off in October with great numbers at each Sunday and Wednesday session from the outset.

We held a Nipper Camp at Lorne which was attended by 85 Nippers and their families on the weekend of 17-19 November 2017. A total of 210 members were involved in the camp which included water and beach based training activities, including a swim/paddle over the Pier to Pub course which was a highlight for all. We were incredibly lucky with the weather over the weekend which made it possible for participants to get to know each other and welcome new families to the club.

Junior carnivals began in December with a pre-Christmas carnival at Altona attended by 35 nippers. This was a great start to the competition season as well as a great lead in to the Summer program.

This year's Summer Holiday program was a huge success – we had over 200 nippers attending each day and a total of 329 nippers enrolled this year. Thanks to Nova Hunter for co-coordinating the summer holiday program and to all the Age Managers for making it run so smoothly and delivering a fun and educational program for the children. A special thank you also to the U14s who helped out with water safety and running the sessions. We ran 8 sessions over 12 days with the Cosy Corner Carnival occurring toward the end of the program.

We had over 150 Nippers representing Torquay SLSC at Cosy Corner Carnival, many of them for the first time. Again we were blessed with fantastic weather and a fun and successful day was had by all. The Cosy Corner BBQ, run by Rob Gervasoni, was as popular as ever and was a great fundraiser for the club once again. Thanks to all parents and siblings of our Nippers who helped out on the day. As Cosy Carnival is hosted by Torquay Life Saving Club we are required to provide certain services on the day – thanks to a new nipper parent, Dr Tim Shakespeare, and the lifesaving team led by Yann Gibert who put their hands up to help.

This year the Club decided to open to the public every evening the January holiday period. The Nippers section were asked to host two evenings a week at the Club over this period which were great fun and popular with members and the general public alike.

Thanks for all Nipper families who volunteered their time to help behind the bar and with food. Lead by the Gervasoni family, we cooked up a storm – pork sliders and souvlaki nights were the highlights!

After the Summer holidays, training and competition continued with great numbers attending carnivals at South Melbourne, Chelsea and Lorne in the lead up to Junior State Championships which were again held at Warrnambool on the Labour

Day long weekend in March.

One of the most enjoyable Sunday morning training sessions during this period involved a friendly mini-carnival with Jan Juc Nippers. This is something we plan to do more of in the future as it is a great opportunity for our Nippers to hone their competition skills alongside their friends (and rivals!) from Jan Juc.

We had 88 Nippers and their families make the trip to Warrnambool to compete for the club at the State Championships. It was a successful weekend for the club with 3 gold, 7 silver and 4 bronze medals won. A special thank you to Rod Costa who took the time and effort to coach a team in the March Past event, helping them bring home a silver medal.

After the conclusion of the competition season, the Nipper section hosted an end of season event which also celebrated the 50th anniversary of Torquay Nippers. It was great to see and hear from Charles Lyne who was responsible for introducing the program. We were also entertained on the evening by The Truants, a local band comprised mainly of nipper parents, who proved to be very popular with the crowd. On this evening we announced the Nipper champions for each age group:

AGE GROUP	GIRLS	BOYS
Under14	Emily Tass	Jake Jenkins
Under 13	Shekeya Delgado	Michael Rudd
Under 12	Leni Gilbert	Ollie Maddalena
Under 11	Stella Draper	Harrison Henderson
Under 10	Milla Browning	Ashton Schram
Under 9	Ella Martin- Alcaide	Curtis Broadhead

Such a successful season is of course not possible without the efforts of a huge number of people – too many to name individually. Thanks to all who assisted in any capacity this year – as age managers, assistants, carnival officials, water safety, IRB crew and drivers, pack up and pack down assistants, Rob's BBQ helpers and bar and food servers - to name just a few roles performed this year!

A special mention must go to the Nippers Sub-Committee for their tireless work in delivering a great program. Thanks to Matt Henderson (Age Manager Co-ordinator), Sarah O'Dwyer (Communications), Jodie Gervasoni (Administration) and Jay Muir (Gear Steward) who have devoted many hours behind the scenes to make the program possible.

Finally, thanks to the Nippers for approaching the program and new challenges with enthusiasm and energy, for being great representatives of the club and demonstrating great sportsmanship and support for their fellow participants. We hope you have had a great season at Nippers and have enjoyed the friendships and skills you have developed. See you on the beach later this year!!

BOAT SECTION **REPORT** **ROD COSTA**

Season 2017/18 could go down as one of the most successful in our history of Boat Rowing. We are now firmly entrenched in the top 10 in Australia where we belong.

I will attempt to summarize the season just gone.

OCTOBER

3 Crews attended the 14km Marathon from Cattle Duffers Flat to Tarren Point NSW along the St Georges river. Our Masters Ladies the Bluebottles, winning their division with the Pirates 2nd and Buoyos 4th. A great start to a busy season to come.

NOVEMBER

The Pirates and Buoyos travelled to Portland and won their divisions. Neil Heathcote puts together a group of 8 ladies to contest the George Bass Marathon. 3 crews attend the Lorne carnival Pirates, Lightning and Buoyos all winning their divisions. Lightning attend Ocean Thunder OT1 with a solid result.

DECEMBER

The section expands as Scott Hastie's crew Cosy's notch up some good results at Sandridge. Neil's ladies place 2nd in the George Bass 180km Marathon from Batemans Bay to Eden over 7 days. A great result in this gruelling event. Well done Neil. Lightning competes in OT2 with another promising result.

JANUARY

Lightning competes at OT3 coming 2nd, their best result to date. The pirates travel to Surfers Paradise Qld to try out for Australian selection finishing a creditable 4th. Scotty knows now they are on the pace for a big season ahead. Good solid results for all crews at local carnivals. The VSRL Open is held at Ocean Grove with Pirates & Buoyos winning Gold. Bluebottles and Lightning Silver and Pirates again Silver in Open, Buoyos Bronze in U23. The Boat Section runs a very successful Club Dinner with 110 in attendance.

FEBRUARY

Lightning competes at OT4 coming 3rd overall. At The Victorian Masters Titles at Lorne the Bluebottles win their age group and Scott Hastie's Cosy's win Bronze. Scott Hastie continues to teach new rowers the sport of surf boat rowing and also provide good patrolling members for our club. The following day 6 crews compete for Torquay with strong results. Later in the month 4 crews attend the ASRL Open at Elouera NSW. In 2 metre surf the pirates make the Open Men's final finishing 5th. The other crews perform well in the challenging conditions. Elouera was truly an awesome display of Surf Boat skills, courage and determination.

Boat Report Continued

MARCH

7 Torquay crews attend the Victorian Championships at Apollo Bay, our strongest representation for the season so far. Buoyos, Pirates take out GOLD and combine with Lightning to take GOLD in the prestigious Surf Boat Relay. Lightning secures a Bronze and the Buoyos row up for a Bronze in the U23 men's division. A good result for Buoyos with 2 Gold's and a Bronze medal. Other crews perform well.

APRIL

The season finishes with the Australian Titles at Scarborough Beach Perth. Pirates, Lightning and Buoyos attend with Pirates winning a Silver Medal in U23 Men's division. A rewarding result to finish a great season for them. Lightning makes the Open Woman's final and Buoyos perform well as the cuts were very harsh. An amazing journey for all crews and their sweeps this year. Well done to all involved !!!

THANKS

We have had a huge band of helpers throughout this season. Just to name a few: Geoff French, Scott Tannahill, Peter Tomlinson, Rob McAlister, Ed & Judy Beacham, Jan & Tony King. Steven & Jenene Nelson . Penny Altman who's always there behind the bar on Boaties nights is a great club person. Carol Heathcote and Karen Costa who did a great job at the Bass. Billy Booth always about to lend a hand, even though he has slowed down a touch. Surf Coast Mayor David Bell and his wife Traci Brown never miss. My wife and rock Karen always full of encouragement and support for our crews.

OFFICIALS

Brian Millman, Karen Costa, Geoff French, David Eades, Rod Costa, Tony King & Scott Tannahill all performed duties throughout the season both Local & Interstate.

VALE

Richard Maxwell Denham

It is with sadness that we record the death of Life Member and former Club President Richard Maxwell Denham on the 3rd March 2018 aged 90 years.

Max, his middle name he preferred to be known as, joined as an Associate in January 1968 aged 40 years. He was quick to contribute to the club gaining his Surf Bronze on the 24th March 1968 and his Instructors Certificate on 24th November 1968. He served for three years on the recently formed Associate Committee 1968 to 1971. During the period he took on the arduous task of Chief Instructor for two years 1969/1971. His efforts during those two years were particularly noteworthy, the club having been destroyed by fire in July 1970. Leaving him no clubrooms to operate from however the various awards were still carried out meticulously.

Stepping down as Chief Instructor he then served as Gears Steward for nine years 1972 to 1977, then 1981 to 1985. Max was elected Club President for two terms 1979 to 1981. Despite all of his other activities he was Power Boat Captain for seven years 1974 to 1981 and as a member of the Board of Examiners (appointed to the Board in 1979) he instructed and examined members from nearby clubs in the operation of Power Crafts.

Max's club awards included member of our club State March Past Champions in 1970, Best Clubman award 1974/75, State Council Best Gear Steward award 1975/76. For his outstanding service over a lengthy period Max was elected a Life Member in 1985.

A fine record by a loyal, dedicated member, who served his club with great distinction.

Ester Pittard

Mrs Ester Pittard, widow of former club President and Life Member Harry, died peacefully on 24th October 2017. Ester was an original member of the Ladies Social Group and later the Ladies Auxiliary. The many functions held at Torquay and Melbourne were most entertaining and a source of much needed funds. The work of Ester and fellow Lady Auxiliary members during the building and refurbishing the new club house during 1970/71/72 was a commitment of generous proportion.

Ester was in her 58th year with the club having received a 50 year Membership Medal in 2010.

David Brownlee

David (known in surfing circles as "WhipLash") Brownlee died during November 2017 aged 90 years. He joined in December 1952, gained his Surf Bronze in April 1953 and was a competent patrol member from 1953 to 1970.

David served on the committee as Publicity Officer and Editor of the club magazine (Surf, Sun & Sand) from 1963 to 1968. He then turned his talents as a Member of the Board of Examiners attending surf carnivals and Bronze Examinations around the state coastline for nigh on 30 years, having resigned from the club in 1972. He took up membership a few years ago to support his grandchildren.

We extend our deepest sympathy to the families of all these fine members Max, Ester and David
